FREQUENTLY ASKED QUESTIONS

HOW DO I APPLY?

You can apply online at www.dts.edu. Graduate enrollment requires a four-year BA or BS degree from an accredited university or college.

CAN I RECEIVE ADVANCED STANDING AND TRANSFER CREDIT?

You sure can. Advanced standing credit for up to one-fourth of most degree programs can be earned by passing the appropriate proficiency exams. We also accept transfer credit, up to one-half of most program requirements, from other accredited seminaries and graduate schools.

WHAT IF I WENT TO A BIBLE COLLEGE?

Let us know! Depending on the school you attended and the courses taken, you may be eligible for Bible Exposition substitution. In other words, we'll replace a basic required Bible course with an advanced elective so that you don't have to repeat similar content.

IS FINANCIAL AID AVAILABLE?

Absolutely! Last year, DTS students received more than \$2.5 million in financial aid. General scholarship funds are available as well as specialized funds for American-born minorities and international students. An interest-free payment plan is available for tuition and books to eligible students. Low-cost group health insurance is also available.

WHAT ABOUT HOUSING?

DTS is committed to providing quality, economical housing that supports the mission of DTS by encouraging spiritual growth and community in two on-campus apartment facilities.

HOW CAN I FIND A JOB IN DALLAS?

Once you are admitted to DTS, you gain access to the Seminary's job board, an online tool that lists jobs from local employers who frequently seek seminary students to fill positions. Our Servant Leadership Internship office also assists students with part-time employment with churches and parachurch organizations throughout the Dallas/Fort Worth Metroplex. Access to the Internship Job Board is available to all students at www.dts.edu/internship.

IS THERE JOB PLACEMENT ASSISTANCE AFTER GRADUATION?

Yes! After graduation our Placement office works with you to help you find a ministry position. Our graduates serve in church and parachurch ministries, missions, Bible colleges and seminaries, and in a number of other fields. Many also go on to further study after completing one of our degrees. Our placement record is excellent.

WHAT IS YOUR DOCTRINAL POSITION?

The full Doctrinal Statement appears in the back of this catalog. While our faculty and board annually affirm their agreement with the entire statement, students need only affirm these seven essentials:

- the authority and inerrancy of Scripture
- the Trinity
- the full deity and humanity of Christ
- the spiritual lostness of the human race
- the substitutionary atonement and bodily resurrection of Christ
- salvation by faith alone in Christ alone
- the physical return of Christ

Greetings from the campus of Dallas Theological Seminary.

Our commitment is to provide the very best theological training for a lifetime of study and ministry. We are confident that your experience at DTS will be a rich blend of academics, spiritual formation, ministry preparation, fellowship, and worship. Our desire is that as you progress through your particular program—whether in the classroom, in chapel, or through the experience of our Christian community—you will become more like Christ.

The purpose of this catalog is to introduce you to the Seminary. For 90 years DTS has helped train the next generation of servant-leaders for the church of Jesus Christ. Like any school, how well we equip our students will be measured ultimately by their ministry. Throughout its history DTS has produced graduates who know the Word of God—and who love the God of the Word.

DTS COMPETENCIES

The curricula and related seminary experiences are designed to help DTS students develop competencies of knowledge, abilities and skills, and beliefs and values to help evangelize the world and build the church. The student understands the Bible in its historical, literary, and theological contexts in order to apply and communicate the Scriptures.

THEOLOGY

COMMUNICATION

The student is able to persuade others with respect to biblical and theological truth through oral, written, and electronic media.

CHRISTIAN SPIRITUALITY

The student, by means of the Spirit, demonstrates increasing love and devotion to God and loving service to others.

SERVANT LEADERSHIP

CULTURAL ENGAGEMENT

The student demonstrates appreciation for other cultures and the many dimensions of ongoing public-square and global conversations related to social, cultural, religious, biblical, and theological concerns, and develops a biblical Christian perspective that results in knowledgeable, compassionate dialogue with appropriate evangelistic engagement.

ABOUT DTS

OUR MISSION

The mission of Dallas Theological Seminary as a professional, graduate-level school is to glorify God by equipping godly servant-leaders for the proclamation of His Word and the building up of the body of Christ worldwide.

EXPANDED STATEMENT OF PURPOSE

1. Dallas Theological Seminary is a professional, graduate-level theological seminary that seeks to provide training at the master's and doctoral levels to prepare its students for a variety of Christian ministries.
 - As a professional, graduate-level theological institution of higher learning, DTS seeks to provide training for specific Christian ministries and to encourage the pursuit of Christian scholarship at the highest levels of research befitting the mission of a theological seminary.
 - While the doctrinal commitment of the Seminary is intentionally evangelical, Dallas Theological Seminary seeks to provide a contribution to a broader constituency through community, theological and ecclesiastical involvement, and dialogue.
 - The Seminary seeks to maintain an appropriate balance between the training it provides for effective vocational ministries and the academic rigors necessary to graduate those who will research, write, and teach at the highest levels of theological education. As both a professional and graduate-level educational institution, the Seminary is committed to providing the appropriate support services, departments, resources, and facilities to accomplish the mission of the institution.
2. In order to equip men and women for ministry as godly servant-leaders, Dallas Theological Seminary encourages the development of godly character in each of its students.
 - The Seminary is committed to the preparation of students who are deeply committed to Jesus Christ and are marked by biblical and theological knowledge and maturing spirituality along with the skills necessary for their future ministries.
 - Students are encouraged to grow spiritually in their personal relationship with God, to function responsibly within the Christian community, and to engage and witness to the world from a life of faith and integrity.
 - DTS is committed to helping leaders develop a biblical philosophy of servant-hearted leadership as defined by Jesus Christ and as modeled by Him and the other godly individuals depicted in the Scriptures. Such leadership results from the gracious working of God through a person's experience, training, spiritual gifting, natural talents, and the enablement of God's Spirit.
3. Dallas Theological Seminary is committed to its founding ideal that the central subject of study is the entire Bible.
 - DTS stands unequivocally committed to the Bible as God's inerrant, infallible, and authoritative written revelation. Members of the school's boards and faculty subscribe to the Seminary's doctrinal statement, which is uniquely complete and detailed, thus helping safeguard the school's unwavering theological stance since its founding.

- The Seminary's commitment to the Scriptures leads to a framework of doctrine in which the great fundamentals of the Christian faith are affirmed and expounded. The doctrines of evangelical orthodoxy are taught in the framework of premillennial, dispensational theology, derived from a consistent grammatical-historical interpretation of the Bible. These truths include such essentials as the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by faith alone in Christ alone, and the physical return of Christ.
 - The goal of all biblical and theological instruction is to glorify God through a transformed life that is manifested by a wholehearted love for God and a servant-hearted love for others.
4. In order to prepare godly servant-leaders who reflect the heart of God, DTS is committed to a worldwide vision of Christian ministry.
- DTS is committed to fulfilling the mandate of Jesus to make disciples of all nations. The Seminary community is enriched and has its vision for ministry expanded by the presence of students from a wide variety of countries and ethnic backgrounds.
 - DTS embraces a wide context of ministries. Training for vocational ministry is the primary purpose for which the Seminary was founded and now exists. A secondary purpose is to provide theological training for those who choose to remain in their professions but who desire to be trained for leadership and a more effective ministry in the church.
 - DTS is firmly committed to promoting the missionary endeavor throughout the world. This commitment is demonstrated in a variety of ways that provide both exposure and experience for students in the diverse nature of missions and the unique opportunities for vocational service in missions around the world.

HISTORY OF DTS

In the fall of 1924 the first student body of Dallas Theological Seminary met to study under the noted Bible teacher Dr. Lewis Sperry Chafer. This class of 13 students was the result of Dr. Chafer's burden and vision

to found a seminary that would emphasize expository preaching and teaching of the Scriptures.

In 1935 the Seminary pioneered the four-year Master of Theology (ThM) degree, which is a year longer than the three-year Master of Divinity (MDiv) degree offered at most other seminaries. The ThM gives all the essential theological courses offered in a three-year curriculum with additional emphasis in systematic theology, Hebrew and Old Testament exegesis, Greek and New Testament exegesis, and Bible exposition.

In 1974 the Seminary instituted the two-year Master of Arts (Biblical Studies) (MA[BS]) program for students whose ministries would not require the in-depth language training of the ThM program. The Doctor of Ministry (DMin) degree began in 1980 to provide further pastoral training for Seminary graduates to meet the changing demands of ministry. In 1982 the Seminary began the MA in Christian Education (MA/CE) degree program so that students could receive specialized training for Christian ministries. In 1987 the MA in Cross-cultural Ministries (MA/CM) program was inaugurated to give specialized training for intercultural ministry. In 1993 the Seminary launched a three-year MA in Biblical Counseling (MA/BC) degree program and a two-year MA in Biblical Exegesis and Linguistics (MA[BEL]) degree program. The latter program is offered jointly with the Graduate Institute of Applied Linguistics located in south Dallas. In 2005 the Seminary launched the MA in Media and Communication (MA/MC) degree program for those interested in employing the media arts in ministry (name changed to Master of Arts in Media Arts and Worship in 2013). In 2011 the Seminary began offering the Master of Arts in Christian Leadership (MA/CL) degree program.

Outstanding leadership and scholarly expertise have characterized the Seminary's presidents:

Dr. Lewis Sperry Chafer, 1924–1952
 Dr. John F. Walvoord, 1952–1986
 Dr. Donald K. Campbell, 1986–1994
 Dr. Charles R. Swindoll, 1994–2001
 Dr. Mark L. Bailey, 2001–present

Throughout the Seminary's history it has steadfastly maintained its allegiance to biblical truth. A doctrinal statement articulates the beliefs of DTS, and each year the faculty and board members reaffirm their agreement with this statement.

DALLAS DISTINCTIVES

The Seminary's commitment to excellence in preparing communicators of the Bible has set it in a place of distinction. What is it that makes DTS different from many other seminaries?

A CONSISTENT THEOLOGICAL APPROACH

DTS stands unequivocally committed to God's inerrant Scriptures. This commitment leads to a system of doctrine in which the great fundamentals of the Christian faith are affirmed and expounded. The doctrines of evangelical orthodoxy are taught in the framework of premillennial, dispensational theology, derived from a consistent grammatical-historical interpretation of the Bible.

A BIBLE-CENTERED CURRICULUM

The study of the entire Bible is a central characteristic of the Dallas curriculum. Every student in a master's-level program (except Master of Arts in Biblical Exegesis and Linguistics) studies the 66 books of the Bible in expositional and exegetical courses.

Two-and-a-half years of Greek and two years of Hebrew enable ThM students to develop exegetical skills basic to their own inductive examination of the written Word.

A DTS education, however, extends beyond the academic pursuit of biblical and theological disciplines to the art of communicating biblical truth effectively. Courses in ministry and communication seek to cultivate in students a sensitivity to spiritual needs, zeal for world missions, fervor in evangelism, and Spirit-filled enthusiasm for effectively communicating the Word of God.

A WORLD-CLASS FACULTY

Resident and adjunct faculty collectively hold more than 230 graduate degrees from universities and seminaries around the world. Ninety-two percent of the resident faculty have at least one doctorate. Altogether, resident and retired faculty have authored more than 450 publications.

Not only are DTS faculty known for their competence as biblical scholars, teachers, and communicators, but they are also Spirit-led people of God who have a personal interest in their students.

A DYNAMIC SPIRITUAL EMPHASIS

From its beginning the Seminary has admitted only students who give evidence of being born again. More than regeneration, however, a student must understand how the Word of God impacts his or her daily life. To be qualified properly for seminary instruction, a student must be walking in fellowship with God so that he or she can be taught by the Holy Spirit.

At Dallas, the cultivation of the spiritual life is inseparably fused with the scholarly study of biblical and related subjects. All of this is designed to prepare students to communicate the Word of God in the power of His Spirit.

DTS's commitment to "teaching truth and loving well" is reflected in a Seminary initiative called the Agape Project. The Agape Project encourages students to move outside the seminary walls and engage compassionately in the communities in which they work and live. Agape Projects are embedded within many of the Seminary's classes and allow students the opportunity to learn about truth and love by practicing them.

A STRONG COMMITMENT TO MISSIONS

DTS's commitment to missions is demonstrated through its programs and conferences, which expose students to the diverse nature of missions and the unique opportunities for vocational missionary service.

Students whose goal is career missions may enroll in the Cross-cultural Ministries emphasis of either the Master of Arts (MA) or the Master of Theology (ThM) degree programs. Those particularly interested in Bible translation should consider the Master of Arts in Biblical Exegesis and Linguistics (MA[BEL]) program, offered jointly with the Graduate Institute of Applied Linguistics (GIAL). ThM courses are also offered in urban ministries.

Students in most of the Seminary's master's-level degree programs are required to take at least one course in the Department of World Missions and Intercultural Studies. A number of elective courses are available to students who desire greater exposure to missions issues in North America or abroad.

The presence of many international students on campus creates a culturally rich environment that reflects the diversity of the global church and the scope of the Great Commission.

ALUMNI AND PLACEMENT

More than 15,000 alumni have studied at Dallas Theological Seminary. They currently serve in all 50 states and in more than 100 countries, teaching the Bible in more than 70 denominations and independent churches. DTS is committed to the success of its alumni and provides support, resources, and networking in the following ways.

PLACEMENT SERVICES

The Placement office offers a lifetime of support for DTS graduates and provides consultation to graduating students, alumni, and churches in the placement process. Its services include assistance with resume development, interviewing and candidating, and compensation guidelines. The Placement office also helps ministries search for candidates and maintains a list of ministry opportunities through the Placement website. For more information on placement, please go to the Alumni placement website at dts.edu/alumni.

WAYS TO STAY CONNECTED

In addition to providing placement services, DTS seeks to foster and maintain a network for Seminary alumni through other means such as the publication, *Connection*; monthly email updates, *eNews*; and a password protected online Alumni Directory. The alumni-only website fosters a networking community among alumni. The Seminary helps its constituents find churches, schools, and counselors that employ DTS graduates through its online locator.

CONTINUING EDUCATION

DTS is committed to continuing education for alumni in order to address the changing demands of ministry as well as current biblical and theological issues.

Through the alumni-only website, graduates are able to view online courses free of charge. They may also audit master's-level courses for a small fee or take courses for credit at a reduced rate. Courses taken for credit cannot be applied toward another degree at the Seminary unless the full tuition rate is paid; however, these courses may be transferable to other graduate institutions.

CBTS COMPLETION FOR NONGRADUATE ALUMNI

Qualified nongraduate alumni may apply to complete the Certificate of Biblical and Theological Studies at the Alumni Nondegree tuition rate. The program requires readmission to the Seminary and completion of all remaining CBTS requirements. Interested alumni will need to complete at least one course the semester before graduation, even if all other requirements have been previously met.

For more information, contact the Alumni or Admissions office.

THE HENDRICKS CENTER

Founded in 1986, The Hendricks Center focuses on the areas of Christian Leadership and Cultural Engagement. The Center serves as a training and resource center to develop leadership skills and awareness of cultural issues for DTS students, alumni, others involved Christian ministry, and business leaders. Programs include leadership and cultural engagement conferences, personal leadership development experiences, life-planning and character development experiences, podcasts on cultural issues, and cultural research.

Students wishing to earn a second master's degree may do so by adding additional hours to the earned degree. The total hours needed to earn two degrees are listed below. Consult the Advising Center for the specific courses that must be completed to earn the second degree.

- 2-year MA + 2-year MA = 90 hours
- 3-year MA + 2-year MA = 120 hours
- 3-year MA + 3-year MA = 135 hours
- ThM + 2-year MA = 150 hours
- ThM + 3-year MA = 165 hours

While all programs at DTS are coeducational, the Seminary holds the position that Scripture limits to men the roles of elder and senior pastor in the local church. Therefore the Seminary programs of study are not designed to prepare women for these roles.

MASTER OF THEOLOGY

PURPOSE

The **Master of Theology** degree program is designed to produce competent Bible expositors who are qualified to serve God effectively as pastors, missionaries, or leaders in other areas of vocational Christian ministry.

GOALS

EDUCATIONAL GOALS

To enable students to:

- verbalize a general knowledge of the Bible, including a synthetic understanding of the major books;
- evidence an understanding of the historical development of theology, a knowledge of premillennial theology, and an ability to support their theological views and apply them to contemporary issues;
- demonstrate the ability to exegete the Hebrew and Greek texts of the Bible; and
- evidence an understanding of the educational program of the local church and an awareness of the worldwide mission of the church.

SPIRITUAL GOALS

To enable students to evidence an increasing likeness to Christ as manifested in love for God, love for others, and the fruit of the Spirit.

MINISTRY GOALS

To enable students to:

- communicate the Bible effectively;
- demonstrate skills in various ministries; and
- lead a local church or other group by means of biblical exposition, leadership skills, evangelism, and service.

ADMISSION REQUIREMENTS

Admission requirements and application procedures for the ThM program are the same as for all programs of study at the Seminary. See the Admission section of this catalog.

TRANSFER OF CREDIT

Transfer of up to 60 semester hours is allowed toward the ThM degree from accredited graduate theological schools. See the Admission section of this catalog for information on eligibility for transfer of credit. Consult the Registrar's office for specific information on transfer of credit.

ACCELERATED THM

Students entering DTS with a strong background in Bible or theology from an approved Christian university, Bible college, or parachurch ministry may apply for the accelerated ThM program. In place of core courses in the ThM curriculum, accelerated ThM participants take six advanced standing courses

(AS101–106). This results in a curricular reduction of the ThM by up to 30 credit hours.

For more information about the accelerated ThM program see “Advanced Standing” and visit www.dts.edu/advancedstanding.

CURRICULUM

The prescribed Master of Theology curriculum involves not only extensive preparation in Hebrew, Greek, Bible, and systematic and historical theology, but also preparation in pastoral ministries, Christian education, missions, and ministry leadership. ThM students enroll in Spiritual Formation groups during their first four consecutive fall and spring semesters at either the Dallas campus or the Houston Campus.

Students are encouraged to take courses in the order in which they appear on the curriculum chart in this section. This is to the student’s advantage as courses are designed to build on previous coursework.

Out of the required 120 credit hours in the ThM curriculum, 96 credit hours are predetermined in the curriculum. With the remaining 24 credit hours beyond this core, students are given the flexibility to pursue areas of ministry emphasis and choose electives based on vocational intent and interests.

As part of the 96 core credit hours, all students participate in a 3-hour internship. During the internship, students will complete a professional portfolio. When students declare their ministry emphasis (no later than at the completion of 60 hours), they should start planning for their internship experience. Students with an emphasis in the Department of Media Arts and Worship should consult that department to clarify their apprenticeship requirements.

Consult the Educational Ministries and Leadership department section of this catalog for more information on internships.

ThM students are responsible for demonstrating competence in research by satisfactorily completing either (1) a ThM thesis in an academic department of their choosing, or (2) a 2-hour research seminar (RS102).

To provide greater opportunity for learning, students may also take up to five courses for credit beyond the 120 hours required for the degree for only a modest fee to cover the cost of materials. Consult the Registrar’s office for more information and limitations on this special program.

SPIRITUAL FORMATION

Because Dallas Theological Seminary values Christlike character and spiritual maturity, ThM students are required to register for and participate in Spiritual Formation groups each of their first four consecutive fall and spring semesters at either the Dallas campus or Houston Campus.

In the Spiritual Formation curriculum, small groups of five to seven students focus on identity, community, integrity, and fidelity. The groups also provide an atmosphere for prayer, fellowship, and the integration of learning with ministry. Students participate with the same group during four consecutive semesters; therefore, they should arrange their schedules so they meet on the same day and at the same time each semester. Spiritual Formation is a noncredit, transcribed experience. The prerequisite for all required internships is SF100 Spiritual Formation.

AGAPE PROJECT

The Agape Project is an initiative to put feet to the Seminary's commitment to the concept Teach Truth/Love Well. The Agape Project provides ThM students the opportunity to put into practice compassionate ministry in often-overlooked settings. ThM students are required to complete two Agape Projects prior to enrolling in their ThM Internship.

Agape Projects are embedded in courses throughout the ThM curriculum and enhance the learning outcomes of those courses. Some courses require Agape Projects, while others may provide Agape Projects as an optional assignment in lieu of a regular assignment in the class. Agape projects require students to engage in an approved ministry setting in the community. Many such opportunities already exist and more are being added to increase the variety of opportunities students have for Agape Projects. Students will be required to participate in the approved ministry for approximately 15 hours over the term of a 3-hour course. A final reflection project will also be written. Assessment for the Agape Project will take place at the beginning of the student's ThM program and again during the student's ThM Internship. For more information, contact the Associate Director of the Agape Project.

MINISTRY EMPHASES

Each student in the Master of Theology program selects a Ministry Emphasis from the following list. In addition to the 96-hour core curriculum (which includes a 3-hour internship that involves the production of a professional portfolio), students will customize the remaining 24 elective hours with respect to their ministry goals and areas of interest. Regardless of their Ministry Emphasis, students will take at least 9 of their 24 credit hours in the Ministries and Communication division. A faculty coordinator for each emphasis is available to meet with students. The requirements for each emphasis will vary based on student backgrounds and interests, but each department may require certain courses and hours for the emphases supervised by that department. Academic advising for all Ministry Emphases begins in the Student Advising Center in the Walvoord Student Center. Students may request an emphasis through CampusNet.

Total ThM Hours 120

1 Students have two calendar years (four consecutive fall/spring semesters) to complete the SF100 Spiritual Formation requirement. Students who register for SF100 need to keep in mind that the course is a four-semester-long course that will meet at the same day and time each of the four semesters. See the Educational Ministries and Leadership department section of this catalog for more information.

2 RS101 will be offered during the same class session as NT113 each semester. Therefore students should plan to register for RS101 and NT113 concurrently. The remainder of the 3-hour research component of the ThM degree program will consist of either RS102 (2 hours) or a thesis (2 hours). Those planning on writing a thesis should register for the thesis in the fall semester of the fourth year (or the year of graduation). Students writing a thesis are advised to begin the process of topic selection the year before the year of graduation.

3 Students should average 15 hours per semester in order to complete the ThM degree in four years without taking courses in Summer School or Wintersession. However, since ministry emphasis and elective courses at DTS vary between 2 and 3 semester hours, some semesters after the second year may have slightly more or fewer hours, depending on courses taken. For information on scheduling courses effectively, students should consult the Registrar's office.

4 Students have 24 hours of electives beyond the 96-hour core ThM curriculum from which they select a ministry emphasis as well as other elective courses based on vocational intent and interest. Regardless of emphasis, students must take at least 9 hours of the 24 elective hours in the Ministries and Communication division. In many cases, all or part of these 9 hours will have already been taken within the emphasis, but if not, the student must take them within the remainder of the 24-hour elective pool. Emphasis courses are chosen in consultation with an academic department.

Students in the ThM program may also take up to an additional (over and above the 120 hours required for the degree) five courses for credit for a modest fee to cover the cost of materials. Students may start taking the free classes any time during their program of study, but may take no more than one free class in any term.

5 ThM Students complete an internship in three consecutive semesters. Consult the Educational Ministries and Leadership department section of this catalog for more information. Students with an emphasis in the Department of Media Arts and Worship should consult that department to clarify their apprenticeship requirements.

NOTE: Semester loads can be reduced by taking courses in Summer School and/or Wintersession.

Additional Ministry Emphases may be approved subsequent to the publishing of this catalog. For a complete listing of current Ministry Emphases, go to <http://www.dts.edu/thm/#emphases>. See the departmental Course Descriptions sections later in this catalog for additional Ministry Emphasis information.

RESIDENCE REQUIREMENTS

Of the 120 semester hours of coursework required for graduation, a minimum of 48 must be taken in residence at the Dallas campus or at the Houston Campus. **All work leading to the degree must normally be completed within eight years from the time a student begins the program.** Extension beyond the eight years requires approval by the Credits Committee. Reinstatement to the

program after withdrawal requires Admissions Committee action and may subject the student to additional requirements for the degree.

ADMISSION TO CANDIDACY

Students may be admitted to candidacy by action of the faculty for the Master of Theology degree in the fall or spring semester prior to the semester/term of degree conferral or the semester prior to their participation in the Commencement ceremony after these requirements have been met: (1) a minimum grade point average of 2.0; (2) satisfactory progress toward meeting Servant Leadership Internship requirements, thereby evidencing ability and acceptability in Christian ministry; (3) evidence, to the satisfaction of the faculty, of proven Christian character and adherence to the following doctrines: the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by faith alone in Christ alone, and the physical return of Christ; (4) provision of a written statement of church involvement from the local church regularly attended while in Seminary; and (5) provision of a reference form completed by a pastor or spiritual overseer.

Admission to candidacy is valid for one year. Students who postpone degree conferral beyond one year from original admission to candidacy or who postpone participation in the Commencement ceremony until the following spring will be required to reapply for admission to candidacy.

GRADUATION REQUIREMENTS

Candidates for the Master of Theology degree must have completed 120 semester hours of coursework, including Servant Leadership Internship credits, with a grade point average of at least 2.0, and must evidence, to the satisfaction of the faculty, ability and acceptability in Christian ministry, proven Christian character, and adherence to the doctrines stated in the Admission to Candidacy section.

Diplomas (or certificates) will not be released, transcripts issued, or placement assistance provided unless all financial obligations to the Seminary and/or student loan program are current.

MASTER OF SACRED THEOLOGY

PURPOSE

The program leading to the **Master of Sacred Theology** degree is open to those who have graduated from a standard three-year seminary program and hold the degree of Master of Divinity or its equivalent. The STM is designed to provide opportunity for additional and advanced studies in the theological disciplines in preparation for Christian service and advanced theological study.

GOALS

EDUCATIONAL GOALS

To enable students to:

- verbalize a general knowledge of the Bible, including a synthetic understanding of the major books;
- evidence an understanding of the historical development of theology, a knowledge of premillennial theology, and an ability to support their theological views and apply them to contemporary issues;
- demonstrate ability to exegete the Hebrew and Greek texts of the Bible; and
- evidence a commitment to a biblically based philosophy of Christian education and a commitment to the worldwide mission of the church.

SPIRITUAL GOAL

To enable students to evidence an increasing likeness to Christ as manifested in love for God, love for others, and the fruit of the Spirit.

MINISTRY GOALS

To enable students to:

- communicate the Bible effectively;
- demonstrate skills in various ministries;
- lead a local church or other group by means of biblical exposition, leadership skills, evangelism, and service; and
- be prepared for advanced theological education.

ADMISSION REQUIREMENTS

Admission requirements and application procedures for the STM program are the same as for all programs of study at the Seminary (see the Admission section of this catalog), with three exceptions: (1) students who desire to pursue studies toward this degree must present at the time of application approved college and seminary degrees or their respective academic and theological equivalents; (2) transcripts of this work must show a grade point average of at least 2.5 on a scale of 4.0; and (3) applicants must provide a research paper, in English, previously written at the master's level that shows an acceptable level of competency in research and writing.

Each applicant's evaluation for admission to the STM program will include a review of the applicant's completed MDiv (or equivalent) coursework to ensure the appropriate breadth of preparation necessary to pursue the STM degree. Identified deficiencies must be completed in addition to the following program requirements. On acceptance, STM students will receive a preliminary degree plan outlining how many hours will be required for their program.

COURSE REQUIREMENTS

The STM degree normally requires 32 semester hours of coursework. The requirements listed below allow the STM program to be customized individually to prepare students for their intended ministry goals.

NT104* Introduction to New Testament Exegesis (3)	
Advanced courses in Bible Exposition, New and Old Testament, or Systematic and Historical Theology (7)	
Division of Ministries and Communication	7

All STM students must demonstrate exegetical proficiency in Greek and Hebrew. Students who do not have the appropriate Hebrew and Greek courses at the Master of Divinity level will also be required to take the prerequisite Hebrew and Greek courses as necessary (OT101, OT102, NT101–NT102, and NT103, respectively).

Students who have had Hebrew or Greek at the MDiv level will need to pass a Hebrew or Greek proficiency exam before enrolling in OT103 or NT103. Failure to pass the exams will require the student to enroll in first-year language courses, which will not credit toward the STM degree.

In addition, STM students are expected to demonstrate, to the satisfaction of the department, proficiency in expository preaching, as required in PM103 Expository Preaching I, in order to take PM104 Expository Preaching II or an advanced homiletics course. Students who do not have this level of proficiency will be required to take PM103. Prerequisite courses in Hebrew, Greek, or expository preaching, if required, will not count toward the 32-hour requirement for the STM degree. (See Admission Requirements on previous page.)

Two courses, ST104 Soteriology and ST106 Eschatology, must be taken if the student does not already have credit for them or their

equivalents from another school. These courses may be taken as part of the hours available in the Divisions of Biblical and Theological Studies.

TRANSFER OF CREDIT

Transfer of up to 6 credit hours is allowed toward the STM degree from accredited graduate theological schools. Only courses completed after the conferral of the MDiv degree, and in which a grade of C or better is earned, will be eligible for transfer. Transferability of credits earned at this institution and transferred to another is at the discretion of the receiving institution. Consult the Registrar's office for further information.

RESIDENCE REQUIREMENTS

Of the 32 semester hours of coursework required for graduation, 18 hours must be taken in residence at the main campus. In most cases it will be necessary for STM students to be enrolled in a minimum of three semesters of study, which can include Summer School.

All work leading to the STM degree must be completed within three years from the time of matriculation. Extension requires approval by the Credits Committee. Reinstatement in the program after withdrawal requires Admissions Committee action and may subject the student to additional requirements for the degree.

ADMISSION TO CANDIDACY

Students may be admitted to candidacy by action of the faculty for the STM degree in the fall or spring semester prior to the semester/term of degree conferral or the semester prior

to their participation in the Commencement ceremony after these requirements have been met: (1) grade point average of 2.5; (2) satisfactory progress toward meeting Servant Leadership Internship requirements, thereby evidencing ability and acceptability in Christian ministry; (3) evidence, to the satisfaction of the faculty, of proven Christian character and adherence to the following doctrines: the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by faith alone in Christ alone, and the physical return of Christ; (4) provision of a written statement of church involvement from the local church regularly attended while in Seminary; and (5) provision of a reference form completed by a pastor or spiritual overseer.

Admission to candidacy is valid for one year. Students who postpone degree conferral beyond one year from original admission to candidacy or who postpone participation in the Commencement ceremony until the following spring will be required to reapply for admission to candidacy.

GRADUATION REQUIREMENTS

Candidates for the STM degree must have completed the required 32 semester hours of coursework with a grade point average of at least 2.5, and must evidence, to the satisfaction of the faculty, ability and acceptability in Christian ministry, proven Christian character, and adherence to the doctrines stated in the Admission to Candidacy section.

Diplomas will not be released, transcripts issued, or placement assistance provided unless all financial obligations to the Seminary and/or student loan program are current.

PROFESSIONAL MASTER OF ARTS DEGREES

PURPOSE

Professional Master of Arts degrees in specialized ministries:

40	Biblical Counseling (MA/BC)
43	Christian Education (MA/CE)
47	Christian Leadership (MA/CL)
50	Cross-Cultural Ministries (MA/CM)
53	Media Arts & Worship (MA/MW)

Programs leading to the professional Master of Arts degrees are designed to give men and women a biblical and theological foundation for various kinds of Christian service other than pulpit ministry. Graduates normally are recommended only for the types of ministry positions for which their degrees are intended. These MA programs are not designed to prepare students for PhD study at the Seminary but may prepare students for DMin or DEdMin study.

COMMON GOALS FOR PROFESSIONAL MA PROGRAMS

In addition to the specific goals listed for each professional MA program in this section, professional MA students will be able to:

- Demonstrate a general knowledge of the Bible, including a synthetic understanding of the major books;
- Evidence an understanding of the historical development of theology, a knowledge of premillennial theology, and an ability to support their theological views and apply them to contemporary issues; and
- Evidence an increasing likeness to Christ as manifested in love for God, love for others, and the fruit of the Spirit.

ADMISSION REQUIREMENTS

Admission requirements and application procedures for professional MA degree programs are the same as for all programs of study at the Seminary. (See the Admission section of this catalog.) Students generally will not be admitted into a degree program without goals consistent with the ministries for which the program is designed to equip them.

Those applying to the MA in Biblical Counseling program also will need to complete a process of testing and interviews with faculty in the department. This process will determine whether the applicant has the dispositional and relational skills needed to enter into this kind of interpersonally intense program of study.

Those applying to the MA (Biblical Exegesis and Linguistics) program also must be accepted as students at the Graduate Institute of Applied Linguistics (GIAL).

TRANSFER OF CREDIT

Transfer of some credit is allowed toward the professional MA programs from accredited graduate theological schools. Up to 30 hours of credit may be transferred toward the MA in Christian Education, the MA in Christian Leadership, the MA in Cross-cultural Ministries, or the MA in Media Arts and Worship. Up to 45 hours may be transferred toward the MA in Biblical Counseling. (Of the 45 hours, students are limited to 12 hours of transfer in counseling courses.) MA/BC students pursuing licensure may have stricter transfer-credit guidelines as required by the state licensing agency.

No more than 30 hours of coursework from institutions outside of DTS and the GIAL will be transferred toward the MA (Biblical Exegesis and Linguistics). Some provision will be made for students to transfer work from the Jerusalem University College to the MA (Biblical Exegesis and Linguistics) program. Entering students with missions experience in Bible translation may be eligible for advanced standing.

Students must have earned a grade of C or better for a course to be considered in transfer. Transferability of credits earned at this institution and transferred to another is at the discretion of the receiving institution. Consult the Registrar's office for information on eligibility for transfer credit.

ACCELERATED MA PROGRAMS

Students entering DTS with a strong background in Bible or theology from an approved Christian university, Bible college, or parachurch ministry may apply for an accelerated MA program (except for the MA[BEL]). In place of core courses of a Master of Arts curriculum, accelerated MA participants take four advanced standing courses (AS103–106). This results in a curricular reduction of an MA program by up to 16 credit hours.

For more information about an accelerated MA program see “Advanced Standing” and visit www.dts.edu/advancedstanding.

RESIDENCE REQUIREMENTS

Of the 90 semester hours required for the MA in Biblical Counseling, a minimum of 30 hours must be taken in resident study at the Dallas campus. Of the 65 semester hours required for the MA in Christian Education, a minimum of 22 hours must be taken in resident study at the Dallas campus or the Houston Campus. Of the 62 semester hours required for the MA in Christian Leadership, a minimum of 21 hours must be taken in resident study at a DTS location approved for the degree. Of the 64 semester hours required for the MA in Cross-cultural Ministries, a minimum of 22 hours must be taken in resident study at the Dallas campus. Of the 67 semester hours required for the MA in Media Arts and Worship, 23 must be taken in resident study through the Dallas campus.

All work leading to any of the MA degrees must be completed within seven years from the time of matriculation. Extension of this

limit requires approval of the Credits Committee. Reinstatement to these programs after withdrawal requires Admissions Committee action and may subject the student to additional requirements for the degree.

ADMISSION TO CANDIDACY

Students may be admitted to candidacy by action of the faculty for the MA in Christian Education degree, the MA in Christian Leadership degree, the MA in Cross-cultural Ministries degree, or the MA in Media Arts and Worship degree in the fall or spring semester prior to the semester/term of degree conferral, or the semester prior to their participation in the Commencement ceremony. They must have a minimum grade point average of 2.0.

Students may be admitted to candidacy by action of the faculty for the MA in Biblical Counseling degree. They must have a minimum grade point average of 2.0 and show reasonable promise for effective ministry in people's lives.

In addition, students must evidence, to the satisfaction of the faculty, proven Christian character and adherence to the following doctrines: the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by faith alone in Christ alone, and the physical return of Christ. Students in all MA programs also must provide a written statement of church involvement from the local church regularly attended while in Seminary and a reference form completed by a pastor or spiritual overseer. Those students who are required

to complete an internship must demonstrate satisfactory progress toward the completion of all internship requirements prior to admission to candidacy, thereby evidencing ability and acceptability in Christian ministry.

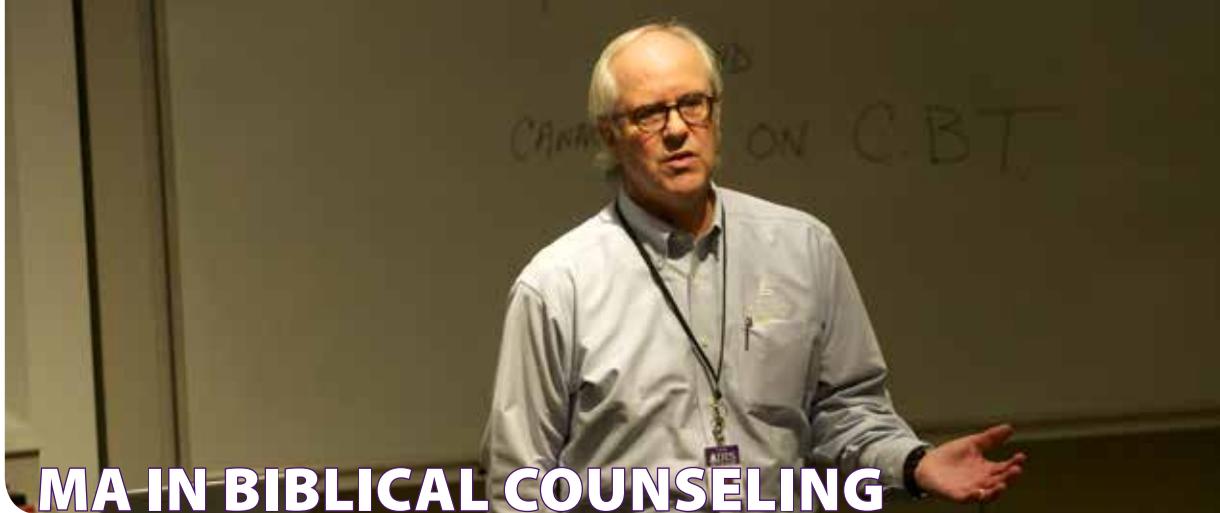

Admission to candidacy is valid for one year. Students who postpone degree conferral beyond one year from original admission to candidacy or who postpone participation in the Commencement ceremony until the following spring will be required to reapply for admission to candidacy.

GRADUATION REQUIREMENTS

Candidates for the MA in Biblical Counseling degree must have completed 90 hours of coursework. Candidates for the MA in Christian Education degree must have completed 65 hours of coursework. Candidates for the MA in Christian Leadership must have completed 62 hours of coursework. Candidates for the MA in Cross-cultural Ministries degree must have completed 64 hours of coursework. Candidates for the MA in Media Arts and Worship must have completed 67 hours of coursework. Candidates must have a minimum grade point average of 2.0, and must evidence, to the satisfaction of the faculty, proven Christian character and adherence to the doctrines stated in the Admission to Candidacy section.

Diplomas (or certificates) will not be released, transcripts issued, or placement assistance provided unless all financial obligations to the Seminary and/or student loan program are current.

MA IN BIBLICAL COUNSELING

PURPOSE

The program leading to the professional **Master of Arts in Biblical Counseling** degree provides a graduate-level, biblically and theologically focused education for men and women who desire to enter into Christian counseling practice. The training prepares men and women to engage in church, institutional, or private counseling practices. Meeting the program requirements enables a student to apply to the Texas State Board of Examiners of Professional Counselors for licensure and complete the state's post-graduate licensure requirements, including additional internship hours and a state-licensing examination.

GOALS

In addition to the goals common to all professional degree programs at the Seminary (see the Professional Master of Arts [MA] section of this catalog), students in this program will be able to:

- understand and explain the issues and problems that people face in life from a thoroughly biblical point of view;
- understand and evaluate secular and Christian psychological theories and practices from a sound biblical and theological point of view in order to develop professional competence within a thoroughly biblical framework focused on ministry;
- develop deep levels of biblical and spiritual integrity in their own personal life, relationships, and ministry;
- possess the personal and spiritual maturity, discernment, and wisdom needed to help people resolve spiritual, relational, and behavioral issues and problems; and
- engage in effective biblically based counseling in the context of a local church, private practice, or mental health institution.

ADMISSION REQUIREMENTS

Those applying to the MA in Biblical Counseling program will need to demonstrate appropriate academic and practical preparation broadly related to the field of counseling. Admitted students are designated as MA/BC in either the first or second stage. In Stage 1 students move toward official designation as MA/BC, and in Stage 2 they complete a process of interviews and examination with faculty members of the Biblical Counseling department during their second year.

COURSE REQUIREMENTS

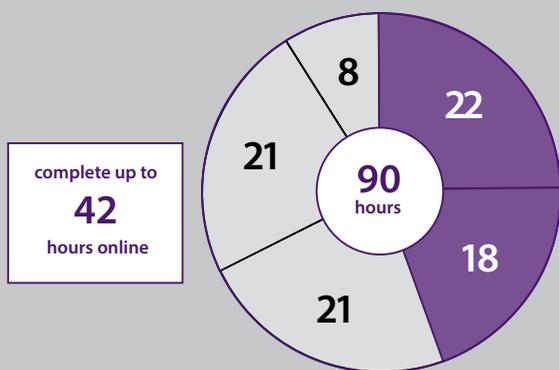

The MA program in Biblical Counseling is three years in length, with 90 semester hours of coursework required as a minimum for graduation. Of those hours, 22 are in prescribed Bible Exposition courses, 18 in prescribed Systematic Theology courses, and 2 in Spiritual Life. In addition, there are 42 hours in prescribed counseling courses and 6 hours in counseling electives. Meeting these course requirements will enable students to apply to the Texas State Board of Examiners of Professional Counselors for licensure in the state of Texas. Students who wish to pursue licensure in states other than Texas should consult the department. No thesis is required.

Students move from Stage 1 to Stage 2 of the MA/BC program on the satisfactory completion of a minimum of 24 hours of coursework, including BC305 Counseling Practicum I. This normally occurs after the student's third semester in the program. This process involves a Personal, Academic, and Professional Progress Interview with the department faculty and will help determine whether the student has the dispositional and relational skills to progress in this kind of interpersonally intense program of study. Students must successfully move to Stage 2 to continue in the program.

Students may take certain specialized counseling courses, other than those that are prescribed and/or offered in the MA in Biblical Counseling curriculum, at other accredited schools to fulfill any needed academic requirements for state licensure as a professional counselor.

MA IN CHRISTIAN EDUCATION

PURPOSE

The program leading to the **Master of Arts in Christian Education** degree is designed to provide a graduate-level biblical and theological education for men and women who anticipate vocational ministry as Christian education specialists. This program helps prepare its graduates to assume positions as ministers of Christian education, children's workers, ministers of youth, parachurch youth leaders, ministers of adults, directors of family-life education, administrators or teachers in Christian higher education, Christian school teachers and administrators, or women's ministry leaders.

GOALS

In addition to the goals common to all professional degree programs at the Seminary (see the Professional Master of Arts [MA] section of this catalog), students in this program will be able to:

- develop a biblical philosophy of Christian education;
- demonstrate knowledge and needs of at least one ministry population, state biblical goals for that ministry, and apply appropriate educational principles to that ministry;
- organize, administer and evaluate an educational program based on stated goals and objectives, working successfully with people from a variety of ministry situations; and
- communicate effectively in a Christian education ministry setting.

COURSE REQUIREMENTS

Sixty-five semester hours of coursework are required as a minimum for graduation. Of those hours, 22 are in prescribed Bible Exposition courses, 18 are in prescribed Systematic Theology courses, 2 are in Spiritual Life, 11 are in prescribed Educational Ministries and Leadership courses, 12 are elective Educational Ministries and Leadership hours, and 2 hours are in an internship (SL165 Educational Ministries and Leadership Internship). No thesis is required.

All students in the MA in Christian Education degree program are required to take CE101 Educational Process of the Church, CE102 History and Philosophy of Christian Education, CE103 Teaching Process, CE104 Media Presentations, and SL165 Educational Ministries and Leadership Internship. In addition, each student must select 12 hours in one of the following 10 ministry concentrations. Concentration courses will be selected in consultation with the student's advisor.

ADULT MINISTRY

Students completing this ministry concentration should be able to lead an adult ministry in various ministry contexts.

CHILDREN'S MINISTRY

Students completing this ministry concentration should be able to organize and supervise a local church or parachurch ministry to children, including the recruitment and retention of adult staff.

COLLEGE TEACHING

Students completing this ministry concentration should have a foundation for success as a teacher in a Christian institution of higher learning. However, most colleges, universities, and seminaries require an earned doctorate in the teaching discipline. Most seminaries and graduate schools of theology also require an MDiv degree or, in some cases, the ThM/STM degree for admission to doctoral programs.

EDUCATIONAL ADMINISTRATION

Students completing this ministry concentration should be able to serve effectively in a leadership role in an educational institution at the elementary, secondary, or higher level.

EDUCATIONAL LEADERSHIP

Students completing this ministry concentration should be able to design, direct, supervise, and evaluate the overall educational process of a local church or other ministry.

FAMILY LIFE MINISTRY

Students completing this ministry concentration should be able to develop and direct a church program of family life education, including family classes, counseling, and discipling relationships.

MINISTRY WITH WOMEN

Students completing this ministry concentration should understand women as an audience and learners, and be equipped to teach, lead, mentor, shepherd, and care for women in various ministry contexts.

PARACHURCH MINISTRY

Students completing this ministry concentration should be able to organize and supervise various parachurch ministries either in the United States

or internationally. Courses in this concentration may be selected from any department in the Ministries and Communication division.

YOUTH MINISTRY

Students completing this ministry concentration should be able to organize and supervise an effective church program of youth ministry at the junior-high and high-school levels.

Those on staff with Cru or Young Life may transfer a maximum of 12 hours toward a Parachurch Ministry concentration. Consult the Registrar's office for further information.

EDUCATIONAL LEADERSHIP—HOUSTON CAMPUS

The Educational Leadership concentration is the only CE concentration available in Houston. Other concentrations will be supported as resources and enrollment allow. Students in the Houston Educational Leadership concentration may take CE105 Teaching Process and Media Presentations in place of CE103 Teaching Process and CE104 Media Presentations. In addition to the core Christian Education courses in the MA/CE program, the Houston concentration also includes CE401 Age-level Ministries, which is only offered at the Seminary's extension sites. Other electives in the Houston concentration will be selected through consultation with the student's advisor.

SPIRITUAL FORMATION

Because DTS values Christlike character and spiritual maturity, MA/CE students are required to register for and participate in Spiritual Formation groups each of their first four consecutive fall and spring semesters at either the Dallas campus or Houston Campus. (MA/CE students

who are not planning to be in residence in Dallas or Houston for four consecutive fall and spring semesters must contact the Department of Educational Ministries and Leadership concerning how to meet their Spiritual Formation requirement.)

In the Spiritual Formation curriculum, small groups of five to seven students focus on identity, community, integrity, and fidelity. The groups also provide an atmosphere for prayer, fellowship, and the integration of learning with life and ministry.

Because students participate with the same group during four consecutive semesters, they should plan their schedules so they may meet on the same day and at the same time each semester. Spiritual Formation is a noncredit, transcribed experience. The prerequisite for all required internships is SF100 Spiritual Formation.

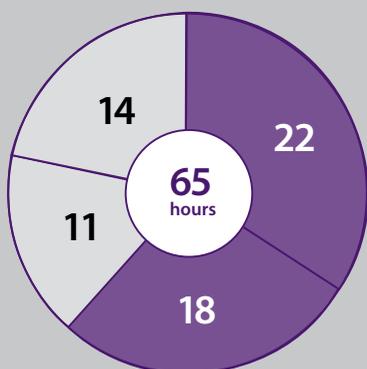

Additional Spiritual Formation courses focusing on leadership may be taken as electives.

THE MA/CE AND THE DEDMIN

Those wishing to complete the Doctor of Educational Ministry program may need to take some courses in addition to completing the MA in Christian Education. Individual evaluations of master's-level work required for admission to the DEdMin program in Christian Education may be obtained from the DEdMin office. Requirements will vary depending on the courses that were included in the MA/CE program. For more information see the DEdMin section of this catalog.

MA IN CHRISTIAN LEADERSHIP

PURPOSE

The program leading to the **Master of Arts in Christian Leadership** degree is designed to provide graduate-level biblical and theological education to prepare students for organizational leadership roles in a wide variety of ministry settings. The training prepares students to assume leadership positions in church, parachurch, missions, and marketplace contexts.

GOALS

In addition to the goals common to all professional degree programs at the Seminary (see the Professional Master of Arts [MA] section of this catalog), students in this program will be able to:

- develop a biblical philosophy of Christian leadership;
- appraise the leadership needs of an organization;
- design a leadership development plan for an organization; and
- demonstrate transformational leadership skills within an organization.

COURSE REQUIREMENTS

Sixty-two semester hours of coursework are required as a minimum for graduation. Of those hours, 22 are in prescribed Bible Exposition courses, 18 hours are in prescribed Systematic Theology courses, 2 are in Spiritual Life, 11 are electives in leadership related courses from the Division of Ministries and Communication, 1 is in Orientation and Research Methods, and 3 hours are in an internship. A 2-hour Applied Research Project is also required.

SPIRITUAL FORMATION

Because DTS values Christlike character and spiritual maturity, MA/CL students are required to register for and participate in Spiritual Formation groups each of their first four consecutive fall and spring semesters at either the Dallas campus or Houston Campus. (MA/CL students who are not planning to be in residence in Dallas or Houston for four consecutive fall and spring semesters must contact the Department and apply for an alternative program for completing their Spiritual Formation requirement.

In the Spiritual Formation curriculum, small groups of five to seven students focus on identity, community, integrity, and fidelity. The groups also provide an atmosphere for prayer, fellowship, and the integration of learning with life and ministry.

Because students participate with the same group during four consecutive semesters, they should plan their schedules so they may meet on the same day and at the same time each semester. Spiritual Formation is a noncredit, transcribed experience. The prerequisite for all required internships is SF100 Spiritual Formation.

Additional Spiritual Formation courses focusing on leadership may be taken as electives.

MINISTRY RESIDENCY OPTION

MA/CL offers the opportunity to complete a ministry residency (an internship local to the student). See www.dts.edu/ministryresidency for detailed explanation. Thus, after 41 hours online and a 11-hour ministry residency, only 9 hours need to be completed in a class room to earn the MA/CL. These 9 hours can be completed through week-long intensives in Dallas or Houston, or through regular courses at any of our distance locations.

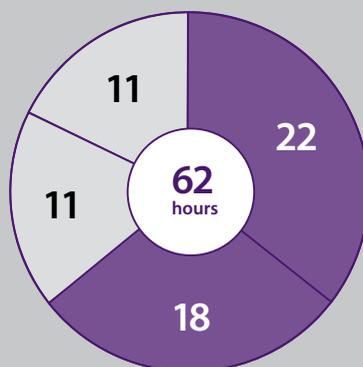

MOBILE MA/CL

The Mobile MA/CL is designed to allow students to stay in their current ministry while completing the requirements for the degree. The Mobile MA/CL is a cohort delivery model that allows students in a particular locale to go through the program together. DTS partners with local church and parachurch ministries to offer the degree. Locations are approved by the Seminary as need is presented and when a sufficient number of students to comprise a cohort enroll in the program. DTS currently operates the MA/CL mobile cohort model at five locations: Fargo, ND; Pittsburgh, PA; Nashville, TN; Colorado Springs, CO; and Auckland, New Zealand; though additional cohorts at these locations are not guaranteed. The Seminary continues to consider new locations at which to offer the Mobile MA/CL.

The model includes 3 face-to-face courses at the mobile location, 6 courses (21 hours) in residence at the main campus, and the remaining hours in online courses. In order to minimize time away from work and ministry, the residency courses in Dallas are special week-long courses at four different times during the degree program. During these weeks students complete online work before coming to Dallas, fulfill the residency requirements for courses in one week at Dallas, and complete online work after returning home. In the end, students spend a total of four weeks in Dallas over the course of the program.

For additional information on the mobile model and on current locations and new locations for the Mobile MA/CL, go to www.dts.edu/mobile.

PURPOSE

The program leading to the **MA in Cross-cultural Ministries** degree is designed to provide graduate-level training for people whose ministries include serving in other cultures. Prospective and veteran missionaries from North America and around the world will benefit from this program. It meets the essential academic requirements of most missions agencies and is ideal for those whose anticipated ministries will not include regular preaching.

GOALS

In addition to the goals common to all professional degree programs at the Seminary (see the Professional Master of Arts [MA] section of this catalog), students in this program will be able to:

- verbalize principles of effective intercultural ministry;
- demonstrate familiarity with essential principles of anthropology, ethnology, sociology, and psychology in relation to missions;
- evidence a deep commitment to world evangelism;
- communicate the Bible effectively in an intercultural context;
- produce an accurate profile of the chosen country or area of the world; and
- design an effective strategy for an intercultural ministry.

COURSE REQUIREMENTS

Sixty-four semester hours of coursework are required as a minimum for graduation. Of those hours, 22 are in prescribed Bible Exposition courses, 18 in prescribed Systematic Theology courses, and 4 in Spiritual Life and Evangelism. There are 12 hours of prescribed World Missions and Intercultural Studies courses and a 2-hour Intercultural Ministries Internship. The remaining 6 hours are missions electives. Department professors will assist students in designing the most appropriate program of missions electives for each student’s personal career goals.

Missions electives should be selected as follows:

1 Contexts course	2
1 Strategic Approaches course	2 or 3*
1 Biblical and Theological Studies course	2 or 3*

**If WM405 Christian Education in Intercultural Contexts, WM410 Theological Education in Intercultural Contexts, or WM505 Christianity and Non-Christian Religions is elected, students not needing the 3rd hour of those courses for normal program requirements may reduce expenses by taking WM405, WM410, or WM505 for 2 hours of credit and 1 hour of audit. Contact the Registrar’s office for details.*

Students are required to do a cross-cultural internship as part of their missions electives before completing the program. The acceptability of this experience is determined by the Department of Educational Ministries and Leadership. Those interested in the TESOL certificate must take TESOL courses in addition to missions electives. This will require an additional 10 or 11 hours of coursework.

No thesis is required for the MA/CM degree.

MA IN MEDIA ARTS & WORSHIP

PURPOSE

The **Master of Arts in Media Arts and Worship** degree program provides graduate-level training for those who desire to integrate a sound biblical and theological education with training and experience in media arts. The program, which assumes the student has some training or experience in the arts, enhances the ministries of worship leaders, writers, and other media practitioners.

GOALS

In addition to the goals common to all professional degree programs at the Seminary (see the Professional Master of Arts [MA] section of this catalog), students in this program will be able to:

- communicate biblical and theological knowledge to a contemporary audience;
- articulate an understanding of the role of art in Christian thought and communication;
- demonstrate specialization in writing, presentation, and/or worship arts;
- demonstrate the integration of media arts into effective Christian communication; and
- construct and present a media presentation using effective production principles.

ADMISSION REQUIREMENTS

Students applying to the MA/MW degree program or the ThM in the department of Media Arts and Worship, in addition to the regular requirements for admission to the school, will be required to include the Department of Media Arts and Worship Admissions Inventory. Admission to the degree program is contingent upon departmental approval. Students interested in a ThM Ministry Emphasis in Media Arts and Worship also need to take the Media Arts and Worship Admissions Inventory.

COURSE REQUIREMENTS

Sixty-seven semester hours of coursework are required as a minimum for graduation. Twenty-two of the 67 hours are prescribed Bible Exposition courses, 18 are prescribed Systematic Theology courses, 2 are in Historical Theology, 2 are in Spiritual Life, 6 are in prescribed Media Arts courses, and 2 are in Media Arts and Worship apprenticeship in which the student will develop a professional portfolio, in a field experience context. The remaining 15 hours must be taken in media arts and worship electives.

No thesis is required for the MA/MW degree.

GENERAL MASTER OF ARTS DEGREES

PURPOSE

General Master of Arts degrees:

- | | |
|----|---|
| 58 | Biblical Exegesis & Linguistics (MA[BEL]) |
| 62 | Biblical Studies (MA[BS]) |
| 65 | Christian Studies (MA[CS]) |

Programs leading to the general Master of Arts degrees provide understanding in biblical and theological disciplines. These programs are designed for general knowledge in biblical and theological studies or for background and foundation in specific disciplines. They are not designed to provide ministry-specific training or ministry formation as do the professional MA degrees. However, they do provide a solid biblical and theological foundation with a more academic focus for those whose ministry goals do not include a specific ministry focus.

ADMISSION REQUIREMENTS

Admission requirements and application procedures for general MA degree programs are the same as for all programs of study at the Seminary. (See the Admission section of this catalog.) Students generally will not be admitted into a degree program without goals consistent with the purposes for which the program is designed to equip them.

Those applying to the MA (Biblical Exegesis and Linguistics) program also must be accepted as students at the Graduate Institute of Applied Linguistics (GIAL).

TRANSFER OF CREDIT

Transfer of some credit is allowed toward the general MA programs from accredited graduate theological schools. Up to 30 hours of credit may be transferred toward the general MA degrees.

For the MA (Biblical Exegesis and Linguistics), no more than 30 hours of coursework from institutions outside of DTS and the GIAL will be transferred toward the degree. Some provision will be made for students to transfer work from the Jerusalem University College to the MA (Biblical Exegesis and Linguistics) program. Entering students with missions experience in Bible translation may be eligible for advanced standing.

Students must have earned a grade of C or better for a course to be considered in transfer. Transferability of credits earned at this institution and transferred to another is at the discretion of the receiving institution. Consult the Registrar's office for information on eligibility for transfer credit.

ACCELERATED MA PROGRAMS

Students entering DTS with a strong background in Bible or theology from an approved Christian university, Bible college, or parachurch ministry may apply for an accelerated MA program (except for the MA[BEL]). In place of core courses of a Master of Arts curriculum, accelerated MA participants take four advanced standing courses (AS103–106). This results in a curricular reduction of an MA program by up to 16 credit hours.

For more information about an accelerated MA program see “Advanced Standing” and visit www.dts.edu/advancedstanding.

RESIDENCE REQUIREMENTS

General MA degrees allow for completion of many of the DTS courses online. Consult the “residence requirements” for each of the general MA degrees in this section for more information on residence requirements for each general MA degree.

All work leading to any of the general MA degrees must be completed within seven years from the time of matriculation.

Extension of this limit requires approval of the Credits Committee. Reinstatement to these programs after withdrawal requires Admissions Committee action and may subject the student to additional requirements for the degree.

ADMISSION TO CANDIDACY

Students may be admitted to candidacy by action of the faculty for the MA (Biblical Exegesis and Linguistics) degree, the MA (Biblical Studies) degree, or the MA (Christian Studies) degree in the fall or spring semester prior to the semester/term of degree conferral, or the semester prior to their participation in the Commencement ceremony. They must have a minimum grade point average of 2.0.

In addition, students must evidence, to the satisfaction of the faculty, proven Christian character and adherence to the following doctrines: the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by faith alone in Christ alone, and

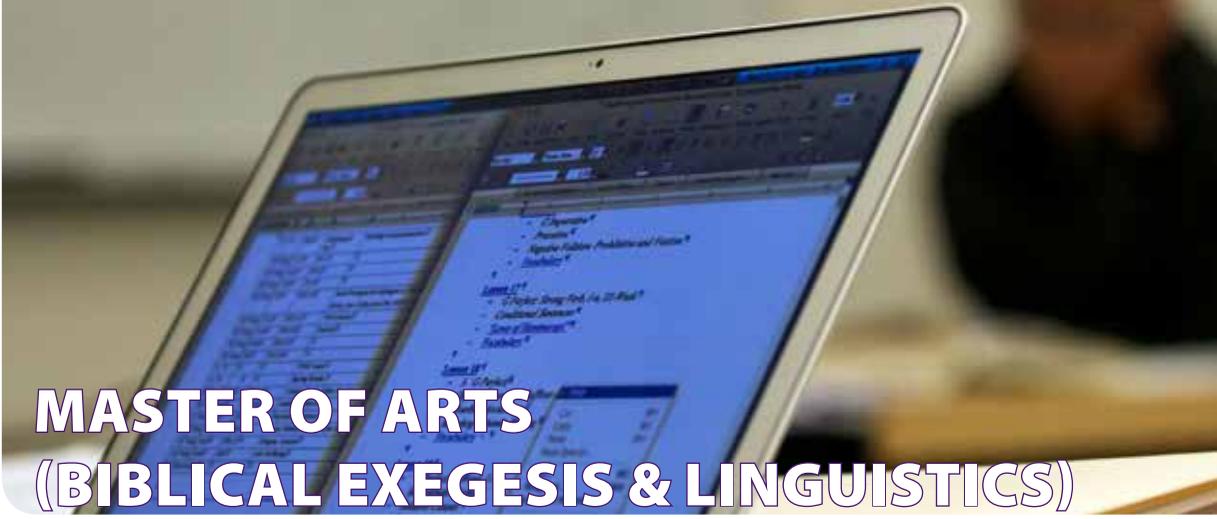

the physical return of Christ. Students in all MA programs also must provide a written statement of church involvement from the local church regularly attended while in Seminary and a reference form completed by a pastor or spiritual overseer. Those students who are required to complete an internship must demonstrate satisfactory progress toward the completion of all internship requirements prior to admission to candidacy, thereby evidencing ability and acceptability in Christian ministry.

Admission to candidacy is valid for one year. Students who postpone degree conferral beyond one year from original admission to candidacy or who postpone participation in the Commencement ceremony until the following spring will be required to reapply for admission to candidacy.

GRADUATION REQUIREMENTS

Candidates for the general MA degrees (Biblical Exegesis and Linguistics, Biblical Studies, or Christian Studies) must have completed 62 hours of coursework. Candidates must have a minimum grade point average of 2.0, and must evidence, to the satisfaction of the faculty, proven Christian character and adherence to the doctrines stated in the Admission to Candidacy section.

Diplomas will not be released, transcripts issued, or placement assistance provided unless all financial obligations to the Seminary and/or student loan program are current.

MASTER OF ARTS (BIBLICAL EXEGESIS & LINGUISTICS)

PURPOSE

The program leading to the **Master of Arts (Biblical Exegesis and Linguistics)** degree is designed to provide graduate-level training for men and women who desire instruction in the tools for effective Bible translation. It is designed for those who desire to pursue advanced study in linguistics and for those who desire to serve in Bible translation ministries, including missionary recruits from America and other nations, furloughing and in-service missionaries, and translation support personnel. It is offered jointly with the Graduate Institute of Applied Linguistics (GIAL), which prepares people with the linguistics skills necessary for good Bible translation. It also prepares people for service with Wycliffe Bible Translators and other organizations. (The program only fulfills the minimum requirements for the first term of service with Wycliffe Bible Translators.)

The World Missions and Intercultural Studies department is responsible for administering the program on the DTS campus.

GOALS

In addition to the goals common to all professional degree programs at the Seminary (see the Professional Master of Arts [MA] section of this catalog), students in this program will be able to:

- exegete the Hebrew and Greek texts of the Bible;
- form a basic theological foundation as a grid for Bible translation;
- apply basic principles of hermeneutics in Bible study and Bible translation;
- understand the theory and principles of language translation;
- employ computational tools to construct a phonological analysis, descriptive grammar partial lexicography, and interlinear text of a minority language; and
- design an effective strategy for cross-cultural ministry.

ADMISSION REQUIREMENTS

The application process for the MA(BEL) is a dual process. Applicants for the program must apply to both DTS and the Graduate Institute of Applied Linguistics (GIAL), and the admission requirements of both institutions must be met. In most cases students admitted to DTS will meet the admission requirements at GIAL. **However, prospective MA(BEL) students should be aware that the requirements for linguistic courses at GIAL vary and will include a minimum of 15 prerequisite credit hours.**

Until they apply to DTS for admission to the program, students will not be officially enrolled in the MA(BEL) program. Students are advised to contact both institutions as soon as possible regarding their intentions to enroll in the MA(BEL) program so that adequate advice and direction can be provided.

TRANSFER OF CREDIT

In addition to the normal transfer credit policies of the Seminary for general MA degrees (see Transfer of Credit in the General Master of Arts Degrees section of this catalog), no more than 30 hours of coursework from institutions outside of DTS and the GIAL will be transferred toward the MA (Biblical Exegesis and Linguistics) degree. Some provision will be made for students to transfer work from the Jerusalem University College to the MA(BEL) program. Entering students with missions experience in Bible translation may be eligible for advanced standing.

RESIDENCE REQUIREMENTS

Currently up to 33 hours of the DTS course requirements can be completed online or by independent study. Of the 62 hours required for the MA(BEL) degree, a minimum of 21 hours must be taken through DTS and a minimum of 18 hours must be taken through GIAL.

COURSE REQUIREMENTS

Sixty-two semester hours of coursework are required as a minimum for graduation. Of those hours, 18 are prescribed in linguistics field preparation, 12 in Greek grammar and exegesis, 12 in Hebrew grammar and exegesis, 3 in biblical manners and customs, 3 in world missions, 9 in Bible exposition, and 5 in systematic and historical theology, as well as successful completion of either the two-semester SF245 or the four-semester SF100 requirement. The World Missions and Intercultural Studies department advises students in this program. Career guidance is also available from the GIAL staff.

Substitutions may be made for required courses with appropriate departmental approval. Students who have linguistics background or training should consult the GIAL registrar for course advice.

Linguistics and related translation courses are offered on the campus of GIAL in Dallas. Biblical and theological coursework, as well as coursework in biblical languages, is offered at DTS. A Spiritual Formation group supervised by the Department of World Missions and Intercultural Studies is designed to meet the needs of this group of students.

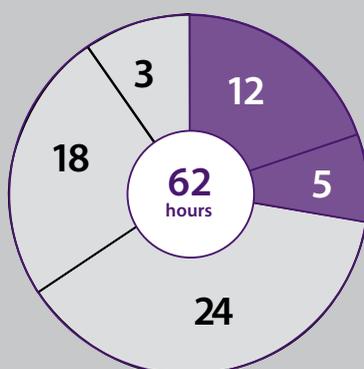

Completion of course requirements for the MA(BEL) requires careful planning on the part of students as they seek to coordinate coursework at two institutions. Therefore students are strongly encouraged to plan their studies so that they take courses at only one institution at a time.

Students will split their time between DTS and GIAL. Due to the difference in academic calendars of DTS and GIAL, it is extremely difficult for students to take courses at both institutions concurrently. GIAL has designed its courses to be taught in six-month bimesters, from either January through June or July through December. Each bimester is divided into four sessions. DTS follows a regular early-semester calendar. This results in the overlap of DTS courses with GIAL courses in a given term. **As such, students are strongly encouraged to adhere to the curriculum chart that follows.**

Every attempt is made to facilitate the completion of the program in no more than three calendar years for full-time students. Students may shorten this time by taking advantage of winter and summer offerings at DTS. **However, students should be aware that the linguistics courses from GIAL require prerequisites that may extend the length of the program. Also students who choose to pursue the MA in Applied Linguistics from GIAL in addition to the MA(BEL) may need additional time to complete the program.**

Before students begin their studies in the MA(BEL), they should consult the DTS Advising Center to develop a degree plan for completing requirements. This plan will include input from GIAL on the completion of linguistics requirements.

Students should consult both the DTS and GIAL Registrars' offices for information on scheduling options. The Admissions office at DTS also will be able to assist students.

ACADEMIC PROCEDURES

A dual registration process is followed for all GIAL courses taken for the degree. Students must register through GIAL before taking linguistics courses at that campus. DTS is then notified by GIAL and enters the courses in the DTS registration system. This allows the tracking of student status for such purposes as loan deferments, international visa requirements, etc. There is no charge for the DTS portion of the registration process for GIAL courses.

At the end of each term GIAL sends official grade sheets to the Registrar's office at Dallas Seminary for transcribing of their courses. Grades earned for GIAL courses are factored into the cumulative grade point average at DTS.

DUAL DEGREE OPTION

Students who complete the 62-hours required for the DTS MA(BEL) degree may complete an additional 4 hours from GIAL to earn the 37-hour MA in Applied Linguistics at GIAL. In addition to the 18 hours taken at GIAL as part of the MA(BEL) program, students may transfer 15 hours from the MA(BEL) program to GIAL and take an additional 4 hours at GIAL, plus comprehensive exams, to meet the 37-hour requirement for an MA in Applied Linguists. This essentially allows students to earn both degrees for a minimum of 66 hours plus comprehensive exams. Consult your GIAL advisor for details.

GIAL COURSE DESCRIPTIONS

The following courses are offered through the Graduate Institute of Applied Linguistics. Prerequisite courses are not listed, but may be found in the GIAL catalog available from the Admissions office at GIAL by calling 800-892-3356 or 972-708-7340, emailing admissions@gial.edu, or going online at www.gial.edu.

AL5207 Field Data Management

After completing this course, students will be able to use computational tools for managing and presenting phonological, textual and lexical data collected in linguistic field research. *Prerequisite:* AL4302 Principles of Articulatory and Acoustic Phonetics, AL4303 Principles of Phonological Analysis, AL4410b Principles of Grammatical Analysis, LD4505 Second Language and Culture Acquisition. *Corequisite:* AL5406 Field Methods and Linguistic Analysis. *2 hours.*

They will be able to describe typical features of different types of prominence and cohesion and coherence. They will be able to chart sample texts from different languages and analyze how a discourse may be segmented into hierarchical units. They will be able to indicate evidence for foregrounding and backgrounding (or mainline and supportive information), including differences in verb forms; to describe topic or participant reference; and to investigate constituent order variation. They will focus on the interface between syntactic forms and their functions in discourse as they investigate grammatical structures of discourse, paragraph, sentence, and clause. *Prerequisite:* AL4410b Principles of Grammatical Analysis. *3 hours.*

AL5315 Semantics and Pragmatics

After completing this course, students will be able to explain and discuss relationships between form and meaning at various levels of language. They will be able to explain the difference between meaning and reference; describe and identify homonymy, polysemy, and ambiguity; analyze and describe word meanings, sentence meanings, utterance meanings, and speech act functions; identify and describe presuppositions, entailments, implicature, and ellipsis; identify components of meaning, and write clear definitions based on componential analysis. *Prerequisite:* AL4410b Principles of Grammatical Analysis. *3 hours.*

AL5316 Theory and Practice of Translation

Upon completing this course students will be able to explain and practice the principles of transferring meaning across languages and cultures. They will be conversant with different theories and approaches to translation. They will be able to critically analyze the meaning of a text from another language, translate that text, and evaluate the result for accuracy, communicative effectiveness, and naturalness. They will be conversant with methods for training and facilitating national colleagues in the process of translation. They will be able to recognize common translation problems and apply standard methods for solving them. They will be able to access current literature on translation theory and

practice and the tools most commonly used by professional Bible translators.
Prerequisites: AL5312 Discourse Analysis, and either AL5311 Relevance Theory or AL5315 Semantics and Pragmatics. 3 hours.

AL5406 Field Methods and Linguistic Analysis

By the end of Field Methods and Linguistic Analysis, students will be able to elicit, record, and transcribe linguistic data by working with a speaker of a nonwestern language; use external sources plus the elicited data to formulate explanatory hypotheses; test those hypotheses against available data; and refine them. *Prerequisites:* AL4302 Principles of Articulatory and Acoustic Phonetics, AL4303 Principles of Phonological Analysis, AL4410b Principles of Grammatical Analysis, and LD4505 Second Language and Culture Acquisition. *Corequisite:* AL5207 Field Data Management. 4 hours.

AA5151 Cross-cultural Teaching Seminar

After completing this course, students will be able to analyze a teaching process from the perspective of learning and teaching styles, and identify factors related to teaching cross-culturally. They will perform a teaching task, and be able to identify concepts from intercultural communication that could facilitate or impede the teaching process in cross-cultural context. Prerequisites: AA 4350 Language and Society or AA4505 Second Language and Culture Acquisition. This course is required only for the GIAL MA in Applied Linguistics. 1 hour.

MASTER OF ARTS (BIBLICAL STUDIES)

PURPOSE

The program leading to the **Master of Arts** degree with a major in Biblical Studies is designed to provide a graduate-level biblical and theological foundation for various kinds of Christian service. This degree is designed primarily for lay leaders who desire training for more effective ministry within their church or organization. The MA(BS) may also provide supplemental training for those engaged in parachurch ministries or those in support positions with missions agencies or churches. Those who are seeking full preparation for vocational ministry should apply for admission to one of the professional degree programs.

GOALS

EDUCATIONAL GOALS

To enable students to:

- demonstrate a general knowledge of the Bible, including a synthetic understanding of the major books; and
- evidence an understanding of the historical development of theology, a knowledge of premillennial theology, and an ability to support their theological views and apply them to contemporary issues.

SPIRITUAL GOAL

To enable students to evidence an increasing likeness to Christ as manifested in love for God, love for others, and the fruit of the Spirit.

MINISTRY GOALS

To enable students to:

- demonstrate an increasing involvement in the local church or other ministries with which they are associated; and
- minister within a local church or other group by means of leadership skills, evangelism, and service.

ADMISSION REQUIREMENTS

Admission requirements and application procedures for the MA(BS) are the same as for all programs of study at the Seminary (see the Admission section of this catalog). Students generally will not be admitted into this degree program without goals consistent with the ministries for which the program is designed to equip them.

TRANSFER OF CREDIT

Transfer of up to 30 credit hours is allowed toward the MA(BS) program from accredited graduate theological schools. Students must have earned a grade of C or better for a course to be considered for transfer. Transferability of credits earned at this institution and transferred to another is at the discretion of the receiving institution. Consult the Registrar's office for information on eligibility for transfer credit.

RESIDENCE REQUIREMENTS

While the MA(BS) can be completed entirely online, all of the courses are also offered as classroom courses on the main Dallas campus and at all of the Seminary’s extension campuses. This is to enhance the learning objectives of certain subjects that may be better achieved through a live interactive setting as well as for those who prefer a traditional face-to-face format.

COURSE REQUIREMENTS

Sixty-two semester hours of coursework are required as a minimum for graduation. Students may pursue this degree on a year-round basis or during summers. By taking about 12 hours of coursework each summer, students can complete the program in five summers (or four summers if several elective hours in independent study courses are taken between summers of study).

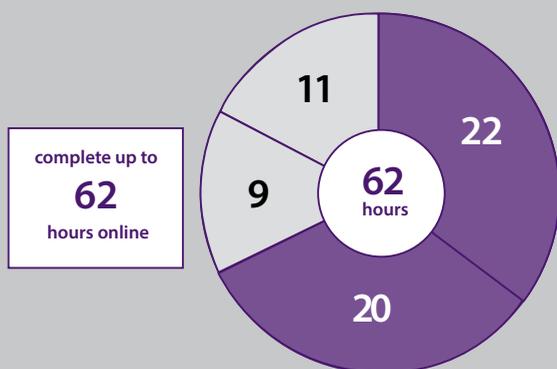

Twenty-four of the 62 hours are prescribed Biblical Studies courses, 18 are prescribed Systematic Theology courses, 2 are in Historical Theology, 4 are in Spiritual Life and Evangelism, 1 is in Orientation and Research Methods, and 3 are in a communications course. Of the remaining 10 elective hours, at least 2 hours must be taken in Educational Ministries and Leadership and at least 2 hours in World Missions and Intercultural Studies.

No thesis is required for the MA(BS) degree.

All work leading to the MA(BS) must be completed within seven years from the time of matriculation. Extension of this limit requires approval of the Credits Committee. Reinstatement to the program after withdrawal requires Admissions Committee action and may subject the student to additional requirements for the degree.

SPIRITUAL FORMATION

Because DTS values Christlike character and spiritual maturity, MA(BS) students are required to register for and participate in Spiritual Formation groups each of their first four consecutive fall and spring semesters at either the Dallas campus or Houston Campus. (MA[BS] students who are not planning to be in residence in Dallas or Houston for four

1 Students have two calendar years (four consecutive fall/spring semesters) to complete the SF100 Spiritual Formation requirement. Students who register for SF100 need to keep in mind that the course is a four-semester-long course that will meet at the same day and time each of the four semesters. See the Educational Ministries and Leadership department section of this catalog for more information.

2 At least 2 hours of electives must be selected from the Department of Educational Ministries and Leadership and at least 2 hours from the Department of World Missions and Intercultural Studies. If CE103/104, CE105, or CE450 is taken for the student's Communications course, the CE elective requirement will have been met.

3 The following courses are approved to meet the Communications course requirement: CE103 Teaching Process (2 hrs.) AND CE104 Media Presentations (1 hr.), CE105 Teaching Process and Media Presentations (3 hrs.), CE450 Women Teaching Women (3 hrs.), or an approved PM Communications course (3 hrs.). For more information contact the Student Advising Center.

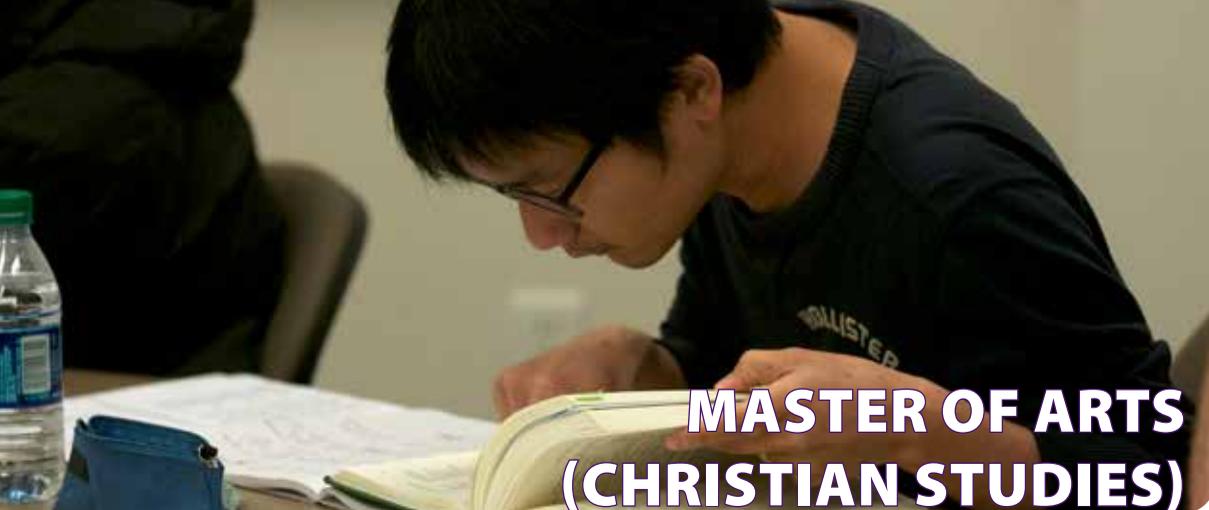

NOTE: Courses can be taken in Wintersession or Summer School to reduce the load during the fall and spring terms.

consecutive fall and spring semesters must contact the Department and apply for an alternative program for completing their Spiritual Formation requirement.)

In the Spiritual Formation curriculum, small groups of five to seven students focus on identity, community, integrity, and fidelity. The groups also provide an atmosphere for prayer, fellowship, and the integration of learning with life and ministry.

Because students participate with the same group during four consecutive semesters, they should plan their schedules so they may meet on the same day and at the same time each semester. Spiritual Formation is a noncredit, transcribed experience. The prerequisite for all required internships is SF100 Spiritual Formation.

Additional Spiritual Formation courses focusing on leadership may be taken as electives.

MASTER OF ARTS (CHRISTIAN STUDIES)

PURPOSE

The Chinese language degree program leading to the **Master of Arts** degree with a major in Christian Studies is designed to provide a graduate-level biblical and theological foundation, primarily through online courses, for various kinds of Christian service in Chinese ministry contexts. This degree is designed primarily for lay leaders who desire training for more effective ministry within their church or organization. The MA(CS) may also provide supplemental training for those engaged in parachurch ministries or those in support positions with missions agencies or churches. Those who are seeking full preparation for vocational ministry should apply for admission to one of the Seminary's professional degree programs.

GOALS

EDUCATIONAL GOALS

To enable students to:

- demonstrate a general knowledge of the Bible, including a synthetic understanding of the major books;
- evidence an understanding of the historical development of theology, a knowledge of premillennial theology, and an ability to support their theological views and apply them to contemporary issues; and
- develop a biblical philosophy of Christian ministry in Chinese contexts.

SPIRITUAL GOAL

To enable students to evidence an increasing likeness to Christ as manifested in love for God, love for others, and the fruit of the Spirit.

MINISTRY GOALS

To enable students to:

- design an effective strategy for Chinese ministry;
- communicate biblical and theological knowledge to a contemporary Chinese audience; and
- minister within a local church or other group by means of leadership skills, evangelism, and service.

ADMISSION REQUIREMENTS

Admission requirements and application procedures for the MA(CS) are the same as for all programs of study at the Seminary (see the Admission section of this catalog). Students generally will not be admitted into this degree program without goals consistent with the ministries for which the program is designed to equip them.

TRANSFER OF CREDIT

Transfer of up to 30 credit hours is allowed toward the MA(CS) program from accredited graduate theological schools. Students must have earned a grade of C or better for a course to be considered for transfer. Transferability of credits earned at this institution and transferred to another is at the discretion of the receiving institution. Consult the Registrar's office for information on eligibility for transfer credit.

RESIDENCE REQUIREMENTS

While the MA(CS) can be completed online, a few of the courses are offered as classroom courses in Houston and in Hong Kong. This is to enhance the learning objectives of certain subjects that are best achieved through a live interactive setting.

COURSE REQUIREMENTS

Sixty-two semester hours of coursework are required as a minimum for graduation. Students may pursue this degree on a year-round basis. By taking about 12 hours of coursework each year, students can complete the program in five years. Students who do not have prior experience with online courses are encouraged not to take more than one course their first online semester.

Twenty-four of the 62 hours are in prescribed Biblical Studies courses, 18 are in prescribed Systematic Theology courses, 5 are in Chinese church and ministry, 5 are in Spiritual Life and Communication, 1 is in Orientation and Research Methods, and 5 are in Christian Education. Students may choose courses suited to their interests and needs for the remaining 4 elective hours.

No thesis is required for the MA(CS) degree.

SPIRITUAL FORMATION

Because DTS values character and spiritual maturity, MA(CS) students are required to fulfill a Spiritual Formation requirement during the course of their program. MA(CS) students must contact the Online Chinese Studies Department concerning how to meet their Spiritual Formation requirement.

目的

本文學碩士學位乃是以基督教研究為主修的中文學位課程，其設計主旨係透過中文網絡課程，在華語環境裡為各種華人基督教事工事奉人員奠定碩士程度的聖經和神學根基。

基督教研究碩士學位的設計主要對象是那些希望得到裝備的平信徒領袖，從而讓他們在教會或機構中的事工更有成

效。本碩士學位 MA(CS) 也為那些從事與教會有關的文教事工、或是參與支持宣教或教會事工的人提供補充性的訓練。至於那些願意尋求為全時間服事做準備的人，應該申請入讀本神學院專業性的學位課程。

目標

教育目標

旨在使學生能夠：

- 瞭解聖經的一般知識，包括對主要書卷的綜合性理解；
- 認識神學在歷史中的發展，了解前千禧年觀的神學立場，有能力支持他們的神學觀點，並將其應用於當代的問題；
- 在中華文化的情境內，開發符合聖經原則的基督教事工理念。

屬靈目標

- 讓學生能效法基督，表現在對神的愛，對他人的愛，以及結出聖靈的果子。

事工目標

旨在使學生能夠：

- 為中文事工設計出有效的策略；
- 向講中文之聽眾溝通聖經和神學的知識；
- 通過學習領導、佈道和事奉等能力，在地方教會或其它團體服事。

入學要求

MA(CS) 的入學要求和申請程序，與在神學院修讀的所有學科相同（參本手冊的招生部分）。任何申請人的生涯目標若與本學位設計主旨不符，一般情況下不會被錄取。

轉學分

MA(CS) 學位最多可以轉30個學分，但學分必須轉自認證合格的碩士水平的神學院。若轉學分，學生的成績必須是C或高於C，才予以考慮。在該校所讀的學分是否可轉，或是轉到另一所學校，需由接收學校來裁定。關於轉學分的資格，請諮詢註冊處主任辦公室。

住讀要求

雖然本學位大多數的課程可以通過網絡完成，但有一些課程的要求需在傳統課堂裡完成。此舉是為了提高某些學科的學習，授課教師認為這些教學目標最好是通過傳統課堂現場的互動來完

成。MA(CS) 所有的課業要求，必須要在入學後的七年內完成。期限的延長需要學分委員會的批准。退學後要復學，需要經過招生委員會認可，對學位完成可能會有額外的要求。

課程要求

畢業的最低要求是完成62個學分的課程學習。學生可以在全年學習的基礎上努力達到這一目標。學生若能每年修讀12個學分，可以在五年內完成本學位。學生若未曾有通過網絡學習的經驗，在第一網路學期最好只修讀一門課程。

在62個學分中，學生必須修讀24個聖經研究科學分及18個系統神學學分，5個學分的華人教會與事工，另外5個學分為靈命塑造和溝通藝術，1個學分的研究方法，加上5個學分的基督教教育。其餘4個學分為選修課，學生可以選擇適合自己興趣和需要的課程。

MA(CS) 學位沒有論文要求。

CERTIFICATE OF BIBLICAL & THEOLOGICAL STUDIES

The **Certificate of Biblical and Theological Studies (CBTS)** is the new name for Dallas Theological Seminary's Certificate of Graduate Studies (CGS). The new nomenclature reflects more accurately the content of the Certificate. The Seminary also offers the Certificate online in Chinese and has chosen to retain the CGS nomenclature for the Chinese version of the certificate program. More information on the CGS in Chinese can be found at the end of this section.

PURPOSE

The **Certificate of Biblical and Theological Studies (CBTS)** provides a flexible course of study for:

- Christian laypersons who desire a short program of seminary studies to equip them for effective ministry in the local church or elsewhere;
- those who wish to begin seminary studies on a trial basis to help them determine if they desire to pursue a degree program;
- Christian workers with limited time available for seminary studies (those who intend to enter a professional ministry are encouraged to apply for admission to one of the master's-level degree programs);
- missionary candidates who anticipate service in nonprofessional ministries whose mission board requires graduate study in Bible and theology;
- college graduates who want a year of seminary studies as a supplement to their undergraduate work; and
- spouses of current DTS students who want to complete a program of graduate seminary studies.

GOALS

EDUCATIONAL GOALS

- demonstrate a general knowledge of the Bible; and
- evidence a general knowledge of premillennial theology and an ability to support their theological views.

SPIRITUAL GOAL

ADMISSION REQUIREMENTS

Admission requirements and application procedures for the Certificate of Biblical and Theological Studies program are the same as for all programs of study at the Seminary (see the Admission section of this catalog).

In a few cases applicants without a bachelor's degree may be admitted, but such applicants must demonstrate both maturity and adequate educational background. Contact the Admissions office for further details.

Interested alumni will need to complete at least one course the semester before graduation, even if all other requirements have been previously met.

For more information, contact the Alumni or Admissions office.

CGS IN CHINESE

The Certificate of Graduate Studies (CGS) in Chinese is the online Chinese version of the Seminary's Certificate of Biblical and Theological Studies (CBTS). DOCTOR OF EDUCATIONAL MINISTRY

PURPOSE

The **Doctor of Educational Ministry** degree program is designed to provide advanced training in the practice of biblically and theologically oriented educational ministry to those actively involved in vocational or bivocational educational ministry. The program concentrates on developing expertise in the biblical rationale, sociological strategy, and practical implementation of those ministries.

The Doctor of Educational Ministry degree is the highest professional degree for those engaged in local church and parachurch ministries, world missions, and similar educational ministries. (By contrast, the DMin degree focuses on advanced training in the practice of biblically and theologically oriented ministry primarily in the context of the local church, and the PhD degree purposes primarily to equip students to engage in scholarly research and teaching.) The DEdMin program is offered “in ministry” rather than “in residence,” as it assumes students will remain in ministry throughout the program and does not require them to relocate to Dallas. It normally requires a minimum of three years of meaningful ministry experience prior to admission to the program. Each course assumes this ministry experience and endeavors to integrate learning with the student’s present context of ministry as well as future goals.

One of the most inviting features of the DEdMin at Dallas is that the curriculum is designed with a high degree of flexibility. Of the 36 hours of coursework required for the degree, at least 15 hours are provided for students to customize their programs to their own ministry goals. Additionally, 3 hours are granted for the student’s applied research project, and 3 hours are given to directed reading leading to a literature review the student reports in the dissertation project.

GOALS

EDUCATIONAL GOALS

To enable students to:

- evaluate personal, spiritual, and professional development;
- chart a course for lifelong learning and improvement;
- assess and construct educational ministries from a biblical theology applied in a variety of contemporary contexts;
- conduct applied research of professional, doctoral-level breadth and depth within their chosen field of study; and
- articulate and promote evangelical theology in the practice of ministry.

SPIRITUAL GOAL

To enable students to manifest a maturing and Spirit-filled character.

MINISTRY GOALS

To enable students to:

- enhance identified ministerial skills such as teaching, counseling, leadership, administration, vision-casting, educational programming, and communication;

- communicate God’s Word effectively through verbal communication, writing, or other media;
- lead and manage an educational ministry organization competently;
- work successfully and ethically with people in a variety of ministry situations;
- provide the framework for developing a biblical ministry in a culturally and ethnically diverse context; and
- demonstrate excellence in character and in ministry.

ADMISSION REQUIREMENTS

The DEdMin program admits men and women who show evidence that they (1) are born again; (2) are of proven Christian character; (3) are endowed with appropriate spiritual gifts; and (4) adhere to the following doctrines: the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by faith alone in Christ alone, and the physical return of Christ.

In addition, the following prerequisites apply to DEdMin applicants.

All applicants must:

- normally have at least three years of vocational or bivocational Christian ministry experience;
- give evidence of growth and competence in educational ministerial skills and leadership;
- be involved in an ongoing educational ministry (including lay ministry);

- have an academic record that demonstrates superior ability and shows promise of success in doctoral studies; and
- hold a Dallas Theological Seminary’s Master of Arts in Christian Education (MA/CE) or its equivalent, Master of Divinity (MDiv), Master of Theology (ThM), or a Master of Arts (MA) degree plus leveling courses as necessary to provide DTS MA/CE equivalence.

Courses needed to meet the DTS MA/CE equivalence requirements must cover the breadth and scope of DTS’s curriculum and commitment to Scripture as prescribed by the DMin/DEdMin office and the Registrar’s office. Courses required for MA/CE equivalence may be earned at DTS, its extension sites, through external studies programs, or other accredited institutions. For more information on MA/CE equivalence, please contact the Doctor of Ministry office or the registrar’s office.

Applicants must supply the requisite written admission materials and must have a personal or phone interview with members of the faculty. Prospective DEdMin students may apply for admission at any time. The deadline for the summer seminar is February 15, and for the winter seminar, August 15. Further details on admission requirements and procedures are available from the Admissions office.

DEDMIN PROGRAM OVERVIEW

The Doctor of Educational Ministry program generally follows a standard model in which students, in consultation with their advisor,

design and customize their degree plan around individual ministry needs and goals. Some emphases follow a cohort model. In the cohort model, students proceed through the courses necessary for their emphasis with a small group of ministry colleagues. This group moves through the designated part of the program together. The cohort model has the advantage of providing a community experience with fellow learners and faculty mentors.

COHORT EMPHASES

The Doctor of Educational Ministry is designed to equip students for greater ministry effectiveness in church and parachurch educational leadership roles. Ministry leaders can concentrate their individualized plan of study in church education, ministry to children, youth or adult ministry, roles as associate pastors or ministry directors, educational administration, camp ministry, women's ministry, or they may customize their own concentration. The DEdMin also offers the following cohort emphases.

- **Advanced Academic Ministry**
 This cohort-based emphasis provides advanced training unique to academic ministry leadership. The major focus of this program includes teaching in Christian institutions, administration in Christian education, curriculum design, creativity, and current issues in teaching and education.
- **Marriage and Family Ministry**
 This cohort-based emphasis explores biblical and theological foundations, cutting-edge programs, and ministry education strategies. Certification in the use of research-based tools for marriage and family educators will be included. A major focus will be to design sustainable, context-specific marriage and family ministries, particularly in the church.
- **Spiritual Formation**
 This cohort-based emphasis provides advanced training in Christian spiritual formation for ministry practitioners. Special attention will be given to the theology and history of Christian spirituality, personal and corporate practices of spiritual formation, and the process of providing spiritual nurture and guidance to others. This cohort-based program will further provide advanced study on topics related to the history and practice of soul care, spiritual direction, and spiritual formation in small groups.
- **Women in Ministry**
 This cohort-based Christian Education program provides advanced training in the

practice of biblically and theologically oriented ministry for women. It is designed to support and promote the complementary role of men and women in ministry.

NATIONAL CERTIFICATIONS

Presently, the following two national certification programs are offered for DEdMin students in cooperation with partnership organizations. Contact the DMin/DEdMin and Counseling offices for more information.

- Christian Conciliator, Peacemaker Ministries
- Sexual Educator, Institute of Sexual Wholeness

COURSE REQUIREMENTS

The DEdMin program requires 36 semester hours of coursework (which includes from 30 to 33 hours of prescribed and elective courses and from 3 to 6 hours of independent study courses) plus a 3-hour applied research project related to the student's ministry. The program normally requires at least four years of study.

Normally, seven prescribed courses must be taken by all DEdMin students: CE102 History and Philosophy of Christian Education (this is a master's-level course; additional work at the doctoral level will be required for the DEdMin), DM101 The Ministry Leader, DM102 Applied Research Project Development, DM103 The Applied Research Project Seminar, DM205 Selected Biblical Issues for Today's Educational Ministry, DM310 Instructional and Learning Theories, DM705 Selected Theological Issues for Today's Educational Ministry, and ID201 Computer Tools for Biblical Exegesis. Some cohorts fuse the leadership and/or research components into the selected cohort. In addition, students normally complete at least one independent study course, DM901 Independent Study, designed in consultation with the director of the program. Course descriptions for these and other DEdMin courses may be found in the Course Descriptions section of this catalog.

All courses are six months in length and include one or two weeks of residence in either January or July. During the prerresident months, students read and interact with course material. After the course meets for the resident week, students complete assignments that are appropriate

for their ministry. DTS alumni are allowed to audit the resident portion of a course as space permits. Registration for summer DEdMin courses must be completed by March 15, and registration for winter DEdMin courses must be completed by September 15. Electives in the various areas of concentration are listed in the Course Descriptions section of this catalog.

All work leading to the Doctor of Educational Ministry degree must be completed in no less than three and no more than six years from the time of matriculation. A minimal grade of B- must be received in every course credited toward graduation and also on the applied research project.

Additional information on DEdMin policies and procedures is given in the Doctor of Ministry Handbook, which is available on the DTS website.

TRANSFER OF CREDIT

Transfer of up to 10 hours of doctoral-level credit may be applied toward the DEdMin degree if those hours constitute equivalent work. Normally only courses taken after receiving an MA, MDiv, ThM, STM, or equivalent degree can be credited toward the DEdMin degree. Requests for transfer of credit should be sent to the director of DMin/DEdMin studies. Plans to take other courses for transfer credit must be approved by the DMin/DEdMin committee prior to taking the course.

ADMISSION TO CANDIDACY

Students may be admitted to candidacy for the DEdMin degree by action of the faculty only after these requirements have been met: (1) completion of all residency requirements leading to the degree; (2) the satisfactory completion of a minimum of 21 semester hours of coursework; (3) evidence of proven Christian character; (4) effectiveness in Christian ministry; and (5) adherence to the following doctrines: the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by faith alone in Christ alone, and the physical return of Christ.

Students applying to candidacy for the DEdMin degree must also provide a written letter of reference from the local church or organization

where the student is serving, endorsing the student's ministry.

Students must be admitted to candidacy before they can register for DM103 The Applied Research Project. Three of the 6 hours that remain for completion of the degree can be taken concurrently with DM103 (3 hours).

APPLIED RESEARCH PROJECT REQUIREMENTS

The applied research project is the student's major research project in the degree program. It must be directly related to his or her ministry and must make a significant contribution to the field of professional ministry as well as to the student's personal life. The project normally should deal with some aspect of educational ministry related to communication, administration, nurture, or program leadership. The length is to be appropriate for the subject as judged by the student's advisors.

If the applied research project is not completed within the first year after enrolling in DM103, then the student will be required to register for DM105 Applied Research Continuation each summer and winter term until project completion.

Details on the procedures and deadlines for the topic approval, proposal, and first and final drafts of the applied research project are available in the Doctor of Ministry office as well as in the DEdMin handbook.

GRADUATION REQUIREMENTS

Candidates for the DEdMin degree must have completed 36 semester hours of coursework and the 3-hour applied research project along with any other requirements that may have been assigned. The completion of minimum requirements does not automatically qualify a student for the degree. The candidate must evidence, to the satisfaction of the faculty, proven Christian character, ability and acceptability in Christian ministry, and adherence to the doctrines stated in the previous Admission to Candidacy section.

Diplomas will not be awarded, transcripts issued, or placement assistance provided unless all financial obligations to the Seminary and/or the student loan program are current.

 - four semesters of Greek and two semesters of Hebrew. (If a student has only three semesters of Greek, he or she may take ID201 Computer Tools for Biblical Exegesis in lieu of the fourth semester of Greek. For selected DTS master’s degrees the student needs only ID201 Computer Tools for Biblical Exegesis in lieu of Greek and Hebrew.)

DMIN PROGRAM OVERVIEW

The Doctor of Ministry program offers two tracks of study: Ministry Leadership and Spanish Ministry Leadership. Students may select different emphases within each of the two tracks. While the DMin program generally follows a standard model in which students, in consultation with their advisor, design and customize their degree plan around individual ministry needs and goals, some emphases follow a cohort model. In the cohort model, students proceed through the courses necessary for their emphasis with a small group of ministry colleagues. This group moves through the designated part of the program together. The cohort model has the advantage of providing a community experience with fellow learners and faculty mentors.

MINISTRY LEADERSHIP TRACK

The Ministry Leadership track is designed to equip students for greater ministry effectiveness in their respective areas of leadership. Ministry leaders can concentrate their individualized plan of study in Church Planting, Expository Preaching, Pastoral Leadership, Marriage and Family, Urban Ministries, or customize their own concentration. The Ministry Leadership track also offers the following cohort emphases.

- **Advanced Expository Preaching**

This emphasis provides advanced training in the art and discipline of expository preaching as practiced in a church context. This specialty will reaffirm and refine the principles of homiletics. The courses will also address leading from the pulpit, long-range sermon planning, and preaching the major biblical genres with accuracy and creativity. This cohort-based program will further provide advanced study in audience analysis, variety in sermon structures, mentoring in homiletics and preaching to the post-modern generation. Key aspects of this cohort specialty are peer group interactive learning and individual mentoring in homiletics.

- **Church Health, Leadership, and Multiplication**

This emphasis provides advanced training in the practice of biblically and theologically oriented ministry for church pastors and church planters. It focuses on an evaluation of problems, programs and/or procedures unique to church leaders through case-study methodology, with special attention given

to church health, leadership development, and ministry multiplication.

- **Executive/Associate Pastors**

This emphasis provides advanced training in the practice of biblically and theologically oriented ministry for executive and associate pastors serving in the local church. This training specialty supports and promotes pastoral leadership development through the evaluation of problems, programs, and/or procedures unique to executive and associate church leaders. Attention is given to leadership development and case-study research method.

- **Large Church Pastors**

This emphasis provides advanced training in the practice of biblically and theologically oriented ministry for pastors serving in large churches. It is designed to support and promote pastoral leadership development through the evaluation of problems, programs and/or procedures unique to pastors of large churches. Attention is given to leadership development and case-study research method.

- **Multicultural Ministry**

This emphasis provides advanced training in the practice of biblically and theologically oriented ministry for multicultural church leaders serving the local church and para-church organizations. This cohort program is designed to help ministry leaders through a study of the principles, leadership issues, challenges, and opportunities uniquely confronting multicultural church leaders with the goal of helping students take their ministry to the next level. Attention is given to leadership development and case-study research method. This cohort is hosted at the DTS Houston Campus.

- **Marriage and Family Ministry**

This emphasis explores biblical and theological foundations, cutting edge programs, and ministry education strategies. Certification in the use of research-based tools for marriage and family educators will be included. A major focus will be to design sustainable, context-specific marriage and family ministries, particularly in the church.

- **Spiritual Formation**

This emphasis provides advanced training in Christian spiritual formation for ministry practitioners. Special attention will be given to the theology and history of Christian spirituality, personal and corporate practices of spiritual formation, and the process of providing spiritual nurture and guidance to others. This cohort-based program will further

provide advanced study on such topics related to the history and practice of soul care, spiritual direction, and spiritual formation in small groups.

- **Women in Ministry**

This emphasis provides advanced training in the practice of biblically and theologically oriented ministry for women. It is designed to support and promote the complementary role of men and women in ministry.

SPANISH MINISTRY LEADERSHIP TRACK

The Spanish Ministry Leadership track is designed to equip Spanish-speaking students for greater ministry effectiveness in their respective areas of leadership. This program of study is offered on the campus of Seminario Teológico Centroamericano (SETECA) in Guatemala City for leaders in Latin America, Spain, North America, and elsewhere. Spanish ministry leaders can concentrate their individualized plan of study in Church Planting, Expository Preaching, Pastoral Leadership, Marriage and Family, Urban Ministries, or customize their own concentration.

DMIN EXTENSION PROGRAMS

The Seminary offers DMin classes in two locations outside the Dallas area: Guatemala City, Guatemala and Houston, Texas. These extension sites are designed to provide greater access to DMin studies for interested students.

The DMin extension in Guatemala City is the Seminary's Spanish language DMin program for leaders in Latin America, Spain, North America, and elsewhere. It is offered on the campus of Seminario Teológico Centroamericano (SETECA) in Guatemala City. The courses offered in the Spanish DMin program are the same as those offered in Dallas, but are contextualized for the Spanish-speaking world. All courses in the Spanish DMin program can be completed at SETECA. Interested students should contact the DMin office for more information.

The DMin extension in Houston meets on the campus of the College of Biblical Studies. The Houston Campus is designed to make the DTS DMin degree more accessible to students living in the larger Houston metropolis; however, any DMin student may take courses at the extension site. International students entering the United States on an F-1 student visa are required to take all DMin courses at the Dallas main campus.

NATIONAL CERTIFICATIONS

Presently, two national certification programs are offered for DMin students in cooperation with partnership organizations. Contact the DMin and Counseling offices for more information.

1. Christian Conciliator, Peacemaker Ministries
2. Sexual Educator, Institute of Sexual Wholeness

COURSE REQUIREMENTS

The DMin program requires 27 semester hours of coursework (which includes from 21 to 24 hours of prescribed and elective courses and from 3 to 6 hours of independent study courses) plus a 3-hour applied research project related to the student's ministry. The program normally requires at least four years of study.

Normally, three prescribed courses must be taken by all DMin students: DM101 The Ministry Leader, DM102 Applied Research Project Development Seminar, and DM103 The Applied Research Project. Some cohorts fuse the leadership and/or research components into the selected cohort. In addition, students normally complete at least one independent study course, DM901 Independent Study. Course descriptions for these and other DMin courses may be found in the Course Descriptions section of this catalog.

All courses are six months in length and include one or two weeks of residence in either January or July. Classes meet on the main campus, the Houston campus, or at the Guatemala site. (See the Special Programs and Sessions section for more information on these two sites.) During the preresident months, students read and interact with course material. After the course meets for the resident week, students complete assignments that are appropriate for their ministry. DTS alumni are allowed to audit the resident portion of a course as space permits. Registration for summer DMin courses must be completed by March 15, and registration for winter DMin courses must be completed by September 15. Electives in the various areas of concentration are listed in the Course Descriptions section of this catalog.

All work leading to the Doctor of Ministry degree must be completed in no less than

three and no more than six years from the time of matriculation. A minimal grade of B- must be received in every course credited toward graduation and also on the applied research project.

APPLIED RESEARCH PROJECT REQUIREMENTS

The applied research project is the student's major research project in the degree program. It must be directly related to his or her ministry and must make a significant contribution to the field of professional ministry as well as to the student's personal life. The project normally should deal with some aspect of communication, administration, nurture, leadership, or Christian education. The length is to be appropriate for the subject as judged by the student's advisors.

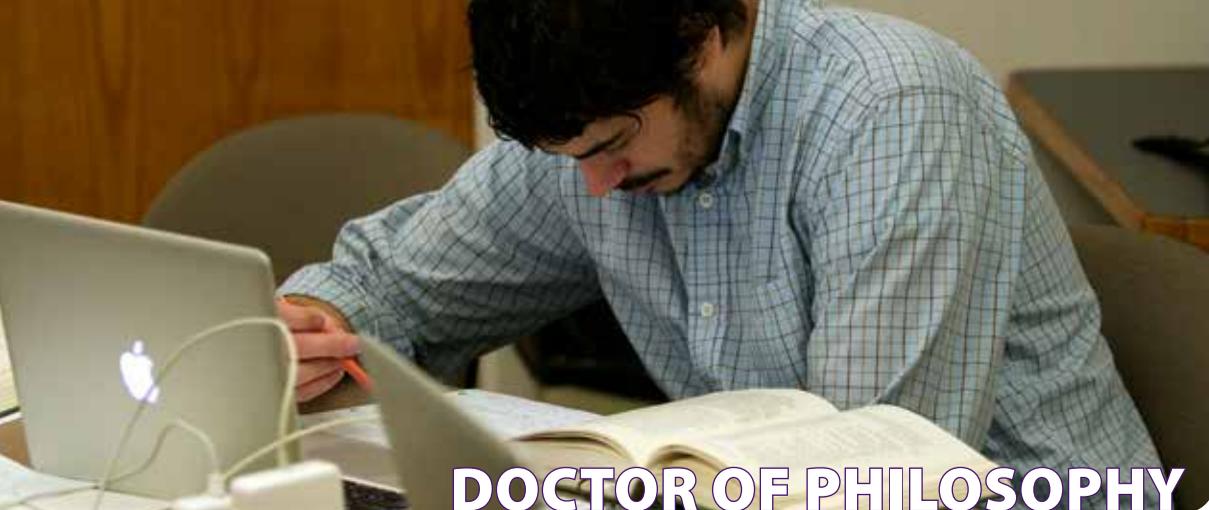

If the applied research project is not completed within the first year after enrolling in DM103, then the student will be required to register for DM105 Applied Research Continuation each summer and winter term until project completion.

The program leading to the **Doctor of Philosophy** degree is designed for those who are capable of doing research at the highest level, with a view to becoming scholars and educational leaders in various fields of Christian ministry.

GOALS

EDUCATIONAL GOALS

To enable students to:

- develop skills of critical thinking and reflection;
- acquire a suitable mastery of the content of their chosen field of study;
- evaluate major issues and scholarly views within their academic discipline;
- engage in reliable independent research, using relevant primary and secondary sources; and
- contribute to biblical and theological research.

SPIRITUAL GOAL

To enable students to:

- manifest traits of personal integrity, character, and spirituality.

MINISTRY GOALS

To enable students to:

- communicate effectively through writing and teaching;
- demonstrate ability and acceptability for Christian ministry.

ADMISSION REQUIREMENTS

Applicants must (1) hold or be completing the final semester of coursework for the Master of Divinity degree (MDiv), Master of Theology degree (ThM), or Master of Sacred Theology (STM) degree; (2) have an academic record that demonstrates superior ability; (3) complete the Personality Inventory (arranged through Student Services); (4) satisfactorily pass a written examination in the field of their intended major and an oral examination of their Christian experience, scholarship, theology, achievement, and purpose; and 5) show evidence that they

- have saving faith in Christ;
- are of proven Christian character;
- are endowed with appropriate spiritual gifts; and
- adhere to the following doctrines: the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by faith alone in Christ alone, and the physical return of Christ.

Applications for the doctoral program must be received by the Admissions office by January 1 for admission the following fall semester or by September 1 for admission the following spring semester. Supporting materials (e.g., references, transcripts, completed Personality Inventory) must be received

by January 15 and September 15, respectively. The completed applications are then considered for preliminary acceptance by the faculty of the appropriate academic department and by the PhD Studies Committee.

Depending on their prior academic preparation, students enter the PhD program either at Stage 1 or Stage 2. Applicants entering at Stage 1 must have attained a bachelor's degree (BA, BS, etc.) and the Master of Divinity degree (MDiv) or their educational equivalents. For purposes of admission to Stage 1 of the PhD program, an MDiv degree is understood to be a minimum of three years of full-time study (approximately 90 semester hours). Applicants must have an academic record that demonstrates superior ability and shows promise of success in doctoral studies. In the absence of a master's thesis, applicants must provide a research paper previously written at the master's level that shows an acceptable level of competency in research and writing. After completing Stage 1, applicants must complete requirements for entrance into Stage 2.

Applicants entering at Stage 2, in addition to a bachelor's degree, must have attained the Master of Theology degree (ThM) or Master of Sacred Theology degree (STM) or their educational equivalents. For purposes of admission to Stage 2 of the PhD program, the ThM or STM degree must be a minimum of one year of full-time study (approximately 30 semester hours), or in the case of DTS graduates, the four-year ThM degree. Applicants entering at Stage 2 must give evidence either by transcript or by examination of at least two years of study in biblical Hebrew and two-and-a-half years of study in New Testament Greek. Any deficiencies in these areas must be made up without credit in the PhD program. Applicants must have an academic record that demonstrates superior ability and shows promise of success in doctoral studies. Applicants must also present an acceptable master's thesis. The thesis must be completed and grade awarded by May 15 of the spring preceding admission to the PhD program.

COURSE REQUIREMENTS

Students in the PhD program may major in either the Division of Biblical Studies or the Division of Theological Studies. For students admitted with only the MDiv degree, the program requires two stages. Stage 1 consists of 26 semester hours of coursework (see below), and Stage 2 requires an additional 35 hours of doctoral work.

Students with the ThM or STM degree must complete only Stage 2 of the program, or 35 semester hours of coursework, involving at least three semesters of study.

Qualifying exams for Stage 2 assume completion of the 26 hours of Stage 1. However, students are eligible to take the qualifying exams for Stage 2 during their final semester before completion of Stage 1 if they are making satisfactory progress on the thesis. Qualifying exams for Stage 2 must be completed successfully before continuing in the doctoral program. Students may attempt the Stage 2 qualifying exams a maximum of two times.

Stage 1 requirements for students admitted with the MDiv degree consist of 26 hours of classroom work. The student is required to pass a proficiency exam in Greek grammar and syntax, complete NT104 and NT105 (6 hours), pass a proficiency exam in Hebrew grammar and syntax, and complete OT103 and OT104 (6 hours). The student must also complete a major of 9 hours in a Biblical Studies or Theological Studies department, complete either CE215 or WM410 (3 hours), and write a 2-hour thesis in his or her intended major. After completion of the 26 hours of Stage 1, the student must pass the PhD written and oral qualifying exams.

Stage 1 courses are master's-level courses with increased requirements consistent with the demands of doctoral study.

Stage 2 requirements for all doctoral students are as follows.

All Biblical Studies majors are required to take 9 hours of coursework in designated divisional courses. Students must take BS1001 Old Testament Backgrounds (3 hours), BS1002 New Testament Backgrounds (2 hours), BS1003 Hermeneutics (3 hours), and BS1004 Research Procedures (1 hour). In addition to these required divisional courses, students in Biblical Studies also must satisfy the require-

ments of their concentration, whether Old Testament Studies, New Testament Studies, or Bible Exposition.

The following guidelines for completion of elective courses apply.

- Each student is required to take two electives outside the concentration but within the Biblical Studies division—one from each of the two departments in which he or she is not concentrating. These courses are selected in consultation with the respective departments and with consideration of the student’s background and needs. At the student’s request, exceptions to this requirement may be considered jointly by the department coordinators in the Biblical Studies division.
- Remaining elective hours should be selected in consultation with the student’s departmental advisor.

For a concentration in Old Testament Studies, students must take OT1001 Old Testament Criticism (2 hours), OT1002 Historical Hebrew Grammar (2 hours), OT1003 Advanced Old Testament Biblical Theology (2 hours), and two of the following three exegetical courses: OT1004 Exegesis in the Torah (3 hours), OT1005 Exegesis in the Prophets (3 hours), and OT1006 Exegesis in the Writings (3 hours). Doctoral students are required to demonstrate ability to read scholarly French and German. Information on the dates when the examinations in these languages must be taken is given in the Doctor of Philosophy Handbook.

Only courses taken after receiving the prerequisite degree (MDiv, ThM, or STM) can be credited toward the degree of Doctor of Philosophy. Normally work done in other institutions may not be credited toward Stage 2 of the PhD degree. A minimum grade of B- must be received in every course credited toward graduation and also on the dissertation.

RESIDENCE REQUIREMENTS

The program normally includes at least three years of study, a minimum two years of which must be spent in residence. All work leading to the PhD degree must be completed within eight years from the time of matriculation.

STM COMPLETION

Students who fail the qualifying exams on completion of Stage 1 of the PhD program, may choose to complete the STM degree by finishing any requirements that remain for that degree (see the STM degree program section of this catalog). In most cases, this will require only 6 more hours of coursework. (This assumes that students have completed the 26 hours of coursework required for Stage 1 of the PhD program, since the STM degree requires 32 hours for completion.) The additional 6 hours should be taken in the following segments: 3 hours in Communications, 2 hours in Theological Studies (if the major is Biblical Studies) or 2 hours in Biblical Studies (if the major is Theological Studies), and 1 hour of Servant Leadership Internship. Students must also have completed coursework in soteriology and eschatology in their master's program.

Students may transfer a maximum of 6 hours into the STM program, even if additional transfer was considered toward Stage 1 requirements of the PhD program. Additional information on STM completion is available from the Advising Center.

ADMISSION TO CANDIDACY

Students may be admitted to candidacy for the PhD degree by action of the faculty only after: (1) completing all residence requirements leading to the degree; (2) passing written and oral examinations in the fields within the major; (3) meeting foreign language requirements; and (4) evidencing, to the satisfaction of the faculty, proven Christian character, ability, and acceptability in Christian ministry, and adherence to the following doctrines: the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by faith alone in Christ alone, and the physical return of Christ.

Students in the PhD program also must provide a written letter of church involvement from the local church the student has regularly attended while in Seminary and a reference form completed by a pastor or spiritual overseer.

DISSERTATION REQUIREMENTS

Students must register for and complete a dissertation of between 50,000 and 75,000 words on an approved subject. Details on the procedures and deadlines for the dissertation subject proposal, syllabus, first and final drafts, and oral defense are given in the Doctor of Philosophy Handbook.

GRADUATION REQUIREMENTS

Candidates in the PhD program must have completed 61 semester hours of coursework (35 for students entering with a ThM or STM degree), including dissertation and any other requirements that may have been assigned.

The completion of minimum requirements does not automatically qualify students for the degree. They must evidence, to the satisfaction of the faculty, proven Christian character, ability and acceptability in Christian ministry, and adherence to the doctrines stated in the Admission to Candidacy section.

Diplomas will not be awarded, transcripts issued, or placement assistance provided unless all financial obligations to the Seminary and/or the student loan program are current.

EXTENSION LOCATIONS AND DEGREE PROGRAMS

In an effort to serve students who cannot attend classes on the Dallas campus, DTS offers classes at eight extension sites. The External Studies mission is twofold: (1) to deliver a DTS education to those who cannot study at the Dallas campus, and (2) to encourage extension students, at the right time, to migrate to the Dallas or Houston campus for degree programs not offered in full at the other extension sites.

Dallas Theological Seminary offers the following certificates and degrees at the following extensions:

- **Atlanta, Georgia**
Certificate of Biblical and Theological Studies, MA in Christian Leadership, MA (Biblical Studies)
- **Austin, Texas**
Certificate of Biblical and Theological Studies, MA in Christian Leadership, MA (Biblical Studies)
- **Guatemala City, Guatemala**
DMin in Spanish
- **Houston, Texas**
Certificate of Biblical and Theological Studies, MA in Biblical Counseling, MA in Christian Education, MA in Christian Leadership, MA in Cross-cultural Ministry, MA (Biblical Studies), ThM, DMin
- **Knoxville, Tennessee**
Certificate of Biblical and Theological Studies, MA in Christian Leadership, MA (Biblical Studies)
- **Manassas, Virginia (Washington, DC extension)**
Certificate of Biblical and Theological Studies, MA in Christian Leadership, MA (Biblical Studies)
- **San Antonio, Texas**
Certificate of Biblical and Theological Studies, MA in Christian Leadership, MA (Biblical Studies)
- **Tampa, Florida**
Certificate of Biblical and Theological Studies, MA in Christian Leadership, MA (Biblical Studies)

The Seminary also offers less than fifty percent of the courses for the MA (Christian Studies) in **Hong Kong** at the Hong Kong Baptist Theological Seminary.

COURSE OFFERINGS

Courses taught at the extension sites are identical to those offered on the Dallas campus. Courses required in the MA/CL and MA(BS) degree programs are available at the extensions. Some Bible, theology, and practical ministry courses can also be applied to other degree programs as nonresident credits.

Extension classes take place on weekends and/or evenings, facilitating study for those already involved in full-time ministry or other vocations. During the fall and spring semesters, most classes can be completed in four weekends with a Friday night and all-day Saturday schedule (once per

month during the regular four-month semester). Summer classes follow a more intensive format, with classes generally held over four weekends, Friday night and all day Saturday, during June and July. Additionally some classes are offered once a week in the evenings during the fall and spring semesters.

Students can complete up to two-thirds (2/3) of the MA(BS) or MA/CL degree through online education. Additionally, the MA/CL offers the opportunity to complete a ministry residency (an internship local to the student). Thus, after 41 hours online and a 12-hour ministry residency, only 9 hours need to be completed in a class room to earn the MA/CL. These 9 hours can be completed through week-long intensives in Dallas or Houston, or through regular courses at any of the Seminary's distance locations.

Residency status for extension students varies by program and extension location. Additional information on residency and other matters related to the Seminary's extensions is also available from the Online and Distance Education office by phone, 800-DTS-WORD (800-387-9673), ext. 5320; by email (external_studies@dts.edu); or by visiting the Seminary's website (www.dts.edu/es).

DMIN COURSE OFFERINGS

Courses taught in Houston are the same courses as taught on the Dallas campus and follow the same schedule as Dallas campus

courses. Courses in the Spanish-language DMin program also follow the same schedule as other DMin courses, but are taught in Spanish.

Contact the Doctor of Ministry office for more information on courses offered in Houston and Guatemala.

ADMISSION REQUIREMENTS

The application process and admission requirements for the extension programs are the same for all degree programs (see the Admission section of this catalog). Additional information may be obtained by contacting the Admissions office at 800-3-DALLAS (800-332-5527).

Online education at DTS is primarily designed to allow students to take graduate-level credit courses equivalent to the courses offered in the classroom at DTS that may apply toward a degree program at the Dallas campus or any DTS extension. Online courses are ideal for students who wish to continue study while serving on short-term missions trips or to help balance education with life responsibilities, such as work and family. Also, by receiving graduate-level preparation through online courses, students may supplement their current vocations and serve better their families, churches, or communities.

Currently you can complete the Certificate of Biblical and Theological Studies (CBTS) and the Certificate of Graduate Studies (CGS in Chinese) as well as the Master of Arts (Biblical Studies) (MA[BS]) online. Online courses may also apply toward other degree programs within specified residency requirements. Contact the Admissions office or Advising Center for more information.

ELEMENTS OF AN ONLINE COURSE

All of the elements necessary for truly life-changing theological education are present in our online format: instruction from world-class faculty, challenging assignments, and a community experience. Online courses are structured in a very similar format to traditional classroom learning. Courses are arranged in units (usually one to three weeks in length) and students are assigned a series of tasks to accomplish before the end of each unit. These tasks include reading, watching video clips of previously captured lecture material, completing and posting written assignments to the online platform, offering feedback on fellow students' work, and participating in class discussions in an online-forum setting.

Online courses provide flexibility but are not independent studies. They do not meet at a certain time in a given day, but during a given period of days for a particular unit. Like any course, there are due dates for unit tasks. However, there is flexibility for viewing lecture materials within each unit.

TECHNOLOGY REQUIREMENTS

There are three technical requirements for DTS online education. First, you must have access to a high-speed Internet connection to view streaming video segments. Second, you must have access to a computer using a Windows, Mac, or Linux operating system. DTS's online education player will work on most browsers (Google Chrome, Internet Explorer, Firefox, Safari, Opera, etc.). Third, a student must have the current version of Adobe Reader to open PDF documents and the ability to convert documents to PDF in order to submit assignments.

CHINESE ONLINE STUDIES PROGRAM

DTS offers a series of online courses in the Chinese language to the Chinese-speaking Christian global community. This Online Chinese program is designed to train individuals who desire to be equipped for effective ministry in the local church or as a beginning step to pursue a degree program later, without having to leave their ministries, career, or home. On completion of 30 hours of prescribed coursework, the student is awarded the Certificate of Graduate Studies, the Seminary's Chinese-language version of the Certificate of Biblical and Theological Studies (i.e. the CBTS section of this catalog). These 30 hours can be transferred to any degree program.

達拉斯神學院為全球華人基督徒提供一系列的中文網絡課程，其目的是訓練裝備基督徒有效的參與地方教會服事，或是日後繼續修讀碩士學位，修課期間無需離開他們的事工、行業、或家園。修完三十個所規劃的課程學分後，學生可獲得神學研究證書(詳情請參閱本目錄 Certificate of Biblical and Theological Studies 部分)。這三十個學分可被納入達拉斯神學院任何碩士科學位。

SPECIAL PROGRAMS & SESSIONS

JERUSALEM UNIVERSITY COLLEGE

Students in master's-level or doctoral programs may participate in a three-week graduate program in Israel and transfer credits earned to their Seminary program. Students in the CBTS, MA(BS), ThM, and STM programs may transfer up to 4 hours of credit from this university to the Seminary.

Instruction is given by staff and faculty members of universities in Israel. In addition to receiving class-time instruction in archaeology, Bible geography, history of Palestine, and ancient Near Eastern cultures, students spend a portion of their time on field trips in Bible lands.

Additional information on this program may be obtained from the Academic Dean's office.

ISRAEL STUDY PROGRAM

DTS teams with IBEX (Israel Bible Extension) of The Master's College in California to provide an opportunity each summer for students to take a study tour of Israel for Seminary credit. The three-week study tour is team-led by a DTS faculty member and a faculty member from IBEX. Students wanting Seminary credit should register for BE909 Field Study of the Bible in the Registrar's office.

Additional information on this program and other opportunities to study in Israel through IBEX may be obtained from the Bible Exposition office.

DTS PARTNERSHIPS WITH CRU (CAMPUS CRUSADE FOR CHRIST), YOUNG LIFE, AND THE KANAKUK INSTITUTE

DTS and the U.S. campus ministry of **Cru** have partnered to provide training opportunities for full-time Cru staff seeking to enhance their ministry skills through seminary training. The program provides a tuition discount for qualifying full-time Cru staff and provides for the earning of Seminary credit for select courses offered through the Institute of Biblical Studies (IBS). Cru training courses accepted toward the degree programs of DTS are subject to the requirements and limits of the individual degree programs.

DTS also partners with **Young Life** to help in the training of Young Life staff by transferring up to 12 hours of Young Life training courses toward the Certificate of Biblical and Theological Studies program, the Parachurch Ministries emphasis of the ThM degree, or the Parachurch Ministry concentration of the MA/CE degree. The program also provides a tuition discount for qualifying full-time Young Life staff.

The partnership with the **Kanakuk Institute** in Branson, Missouri, a youth-ministry training program associated with Kanakuk Ministries, allows students to receive credit toward the ThM program and the MA/CE degree program, depending on a student's selected ministry emphasis respectively. Students must have satisfactorily completed the one-year Kanakuk Institute program and matriculate into a DTS degree program within five years of graduation from the Kanakuk Institute to be able to transfer credit toward a DTS degree program. DTS offers a tuition discount to any students who are also on full-time staff with any of the Kanakuk ministries.

In addition to the Seminary's Youth Education emphasis in the ThM and the Youth Ministry concentration in the MA/CE program, and in order to provide more flexibility to the Seminary's Cru, Young Life, and Kanakuk Institute partners, a Parachurch Ministries emphasis in the ThM degree program and a 12-hour Parachurch Ministry concentration in the MA/CE degree program were developed. (For specifics

on the Parachurch Ministries emphasis, see the ThM degree program earlier in this section. For specifics on the Parachurch Ministry concentration, see the MA/CE degree program earlier in this section.) These programs provide maximum flexibility for those engaged in or anticipating parachurch ministry and seeking to enhance ministry skills through seminary training. The ThM Parachurch Ministries emphasis and the MA/CE Parachurch Ministry concentration are taken under the leadership of an advisor from either the Educational Ministries and Leadership department or the World Missions and Intercultural Studies department.

Contact the Registrar's office for more information on tuition costs, the specific requirements, eligibility, transfer of courses, and limitations of the Cru, Young Life, and Kanakuk Institute partnership programs.

TEACHERS OF ENGLISH TO SPEAKERS OF OTHER LANGUAGES (TESOL)

TESOL is a certificate program offered by the World Missions and Intercultural Studies department. It equips Christian workers both academically and professionally for teaching English (outside the U.S. public-school system) to speakers of other languages.

Students must complete the following courses to be eligible for the certificate: WM605 General Linguistics (3 hours), WM610 Introduction to TESOL (3 hours), WM615 Methodology and Practice of TESOL (3 hours), SL205 TESOL Internship (1 hour), and WM210 Intercultural Communication (3 hours, also required for MA/CM and ThM Intercultural Ministries Emphasis. WM205 Cultural Dynamics in Ministry or WM325 Ministry in Multicultural America is recommended but not required.

TESOL courses are open to all regularly enrolled students, including nondegree and CBTS TESOL students in the MA/CM program should consult the Educational Ministries and Leadership department before planning and registering for their SL140 MA/CM internships to determine if one hour of SL140 can substitute for the SL205 TESOL internship.

MINISTRY RESIDENCY

To provide more intentional opportunities to integrate classroom instruction with field-based experience within partnering churches and parachurch/mission organizations, DTS is offering ThM and MA/CL students the opportunity to earn Seminary credit for on-site instruction and cohort interactions at select ministry sites. While students in every vocational degree do some type of internship or practicum, this larger block of academic credit will allow students the opportunity to pursue integration at a much deeper level, since their focus during the residency will primarily be in the field.

This intensive learning opportunity is designed as an eight-month residency (two consecutive semesters—Ministry Residency I and Ministry Residency II) with an approved church or parachurch/mission organization during a student's ThM or MA/CL program.

Additional information on this program may be obtained by contacting the Department of Educational Ministries and Leadership.

MINISTRY-ENHANCEMENT PROGRAMS

DTS students may earn academic credit for work done through a variety of ministry-enhancement programs or special conferences and seminars offered through parachurch ministries or local churches. These special learning opportunities may be taken as a foundation for independent study in a student's emphasis or as free electives. Some examples of ministry-enhancement programs in which students have participated as a foundation for independent study are:

- BILD International
- CASA Academy (Christian Association Serving Adults)
- Church Discipleship Ministry through the Navigators
- T-Net (Training Network for Disciple-Making Churches)
- Willow Creek Association's leadership training programs
- Youthfront (formerly Sonlife Ministries)

Students who desire to participate in a ministry-enhancement program for independent study credit must have prior approval from the

department in which they desire to receive academic credit, and must complete the Independent Study Request form available from the Registrar's office prior to registration.

SPECIAL TOPICS

DTS has a more formal relationship with some ministry organizations that provide specialized training for ministry. In such cases, students may participate in these special programs under the 905 Special Topics course found in the different departmental listings of courses in this catalog. These experiences are normally preapproved and require only the submission of the Special Topics approval form available from the Registrar's office.

In most cases, the programs in which students participate for Special Topics credit require additional registration fees. To help offset these additional fees, the Seminary will reimburse the approved organization up to 50 percent of the student's tuition. Most Special Topics programs are offered off-campus, and some are offered at various locations around the United States (or occasionally in other countries). In these cases, students will need to plan for travel costs and living expenses as well.

Following are some of the approved programs through which students may earn Special Topics credit.

The Cranmer Institute: A Center for Anglican Studies

The Cranmer Institute (TCI) at Canterbury House in Dallas, Texas, is a traditional Anglican Studies Center associated with The Episcopal Diocese of Dallas. It serves the Dallas area and

beyond by providing a variety of courses and training programs in classical Anglican studies for both general public and those interested in vocational ministry within the Episcopal tradition. Students interested in these courses may earn elective credit in the Pastoral Ministries department. More information on The Cranmer Institute is available from the Pastoral Ministries Department or at The Cranmer Institute website (www.cranmerinstitute.org).

Cranmer Theological House

The Cranmer Theological House in Houston, Texas, is a graduate-level educational institution associated with the Reformed Episcopal Seminary in Pittsburgh, Pennsylvania. The Cranmer House provides training for those who plan on entering vocational ministry in the evangelical Anglican Church in North America. Students who desire to take courses through Cranmer Theological House must have prior approval from the department in which they desire to receive academic credit. More information is available on the Cranmer House Website at www.cranmerhouse.org.

D6 Conferences

Manarah or Darshan, Christar

Are you investigating the possibility of cross-cultural service among Muslims or Hindus? Held in the greater Detroit area, *Manarah* combines classroom training on Islam, its people and cultures with daily outreach opportunities by seasoned mentors. Taste Arab hospitality while learning how to share with these least-reached people. To focus on reaching Hindus, consider *Darshan* which is held in Chicago. *Darshan* includes classroom studies about Hinduism, its people and cultures. Students also participate in daily guided Hindu community interaction. Don't miss your opportunity to enroll in *Manarah* or *Darshan* to learn how to communicate biblical truth in a culturally relevant way. Special Topics credit for *Manarah* or *Darshan* may be earned in the Department of World Missions and Intercultural Studies. For more information contact the WMIS department or visit the Christar website at www.christar.org/training.

Probe Ministries

Probe Ministries offers a one-week, 2-hour course entitled Communicating Contemporary Apologetics at their offices in Plano, Texas. The course is held in the Pastoral Ministries department or, with departmental approval, in the Theological Studies department. The course is an introduction to key topics in apologetics and worldviews, with emphasis on preparing students to better communicate these topics to other believers. Students learn to apply a Christian worldview to everyday cultural decisions and to defend their faith and decisions in ways that effectively transcend worldview barriers. Students will attend a local one-week Worldview/Apologetics Conference hosted by the staff of Probe Ministries. More information on the Communicating Contemporary Apologetics course is available in the Pastoral Ministries department or by contacting Probe Ministries at (972) 480-0240.

Rural Home Missionary Association’s Town & Country Training (TACT) Program

Rural Home Missionary Association (RHMA) is devoted to planting and strengthening Bible-based, evangelical churches in small-town America. The TACT Program curriculum includes:

- **Ministering in the Town and Country Church**

An overview of ministry in the town and country community and church with an emphasis on understanding the varied types of contexts and how each affects pastoral work and strategy. The town and country culture is experienced as well as studied during the class.

- **Leading the Town and Country Church**

A look at how town and country residents think and the spiritual and social tools required to lead them. The course examines the standard issues of church leadership as they apply to the town and country church. It also touches on the role of the pastor as community leader.

- **Faith Communication in a Town and Country Context**

The oral culture and intimacy of the town and country context present a unique set of circumstances for preaching, evangelism, discipleship, and youth and children’s ministries. This course explores the ways town and country culture impacts and reshapes the common methods and strategies for communicating the gospel.

- **Pastoral Care in a Town and Country Context**

Pastors in isolated settings find themselves facing a large number of pastoral care issues, some unique to the context, with less help than their suburban and urban counterparts have available. This course looks at some of the stresses town and country life places on pastors and their families as well as those in the church, and explores ways pastors can keep themselves spiritually, emotionally, and physically healthy and thereby able to offer pastoral care to others.

- **Seminar in Town and Country Ministry**

Students in this course will research a topic in Town and Country Ministry and present their findings to the class in a collaborative learning environment. The instructor will suggest topics and offer reading lists, and students may suggest topics of special interest.

TACT courses each earn 3 semester hours of credit and may be taken for emphasis or elective credit in the Pastoral Ministries department. All TACT classes are held during the summer at RHMA headquarters in Morton, Illinois. For more information on the TACT Program, see the TACT website at <http://tactprogram.rhma.org>.

Walk Thru The Bible

For more than 30 years, Walk Thru The Bible, a ministry founded by DTS graduate Bruce Wilkinson, has created discipleship materials that reach millions of people all over the world. Their live Bible seminars are highly interactive and scripturally sound overviews of the Old and New Testaments. Students may participate in the Walk Thru the Old Testament and the Walk Thru the New Testament live seminars and earn 1 hour of elective academic credit in the Bible Exposition department for each seminar. More information on the Walk Thru The Bible seminars is available from the Bible Exposition department or online at www.walkthru.org.

Young Life

DTS partners with **Young Life** to help in the training of Young Life staff by transferring up to 12 hours of Young Life training courses toward the Certificate of Biblical and Theological Studies program, the Parachurch Ministries emphasis of the ThM degree, or the Parachurch Ministry concentration of the MA/CE degree. The program also provides a tuition discount for qualifying full-time Young Life staff.

Additional information on these and other ministry-enhancement opportunities not listed here, as well as information on policies and procedures governing Independent Studies and Special Topics courses, may be obtained from the Registrar's office.

ANNUAL CONFERENCES AND LECTURESHIPS

The Nathan D. Maier Memorial Series in Bible Exposition features outstanding Bible expositors with significant experience in Christian ministry. The series honors Nathan D. Maier, a Christian businessman and layman whose life reflected the character of Jesus Christ as he modeled servant-hearted leadership. (For a complete list of conference titles and speakers, see the General Information section of this catalog.)

The Missions and Evangelism Lectureship brings to campus missions executives, evangelists, and theologians to speak on issues pertaining to missions and evangelism. The speakers are recommended by the Department of World Missions and Intercultural Studies. (For a complete list of conference titles and speakers, see the General Information section of this catalog.)

The World Evangelization Conference (WEC) allows students to interact with outstanding missionaries and missions executives representing many mission boards and ministry contexts. The purposes of the conference are to introduce students to the spiritual needs of the world, confront them with the challenge of missionary service, and enlarge their missionary concern.

The Spiritual Life Conference is designed to challenge and encourage students in their spiritual walk.

The W. H. Griffith Thomas Memorial Lectureship was created in memory of William Henry Griffith Thomas, who helped found DTS. The academic divisions alternate in inviting speakers

who are capable of insightful analysis of contemporary issues germane to the division. (For a complete list of conference titles and speakers, see the General Information section of this catalog.)

SUMMER SCHOOL

In addition to the two-semester academic year, DTS conducts summer sessions that offer a diversified curriculum during a 13-week period. The Certificate of Biblical and Theological Studies program and the Master of Arts (Biblical Studies) can be completed during Summer School.

Summer School dates are listed in the Academic Calendar. Summer School schedules for the upcoming year are published in late fall. Inquiries about application should be addressed to the Admissions office.

All coursework for summer classes must be completed within the time frame in which the class is offered. (The professor may extend the due date until the end of the week following the end of the course at his or her discretion.)

WINTERSESSION

DTS offers a variety of courses each year in the recess period between fall and spring semesters. The Wintersession courses are held in the one- or two-week period immediately before the spring semester begins. All coursework must be completed within one week of the end of the Wintersession.

EVENING AND WEEKEND COURSES

DTS offers a number of evening and weekend courses during the fall, spring, and summer terms. These courses offer those with full-time jobs or other daytime obligations an opportunity to pursue graduate-level biblical and theological education. Courses apply to several of DTS's degree programs. The Certificate of Biblical and Theological Studies program and the Master of Arts (Biblical Studies) can be completed during evenings and/or weekends.

Interested students may contact the Registrar's office for information on evening and weekend courses offered in any given semester.

ADMISSION

If you are considering DTS, we encourage you to come and visit us. We host several on-campus events throughout the year called *Day at DTS*. These events are designed to give prospective students a good feel for what life is like at the Seminary. Visit our website at www.dts.edu/admissions or contact the Admissions office about these events or to schedule a campus visit.

DTS enrolls men and women who:

1. show evidence of saving faith in Christ,
2. are of proven Christian character,
3. are endowed with appropriate spiritual gifts, and
4. adhere to the following doctrines:
 - the authority and inerrancy of Scripture,
 - the Trinity,
 - the full deity and humanity of Christ,
 - the spiritual lostness of the human race,
 - the substitutionary atonement and bodily resurrection of Christ,
 - salvation by faith alone in Christ alone, and
 - the physical return of Christ.

As an applicant you will be evaluated on the basis of (1) your academic records, (2) the assessment of your references, (3) the extent and quality of involvement in Christian service, and (4) your apparent gifts and potential for placement in Christian ministry.

The Admissions Committee also will consider compatibility of ministry goals with the applicant's intended Seminary program of study; future ministry placement; emotional, financial, and personal stability; and issues of character, behavior, and lifestyle. Applications are evaluated upon receipt of all necessary information. All new students are subject to a criminal background check.

While all degree programs at DTS are coeducational, the Seminary holds the position that Scripture limits to men the roles of elder and senior pastor in the local church. Therefore the Seminary programs of study are not designed to prepare women for these roles.

Enrollment is based on a four-year bachelor's degree, or its equivalent, conferred by an accredited college or university. Exceptions to this requirement are necessarily limited. When accepted, graduates of unaccredited institutions are placed on academic probation for their first year at DTS. This probation is removed after one year of satisfactory progress toward their degree (2.0 or above GPA).

APPLICATION PROCEDURES

Applicants for all programs, including audit-only, must make formal application through the Admissions office. Applications may be submitted by completing the online application on the Seminary's website, www.dts.edu/apply.

You may review the status of your application at any time on the Admissions webpage at www.dts.edu/apply. A personalized identification number will be given to you when your application is submitted. We urge applicants to apply four to eight months before the anticipated enrollment date, but no earlier than

15 months before that date. All application items must be received by the Admissions office no later than the following dates: for the fall semester, July 1; for the Wintersession/spring semester, November 1; and for Summer School, April 1. International applicants should submit all documents no later than three months before the start of their study. (Applications, except those for international students, may be submitted after the above deadlines; however, priority will be given to applications received before the deadline.)

If you need financial aid, you should submit your application early, since scholarship applications are not considered until applicants are accepted for admission. (Please see the Financial Aid section for scholarship application dates.) International applicants desiring to be considered for scholarship for the fall semester must submit the completed application, including Test of English as a Foreign Language (TOEFL) scores, and be approved by the Admissions Committee by January 15.

APPLICATION CREDENTIALS

There is a nonrefundable application fee of \$50 if applying online. The following credentials must be submitted.

- 1. Personal/character references from three individuals.** One must be from a pastor. The second should come from a college professor (if currently enrolled in college or recently graduated) or businessperson (supervisor, coworker, or an employer). When an applicant includes the reference's email on the online application, a reference can submit his or her information electronically. References cannot be related to the applicant.
- 2. A completed "Substitution of Church Relationship" form from the applicant's church.** The form should confirm the applicant's membership or regular participation in good standing. In addition, the form should endorse the applicant's potential for effective ministry and describe the length and kind of ministry involvement. (Note: This is in addition to the reference from a pastor and can be completed online by the church if an email address is provided.)
- 3. Demonstration of English proficiency.** Applicants for whom English is not their native or birth language must submit a score for the TOEFL. This applies even to applicants who are U.S. citizens or permanent residents. (See "International Students" in this section for further information.)

4. Official transcripts from all colleges and universities attended. This includes work beyond the bachelor's level. Transcripts are not required for schools where less than 12 hours were taken. Final approval for admission is contingent on receiving an official transcript verifying conferral of the qualifying degree. An official transcript is one issued by the college and sent by the school's registrar in a sealed envelope.

5. Assessment test scores. Certain applicants are required to submit results of assessment tests to supplement their undergraduate academic record. Assessment test scores are required as evidence of academic aptitude when (1) the preseminary GPA is less than 2.5 on a 4.0 scale, or (2) the applicant does not hold a bachelor's degree from an accredited institution. Scores on either of two assessments can be used for this purpose: the Graduate Record Examination (GRE) or the Miller Analogies Test (MAT).

The GRE General Test is administered across the United States and Canada. You can obtain information concerning this examination from the Educational Testing Service at www.gre.org. The institutional code for reporting scores to the Seminary is R6156.

The MAT is administered at colleges and universities throughout the United States. You can obtain information on this exam by reading the information available at www.milleranalogies.com. You may contact the Admissions office to discuss which exam to take.

PRESEMINARY PREPARATION

DTS recognizes the importance of a broad educational foundation. A bachelor's program that includes work in the humanities, sciences, English grammar and composition, literature, speech, logic, and history gives students discipline and general information helpful for theological study and the work of the ministry.

NONBACCALAUREATE ADMISSION

Applicants who lack the prerequisite college degree may apply for admission to the ThM, professional MA programs (Biblical Counseling, Biblical Exegesis and Linguistics, Christian Education, Christian Leadership, Cross-cultural Ministries, or Media Arts and Worship), or the Certificate of Biblical and Theological Studies.

Admission of students without bachelor's degrees is highly selective. Qualifications considered include maturity, educational background, ministry experience, and vocational goals. Applicants must be at least 30 years of age, and preference is given to those who have the most qualifying educational background. Applicants are expected to take and achieve acceptable scores on the GRE or MAT assessment test to demonstrate their readiness for graduate-level study.

ENTERING STUDENT ORIENTATION

Orientation is designed to help entering students adjust to Seminary by providing necessary information about the many facets of Seminary life and coursework. This time also allows new students to get to know one another and faculty members. Students should attend the Entering Student Orientation held just prior to the semester in which they enter. Students entering in the summer should attend the fall orientation.

Among other mandatory testing for entering students (see assessment checklist on Campus-Net), the Minnesota Multiphasic Personality Inventory (MMPI) is administered as part of orientation activities. The MMPI assists Student Services and Counseling Services in assessing whether some students may have personal struggles that, if not addressed, could

be detrimental to their Seminary experience or future ministries. (See the Student Handbook or contact Student Services for further details.) Students unable to attend orientation still must complete the MMPI exam. Please contact Student Services for more information.

ACADEMIC AND CULTURAL ORIENTATION FOR INTERNATIONAL STUDENTS

The Seminary has developed a course for the purpose of orienting incoming international students to DTS's academic standards and culture as well as American culture. This course is required for all international students regardless of their English background. Please contact the International Student office for more information.

Topics include:

- academic writing and communication
- research technology and bibliographic software
- research methods and critical evaluation

This course, which is offered by the Department of World Missions and Intercultural Studies, provides the foundation for ongoing mentoring and advising of international students throughout their time at DTS.

TEAM ADMISSIONS

CLASSIFICATION OF STUDENTS

REGULAR STUDENTS

Students enrolled in degree programs (MA, ThM, STM, DMin, or PhD) are classified as regular students. Continuation as a student depends on satisfactory progress toward graduation.

NONDEGREE STUDENTS

A limited number of applicants may be admitted as nondegree students. Academic and spiritual qualifications necessary for regular student admission are the same for nondegree students. Application procedures are also the same, but some credentials are not required (see the instructions that accompany the application).

A maximum of 30 credit hours may be taken by nondegree students or by students in the Certificate of Biblical and Theological Studies program. All standard prerequisites apply when enrolling in courses.

Nondegree students are not to be confused with students auditing a course (see the following section). Course-work requirements for nondegree students are the same as for degree students. Nondegree and degree students are expected to do the coursework, which is graded, and upon satisfactory completion of the work they receive credit for the course. The credit is transferable to a degree program at DTS or another graduate-level institution if it satisfies the curriculum requirements.

STUDENTS AUDITING A COURSE

Any current student (regular or nondegree) may audit a course, as long as that course is not required for completion of the student's program. Students enrolled as credit students may audit a course at a reduced rate. When at least 75 percent of audit courses are attended, audits are recorded on the transcripts of regularly admitted students. Alumni may audit courses as nondegree students at a reduced rate.

Spouses of resident credit students currently enrolled in a regular Seminary degree program may audit up to three courses a semester or three courses a summer for a nominal charge. Spouses of students enrolled in the Alumni-in-Residence program are also eligible to audit courses at the spouse-audit rate. Spouses who audit must complete a brief form in the Advising Center and pay the audit fee. No permanent record is kept and no transcript is issued.

Audit students can participate in the class discussions and receive copies of handouts, but coursework and examinations are not assigned or graded, and academic credit is not given.

Courses may be audited in Summer School under the same conditions as in the regular academic year.

SPECIAL STUDENTS (NONDEGREE)

A student pursuing a degree at another accredited seminary or graduate school may apply to enroll as a nondegree special student to take one or two classes. Contact the Admissions office for further information.

TRANSFER OF CREDIT

Course credits with a minimum grade of C earned at other accredited seminaries and graduate theological schools are accepted to the extent that the courses are comparable to the Seminary's stated requirements.

The following number of semester hours may be transferred:

- a maximum of 60 hours toward the ThM degree;
- a maximum of 6 hours toward the STM degree and the CBTS;
- a maximum of 30 hours toward the MA in Christian Education, the MA in Christian Leadership, the MA in Cross-cultural Ministries, the MA in Media Arts and Worship, the MA (Biblical Exegesis and Linguistics), and the MA (Biblical Studies); or
- a maximum of 45 hours toward the MA in Biblical Counseling, including a maximum of 12 hours in counseling courses.

No more than half of the credits earned toward a graduate degree at another institution may be transferred to a DTS degree program. Typically, course work more than ten years old is not eligible for transfer

An official transcript from the institution attended showing satisfactory course completion is required. Transfer hours are not accepted for nondegree students except for those enrolled in the Certificate of Biblical and Theological Studies program. Transferability of credits earned at DTS is at the discretion of the receiving institution. (See www.dts.edu/transfercredit for more information.)

ADVANCED STANDING

Students entering DTS with a strong background in Bible or theology may choose to pursue advanced standing. Advanced standing is a curricular adjustment based on a student's demonstrated competency. In most cases this competency is gained from courses taken at an approved Christian university, Bible college, or parachurch ministry. Two types of advanced standing are available at DTS: substitution and reduction of credit hours.

SUBSTITUTION OF CREDIT HOURS

Students may qualify to substitute required or core courses with more advanced courses but with no curricular reduction of degree program credit hours.

A student who desires to pursue course substitution must interview with a faculty member from the department relevant to each course. The faculty member will assess the student's competency and recommend an appropriate substitute course.

REDUCTION OF CREDIT HOURS

Students may qualify to reduce their degree program credit hours by up to one-fourth (except for CBTS, STM, and doctoral degrees) based on a current demonstration of competency. Reduction of credit hours can occur in three ways:

Course-by-course

Students may qualify to reduce degree program credit hours on a course-by-course

basis using diagnostic tools similar to those used to assess competency gained in a DTS course (i.e., exam). Course-by-course advanced standing (except for biblical language) is available to a student before the end of his or her first year of study at DTS. Course-by-course advanced standing for biblical language (i.e., NT and OT) is available to a student at any time during his or her course of study provided the student has not taken a class in that language at DTS.

Customized (for distance education students)

Customized advanced standing is a curricular reduction of a degree program determined by the assessment of a student's competency in predetermined segments of a degree program. Through customized advanced standing, Master of Theology students can reduce their program by up to 15 credit hours. Master of Arts students can reduce their program by up to 9 credit hours. Additional reduction can occur through course-by-course advanced standing, however any combination of customized and course-by-course advanced standing cannot exceed one-fourth of a degree program's credit hours. Customized advanced standing is only available to distance education students before they begin classes at DTS.

Accelerated (for Dallas-campus students)

Accelerated advanced standing is a curricular reduction of a degree program determined by the assessment of a student's competency in predetermined segments of a degree program and conditioned on satisfactory completion of specially designed accelerated courses offered on the Dallas campus.

Through accelerated advanced standing, Master of Theology students can reduce their program by 30 credit hours. Master of Arts students can reduce their program by 16 credit hours. Accelerated advanced standing is available only to Dallas-campus students before they begin classes at DTS.

For more information about advanced standing see www.dts.edu/advancedstanding.

INTERNATIONAL STUDENTS

Dallas Theological Seminary is enriched by the presence of more than 100 international students from nearly 35 foreign countries.

International applicants whose native or birth language is not English are required to demonstrate their proficiency in English by submitting satisfactory Test of English as a Foreign Language (TOEFL) scores taken within two years of the date of application. This applies even if the applicant is a U.S. citizen, has attended American or English-speaking colleges and universities, and is a longtime resident of English-speaking countries.

The minimum score on the Internet-based TOEFL (IBT) is 85, with subscores of 22 in the Listening and Speaking sections, 19 in the Writing/Structure section, and 21 in the Reading section. The minimum score on the paper-based TOEFL (PBT) is 575, with subscores of at least 56 in each of its three sections. Information about the TOEFL may be obtained at www.toefl.org or www.ets.org/toefl. The TOEFL institution code for DTS is 6156. DTS also accepts scores on the International English Language Testing System (IELTS) exam. The minimum overall score accepted by DTS is 6.5, with subscores of 6.5 in Listening, Reading, and Speaking and 6.0 in Writing.

International applicants, like other students, must submit the nonrefundable application fee of \$50 if applying online. The application fee must be paid with funds drawn on an American bank, a money order in U.S. dollars, U.S. credit card over the phone, or traveler's check. Occasionally applicants have a contact in the U.S. that will pay the fee on their behalf. No application will be processed until this application fee is received.

International students must show evidence of financial documentation for the first 12 months of study and show a plan of support for the length of their program. Documentation can be in the form of bank statements, which

show the current balance and the average balance during the past three months. Family or friends who provide financial support must sign a financial pledge form and return it, along with bank statements from the past three months, to the International Student Office. (Pledges for students are not tax-deductible.)

The documents needed to apply for a student visa will not be issued until proof of financial support has been shown. All documents must be submitted at least one month prior to the anticipated date of enrollment. For a current estimate of tuition and living expenses, please visit the International Admissions website: www.dts.edu/ais.

A very limited number of tuition scholarships are available for international students each year. Application forms are distributed and processed by the Financial Aid Office and can be obtained online. For a student to be considered for scholarship, his or her application for admission must be approved by the Admissions Committee by January 15.

International students must be in Dallas for the International Student Orientation, which is held the week prior to the Entering Student Orientation.

DISCLAIMER FOR TRANSFERABILITY OF CREDIT

The mission of DTS is to glorify God by equipping godly servant-leaders for the proclamation of His Word and the building up of the body of Christ worldwide. This unique mission may limit the transferability of DTS courses to other educational institutions. Students should be aware that transfer of credit is always the responsibility and prerogative of the receiving institution. Any student interested in transferring credit hours should check with the receiving institution directly to determine to what extent, if any, credit hours can be transferred.

ACADEMIC PROCEDURES

REGISTRATION

Students cannot be admitted to classes without formal registration, which takes place around the middle of the preceding fall or spring semester, while late registration continues into the beginning of the semester. Priority enrollment will be given to students graduating that year. Without special approval, a student cannot receive credit for a course added after the first week of the semester.

Summer School registration of resident students occurs at the same time as registration for the following fall term.

A late fee is assessed if registration is completed after the published deadline. New students have two weeks from the time they are admitted to register without paying late fees. Students registering late run the risk of courses or sections being filled or canceled. Space in class and availability of textbooks are not guaranteed for those who fail to register on time. Final dates for late registration and other deadlines are published by the Registrar's office.

INDEPENDENT STUDY

Students may complete a portion of the following graduate-level programs by independent study:

- ThM—up to 18 hours of elective credit;
- MA—up to 12 hours of elective credit; or
- CBTS and STM—up to 6 hours of elective credit.

Independent study in required courses is not available without special approval. For more information contact the Registrar's office.

ACADEMIC LOAD

Students may earn up to 18 hours of credit each semester, including the summer session. Students taking a language course in a five-week summer session are encouraged not to take additional courses during the same session due to the heavier workload in language courses.

COURSE PAPERS

Unless otherwise specified by the professors in individual courses, all course papers and theses must be typewritten and in thesis form in conformity to the standards outlined in *A Manual for Writers of Term Papers, Theses, and Dissertations*, 8th ed. by Kate L. Turabian, and supplemental instructions as authorized by the faculty.

GRADUATION REQUIREMENTS

Students are responsible for meeting the graduation requirements set forth in the catalog at the time of their acceptance. Students who leave the Seminary for more than one year are automatically withdrawn from school. If reinstated, students are subject to the graduation requirements set forth in the catalog.

at the time of their reinstatement, unless written permission was obtained before the extended leave. Students who reclassify are also subject to the graduation requirements set forth in the catalog at the time of their approved reclassification. (See the Student Handbook regarding reclassification to another degree program.)

DEGREE CONFERRAL

While the graduation ceremony is held only once a year in May, degrees are conferred in May, August, and January. Students who finish during the summer session will receive degree conferral in August. However, they are encouraged, if they desire, to participate in the May commencement ceremony preceding the summer in which their work will be completed. Those who complete their degree requirements in December will be able to participate in the commencement ceremony held the following May. Students unable to complete their work in the spring, summer, or fall may be required to pay a fee to postpone their graduation date and cover costs related to the postponement.

ACADEMIC DISCIPLINE

Students whose grade point average (GPA) falls below a 2.0 (2.5 for STM) are given an academic warning. If the GPA falls below this level again, the student is placed on academic probation. Students who are admitted from unaccredited colleges or with a low grade point average (2.0) are also placed on academic probation. For further details see the Student Handbook.

SUBSTITUTION OF COURSES

Students may qualify to substitute required or core courses with more advanced courses but with no curricular reduction of degree program credit hours.

A student who desires to pursue course substitution must interview with a faculty member from the department relevant to each course. The faculty member will assess the student's competency and recommend an appropriate substitute course.

For more information about advanced standing see www.dts.edu/advancedstanding.

GRADING SYSTEM

The Seminary follows a 4.0 grading scale as outlined in the Student Handbook.

FEES AND EXPENSES FOR 2015-2016

Every effort is made to keep student expenses as low as possible. Because of the contributions of generous friends of the Seminary, students pay only a portion of the real cost of their education.

The tuition and fee rates that follow are effective beginning with the fall 2015 semester. Tuition, fees, and refunds are subject to change without notice.

Payment on student accounts must be received or fully covered by other means by the designated payment deadline of each semester. Deadlines are announced during the academic year, but are normally in the following months: August for the fall semester, November for Wintersession, December for the spring semester, and April for Summer School. After the designated payment deadline for a semester, payment is due the Friday after registering for a class(es). Deadlines are subject to change.

Tuition and fee payments can be made by cash, paper check, electronic check (echeck), or credit card. Credit card payments (American Express, Discover Card, Visa, and MasterCard only) are made online on Campusnet. A nonrefundable convenience fee for credit card use will apply.

A monthly payment plan is also available. For more information regarding payment plans, please consult the information about Tuition Management Systems Payment Plan (TMS) in this catalog, or you may go to www.dts.edu/tms.

For more information on the payment options available, please go to www.dts.edu and search for payment options.

FINANCIAL AID

The Seminary's student financial aid program, including scholarships, loans, and a payment plan, offers students realistic opportunities to finance their education. The amount of scholarship available to students has increased in recent years—total aid available now exceeds \$3.1 million.

Students become eligible to apply for need-based scholarships after submitting an application or being accepted for admission to the Seminary. Students will be able to submit the application form digitally from CampusNet. Other documents may be required depending on the type of aid requested. The scholarship application deadline is two months before the application for admission deadline; thus, new students who intend to apply for scholarship should plan the admission process accordingly.

For continuing students, applications for need-based scholarships must be submitted by February 28 for the fall semester and September 30 for the spring semester. Applications for new students must be submitted by May 1 for the fall semester and November 1 for the spring semester. All international student scholarships are awarded on an annual basis only and are due January 31 to be considered for the following academic year.

Financial aid is distributed as tuition scholarship grants. Financial need is the primary criterion for the distribution of institutional aid. Secondary criteria include academic program, academic load, and academic performance. Applications for scholarship are reviewed by the Director of Financial Aid and the Financial Aid Committee.

ELIGIBILITY

To be eligible for scholarships, a student must have financial need, be employed, have a minimum 2.5 GPA, be in good standing, and not be in default or delinquent on any account or loan program with the Seminary.

In addition, recipients must register each semester for at least:

- 12 hours on the Dallas Campus or 9-11 hours if working full-time (30 hours/week)
- 6 hours on the Houston Campus
- One class onsite at another extension campus.

Online-only students may receive scholarship assistance if they are taking 12 or more credit hours *and* are working part time, or if they are taking a 9–11 credit hours and are working *full time* (30+ hours/week). For more information, contact the Financial Aid office.

If you receive a scholarship through the Seminary and also receive additional outside assistance, you must report this immediately to the Financial Aid office. Name and address changes and changes in academic course load also must be reported.

DETERMINATION OF FINANCIAL AID

After receiving the need-based scholarship application form, the Financial Aid office will determine students' needs and the types of awards for which they qualify.

Financial need is determined by calculating the difference between the cost of attending the Seminary and the resources available to

the student. Therefore, financial need equals the cost of attendance minus student contribution and outside resources.

Students are expected to contribute toward the cost of their education from summer earnings and from employment during the academic year. Financial Aid personnel are available to counsel students about their educational financial situations.

DIRECT LOAN PROGRAM

The Seminary participates in the Direct Loan Program. It provides limited funds at a low interest rate and delayed repayment schedule to eligible students. The interest (on subsidized loans borrowed prior to Fall 2012) and principal repayments are deferred as long as the student remains on at least half-time status in an approved degree program. Nondegree students are not eligible for direct loans.

Students may apply for an unsubsidized Direct Loan where interest payments can be made monthly, or capitalized per a designated period of time.

To apply for a Direct Loan the student must submit a Free Application for Federal Student Aid (FAFSA) to the Department of Education. The FAFSA may be completed online at <http://www.fafsa.ed.gov>. It is used to determine financial need. Once processed by the Department of Education, a Student Aid Report (SAR) will be available. The school code for DTS is G03562. Entering the school code on the FAFSA application will ensure that student information will be sent electronically to DTS. In addition to the SAR, a Master Promissory Note and a Loan Request Form are required to process a Direct Loan. Forms are available online at www.dts.edu/financialaid. Then choose "Direct Loans."

To ensure that loan funds are available for the student's payment deadline, all documents must be received in the Financial Aid office by May 31 for the fall semester, November 1 for the spring semester, and April 1 for the summer semester.

The Director of Financial Aid is available to assist students and their families by providing advice and suggestions suitable for their financial status. For more information on the specific forms of financial aid available, contact the Financial Aid office at 800-DTS-WORD, ext. 5087.

STUDENT RESPONSIBILITIES

The student has the following responsibilities:

1. Complete the application for student financial aid accurately as errors can result in long delays in the receipt of financial aid. Intentional misreporting of information on application forms for federal programs is considered a criminal offense subject to penalties under the United States Criminal Code.
2. Return to Financial Aid and/or the Department of Education all requested documentation, verification, corrections, and/or new information.
3. Read, understand, and keep copies of all forms requiring a signature.
4. Accept responsibility for all signed agreements.
5. Notify the servicer of any change in name, address, or school status.
6. Know and comply with deadlines for application and reapplication for aid.
7. Know and comply with attending school's refund procedures.
8. Maintain good standing and satisfactory academic progress.

SATISFACTORY ACADEMIC PROGRESS

A student is required to make satisfactory progress toward his or her degree in order to be eligible for scholarship and federal financial aid. Students must maintain a 2.5 GPA for scholarship and a 2.0 GPA for federal loans, without excessive course drops.

A minimum number of hours must be completed each year to be considered making satisfactory academic progress.

- Students in the MA/CE, MA/CL, MA/CM, MA/MW, MA(BEL), MA(BS), and MA(CE) must complete a minimum of 10 hours per academic year.
- Students in the MA/BC must complete a minimum of 13 credit hours per academic year.
- Students in the ThM must complete a minimum of 16 credit hours per academic year.
- Students in the STM must complete a minimum of 12 credit hours per academic year.
- Students in the doctoral programs must complete a minimum of 6 credit hours per academic year.

INDEPENDENT STATUS

The federal government considers anyone who is a graduate student an independent student.

PHYSICAL DISABILITIES

Students who have physical disabilities should contact the Texas Rehabilitation Commission regarding financial aid. Students with disabilities may also be considered for financial assistance by the Financial Aid office, provided the necessary forms have been submitted..

DIRECT LOAN REFUND POLICIES

Currently the only Title IV aid funds DTS awards are the Direct Loan unsubsidized loans. When a student withdraws from DTS before completing 60% of the semester, the student has not “earned” all of the federal financial aid and a Return of Title IV Funds Calculation must be performed.

The Department of Education mandates that students who withdraw from all classes may only keep the portion of federal aid they have “earned” up to the time of withdrawal.

Title IV funds disbursed in excess of the earned amount must be returned by the Seminary and/or the student to the federal government. This situation could result in the student owing aid funds to the Seminary, government, or both.

The following steps will be followed when determining the amount of Title IV federal aid to be returned upon withdrawal:

1. Determine percentage of enrollment period completed by student. Divide the number of days attended by the number of days (less any schedule breaks of five days or more) in the enrollment period.
2. Calculate the amount of earned Title IV aid. Multiply the percentage of the enrollment period completed by the total Title IV aid disbursed. If the calculated percentage of the enrollment period exceeds 60%, then the student has earned all Title IV aid for the enrollment period.
3. Determine amount of unearned aid to be returned. Subtract the amount of earned aid from the total amount of federal aid disbursed.
4. Return of Title IV funds by institution and student:

Amount of Unearned Aid Due from the School: DTS will return unearned Title IV aid up to an amount that is equal to the total

institutional charges for the payment period multiplied by the percentage of the Title IV aid that was unearned. The return of the unearned aid will be returned as soon as possible but no later than 45 days after the date DTS determined the student withdrew.

Amount of Unearned Aid Due from the Student:

The student’s portion of aid to be returned is not immediately required to repay the loan. The terms of the original loan repayment agreement (Master Promissory Note, MPN) will apply.

Unearned Title IV Funds will be returned to the unsubsidized federal direct loan program.

Postwithdrawal disbursements will be made as soon as possible but no later than 180 days after the date the school determines the student withdrew and in accordance with requirements for disbursing Title IV funds.

Written notification to the student providing the opportunity to accept all or part of a postwithdrawal disbursement of Title IV loan funds will be sent within 30 days of the school’s determination that the student withdrew.

Written notification of the student’s eligibility for a direct postwithdrawal disbursement of Title IV loan funds in excess of outstanding current (educational related charges) will be sent within 30 days of the school’s determination that the student withdrew.

Postwithdrawal disbursement to student for earned Title IV funds in excess of outstanding current (educational related) charges will be made as soon as possible after the date the school determined the student withdrew but no later than 180 days.

Notification to the student of outcome of late request for a postwithdrawal disbursement to the student (request received by school after the specified period and school chooses not to make disbursement) will be made as soon as possible.

If a student withdraws from all classes, the student is encouraged to contact the Financial Aid office before doing so. The consequences of withdrawing from all classes can be explained at that time. When a student withdraws from all classes, a balance due to DTS could result because of lost scholarships and unearned aid being returned.

The Seminary reserves the right to amend the Title IV Return of Funds Policy at any time in order to comply with Federal regulations.

TUITION MANAGEMENT SYSTEMS PAYMENT PLAN (TMS)

The Seminary recommends that entering students come with sufficient funds for at least one semester. For students who are unable to pay their expenses in full, financing in the form of a monthly payment plan with no interest for tuition and fees is available at the time of registration.

Students must apply for TMS online (www.afford.com) or call TMS (800-722-4867) prior to the semester they plan to attend. Enrollment fees do apply. Please note that fees are subject to change. More information about monthly payment plans is available online at www.dts.edu/financialaid. Questions regarding the monthly payment plan should be directed to the bursar in the Advising Center.

SCHOLARSHIPS

DOCTORAL STUDENT SCHOLARSHIPS

Doctoral scholarships are available for students in the Doctor of Philosophy program who meet the scholarship criteria. For a listing of the available scholarships and eligibility requirements, see the General Information section of this catalog.

MINORITY STUDENT SCHOLARSHIPS

DTS provides a significant amount of aid each year to qualified American-born minority students. Minority students are required to reapply each semester that aid is needed using the standard financial aid application form. Applications for aid are reviewed by the Financial Aid Committee. For a listing of the available scholarships and eligibility requirements, see the General Information section of this catalog.

INTERNATIONAL STUDENT SCHOLARSHIPS

International students may apply for tuition scholarships and on-campus employment. To be considered for aid, incoming students must be approved for enrollment in a regular program of study and pursue study under the F-1 or J-1 (student) visas. New international applicants who will require aid are encouraged to file their applications by January 31, as all international aid is assigned by March 31 for the following academic year. International

applicants should be aware that competition for available scholarships is heavy and that grants are made only to the most highly qualified candidates, with respect to ministry experience, ministry potential, support from a sponsoring organization, and academic background. Applications for aid to international students are reviewed by the Financial Aid Committee. Students who are awarded an international scholarship should be aware that acceptance of a tuition scholarship obligates them to leave the United States upon completion of their program. For a listing of the available scholarships and eligibility requirements, see the General Information section of this catalog.

GENERAL SCHOLARSHIPS

General scholarships are available to students who do not meet the criteria for other scholarships. Applications for aid are reviewed by the Director of Financial Aid and the Financial Aid Committee. For a listing of the available scholarships and eligibility requirements, see the General Information section of this catalog.

CONTINUATION OF SCHOLARSHIP

Scholarships must be approved each semester. Students who postpone enrollment must reapply for scholarship for the semester they plan to attend. Current students are required to reapply each semester that aid is needed.

OTHER SOURCES OF FINANCIAL AID

Additional financial aid is available through veterans' benefits, foundation grants, denominational support, employers, and nonprofit organizations. For a listing of the available scholarships and eligibility requirements, see the General Information section of this catalog.

STUDENT LIFE

DTS cares deeply about its students. Training you for future ministry involves ministering to you and encouraging you to minister to each other. You will find the atmosphere and programs on our campus conducive to building authentic community within the body of Christ.

SPIRITUAL DEVELOPMENT

At DTS, you have many opportunities for personal interaction and growth—in class, in chapel, in prayer, and in fellowship—that develop your growing passion for ministry.

CHAPEL

The administration and faculty strongly believe in the vital role of chapel and its ministry of encouragement, worship, and community development. DTS provides chapel services for students each week on Tuesdays through Fridays, during the fall and spring semesters, and each Wednesday morning during Summer School. Chapel services feature music and messages by faculty members and other Christian leaders as well as student-led chapels. Prayer needs, campus announcements, and items of general interest are also shared during this community time of rest, relief, and renewal. (See the Student Handbook for chapel attendance requirements.)

PRAYER CHAPELS

Students and faculty come together several days each semester for special times of prayer in chapel.

MILLER PRAYER CHAPEL

Located next to the Dining Commons in the Mitchell Ministries Center, the Miller Prayer Chapel is available to the Seminary family for personal prayer.

SPIRITUAL FORMATION

Spiritual Formation at DTS is an intentional attempt to provide a context for life-change. These groups provide an environment for prayer, fellowship, and the intergration of learning with ministry. As group members grow together in character and spiritual maturity, significant friendships and ministry partnerships are established that often last a lifetime. Spiritual Formation is required of ThM, MA/CE, MA/CL, MA/CM, MA/MW, MA(BEL), MA(BS), and MS(CS) students and is offered as an elective in other programs. Students on the Dallas campus or at the Houston Campus site should plan to complete this requirement in four consecutive fall/spring semesters. MA(BEL) and MA(CS) students participate in a specialized Spiritual Formation program. Spiritual Formation is a prerequisite for all Servant Leadership Internships. See the Educational Ministries and Leadership department section of this catalog for more information.

STUDENT SERVICES

DTS provides a variety of resources to students and their spouses. Whether it's social events, ongoing conversations, campus involvement, or crisis counseling, Student Services always has an open door and a listening ear. Come on in!

COUNSELING AND TESTING SERVICES

The Counseling Services department offers short-term counseling assistance to students, staff, faculty, and their immediate families. The director of Counseling and Testing Services maintains a referral network of counselors who work from a biblical foundation within the local community, and can also provide professional counseling services to the Seminary family.

CHRISTIAN MINISTRY OPPORTUNITIES

The Dallas/Fort Worth Metroplex offers a variety of opportunities for students to apply what they are learning in the classroom. Many churches and parachurch organizations welcome students to teach Sunday School, lead youth groups, and minister in other ways. Students are often able to fulfill their internship requirements while ministering at these churches and organizations. (See the Educational Ministries and Leadership department section of this catalog for more information about internship requirements and opportunities.)

STUDENT COUNCIL AND GROUPS

DTS hosts several student groups that provide fellowship and resources for different student interests within the Seminary. While the list of official student groups may change from year to year, below are listed a few of the long-standing communities.

STUDENT MISSIONS FELLOWSHIP (SMF)

Student Missions Fellowship exists to advance student involvement in God's global enterprise of missions. SMF hosts prayer meetings,

special events, and chapels, and encourages students to participate in Intercultural Ministries Internships. Each spring, SMF organizes a campus-wide World Evangelization Conference to show students how they can serve Christ in a global context.

SEMINARY WIVES IN MINISTRY (SWIM)

Seminary Wives in Ministry exists to equip wives to become competent servants alongside their husbands in ministry, and provides several programs and special events throughout the academic year to facilitate this preparation.

WOMEN STUDENTS FELLOWSHIP (WSF)

The Women Students Fellowship exists to serve and help female students connect with one another and to acclimate to Seminary life, and is led by a leadership team of women students dedicated to enriching the academic, spiritual, relational, and social lives of fellow women students.

PHYSICAL FITNESS FACILITIES

DTS encourages consistent, regular physical activity as a means of attaining your best level of wellness, and is pleased to offer three wellness options to fit your budget, location, and schedule. Each fall and spring semester, all Dallas campus student accounts are automatically charged an activity fee that provides a limited-access membership to the Baylor Tom Landry Fitness Center. Should students wish to invest in other options, they may opt out of the activity fee within the first three weeks of each semester, and take advantage of the Seminary's agreements with the T. Boone Pickens YMCA in downtown Dallas, or with Baylor's corporate membership plan.

EMPLOYMENT OPPORTUNITIES

Employment opportunities are listed on the Seminary's website at www.dts.edu/jobs.

Students and their spouses who wish to be considered for on-campus employment should contact the Human Resources office. To view a list of on-campus openings, or to obtain an application, go to www.dts.edu/departments/campus/employment/. Contact Human Resources for questions regarding these on-campus openings. Our Servant Leadership Internship office also assists students with part-time employment with churches and parachurch organizations. Consult the Educational Ministries and Leadership department website (www.dts.edu/internship) for additional information and to view the Internship Job Board.

STUDENTS WITH DISABILITIES

In accordance with Section 504 of the Rehabilitation Act of 1973, Dallas Theological Seminary, a privately funded, nonprofit, religious organization, will make modifications to ensure equal opportunity and access for qualified students with disabilities to applicable programs, services, activities, and facilities.

After acceptance and prior to entering classes, a student with disability must submit written requests for modifications or auxiliary aids to the Coordinator of Services for Students with Disabilities. Documentation of disability may be required in order to receive appropriate modifications. The department responsible

for the services requested will coordinate with the appropriate Seminary personnel and/or federal or state agency to provide the student with maximal assistance.

The Seminary will not make substantial adjustments in existing programs beyond those necessary to eliminate discrimination against otherwise qualified students, and will not modify existing programs to the extent it places an undue financial or administrative burden on the Seminary. The Seminary assumes no responsibility for personal care attendants, health-care providers, personal devices, individually-prescribed devices, readers for personal use or study, or private tutors.

STUDENT HANDBOOK

The Student Handbook includes academic, library, and financial regulations and procedures as well as other instructions and policies regarding student life.

STUDENT CONDUCT

While the Seminary recognizes the freedom of each student to develop exemplary personal standards under the leadership of the Holy Spirit, students at the Seminary are recognized as Christian leaders by people in the community.

Therefore certain standards of conduct and appearance are to govern the student body (Rom. 14:21–22). The use of tobacco and alcoholic beverages (except for liturgical, ceremonial, medicinal, or other exceptional instances) is not considered suitable for the Seminary faculty, staff, and students, all of whom are expected to abide by this standard.

The appearance of Seminary students, while on campus, is expected to reflect Christian modesty, maturity, discretion, and respect. Additionally, students are expected, while in classes and chapel, to dress with neatness and cleanliness following a professional casual standard as defined by Dallas Theological Seminary.

(See the Student Handbook for further information.)

STUDENT GOVERNMENT

The DTS Student Council is elected by students each spring. The Student Council members interact with their counterparts in the Seminary's staff and faculty, as well as integrating all phases of the extracurricular life of the student body. Leaders from active student groups participate in Student Council as well.

HEALTH INSURANCE

The Seminary requires all students taking 6 or more credit hours per semester to carry health insurance for themselves and their immediate families. All students taking 6–8 credit hours and Doctor of Philosophy students taking 3–5 credit hours are eligible to enroll in the student health insurance program offered through the Seminary.

FACULTY AND ACADEMIC ADVISING

The Seminary considers advising an integral part of each student's experience. For ease of access, many student advising needs are met in one centralized location (Walvoord Student Center, first floor). The Advising Center staff help students make informed decisions in light of current life circumstances and future ministry possibilities. Faculty members mentor students, discuss ministry realities, and help student's select appropriate electives. Academic advisors listen to the life circumstances and ministry goals of students. They then help each student select an appropriate degree and/or courses in light of these goals. Academic advisors also help students plan toward degree completion in light of life circumstances and Seminary policies. Financial aid advisors provide guidance on how to pay for school. The bursar helps students understand their Seminary bill.

MOSHER AND TURPIN LIBRARIES

The 58,000-square-foot library is comprised of the Mosher Library building, which opened in 1960 and was named in memory of Dallas businessmen William and Theodore Mosher, and the Turpin Library building, which opened in 1988 and was named in honor of Jack and Sally Turpin. The library includes study space for 550 people, the library collection, conference rooms, small-group study rooms, copiers, lockers, doctoral carrels, a computer lab, an audio suite, and a video suite. Wireless connection to the Internet is available throughout the facility.

The library collection exceeds 345,000 items, including more than 250,000 print volumes, plus DVDs, videos, microforms, and electronic resources. The library licenses access to scores of bibliographic databases, including the ATLA Religion Index, Religious and Theological Abstracts, Old Testament Abstracts, New Testament Abstracts, Christian Periodical Index, ERIC, JSTOR, WorldCat, AcademicSearch, PsycINFO, Philosopher's Index, and many others. Thousands of books and articles are available online. The general collection is strong in systematic and historical theology, but it especially emphasizes biblical exegesis and interpretation, biblical languages, and the history, culture, and archaeology of the biblical world.

Staff with theological, research, library, and computer/technical expertise are available to assist students. Reference help is available in person and via phone, fax, or email. Credit courses in research methods are also available. The library provides access to additional resources through interlibrary loan and through the TexShare consortium, which includes borrowing privileges at hundreds of libraries in the state of Texas.

See the library website (library.dts.edu/) or contact library@dts.edu for additional information such as facilities, hours, collections, services, and policies.

HOUSING

DTS is committed to providing quality, economical housing that supports the mission of DTS by encouraging spiritual growth and community in two on-campus apartment facilities.

ON-CAMPUS HOUSING

Swiss Tower provides facilities for married couples with or without children in 159 apartments. Washington Hall provides 91 one- and two-bedroom apartments totaling 158 private bedrooms for our single students. Both apartment facilities are equipped with electronically controlled access to the properties and apartments and are patrolled 24 hours a day by the DTS Campus Police department.

TERMS AND CONDITIONS

To qualify for On-Campus Housing at least one family member applying to Swiss tower and all students applying to Washington Hall must be a DTS Master's student taking a minimum of twelve credit hours toward a degree per lease term (June – May) or a PhD student making reasonable progress in their studies. No summer classes are required. The lease period is for 12 months and eligible residents may renew annually in May; specific amendments will be available for those graduating in Summer/December. The only pets allowed are birds and fish.

Holding fee: Half of the security deposit is required before apartment will be assigned.

WAITING LIST

The Placement list becomes long as the year progresses. Therefore newly admitted students should apply as soon as possible but should not depend solely upon occupying a campus apartment during their first year at DTS. New applicants for either Swiss Tower or Washington Hall should explore off-campus options for back-up living arrangements. Please see Off-Campus Housing for more information.

ARRIVAL

Each resident must schedule his or her arrival date and time in advance with the Housing Office. Housing requires at least a two week notice of arrival, but residents are encouraged to schedule his or her move in date immediately after accepting the apartment offer. Doing so will improve the likelihood of the new resident getting the move in date that he or she prefers. Six resident moves can be accommodated per day during the allotted time slots. Arrival and time slots are scheduled through the Relocation Coordinator in the Housing Office.

Residents may not move in any item after 8:00 pm. Those not finished unpacking vehicles by 8 p.m. must complete the move on the following day (or Monday) if a time slot is available. Those who arrive between 8:00 p.m.–10:00 p.m. Monday through Saturday will not be able to move in belongings until the following day (or Monday). However, a key to the apartment and an air mattress (if available) will be provided until the appropriate move time. No arrivals are permitted after 10 p.m.

Note: Because a POD type product will not fit inside the parking spaces, Housing is unable to accommodate them.

CHECK IN

Upon arrival, the Apartment Manager or an Assistant Manager will provide keys, moving equipment, and check each resident into his or her new apartment.

LEASE MEETING

Residents must sign his or her lease during the appropriate Lease Meeting which is held in the Housing Office. The Housing Office holds one lease meeting on Tuesdays and Fridays; starting promptly at 2:00 pm. Meetings are typically scheduled for the first Lease Meeting time following move-in.

Prorated rent for the month moved in and the security deposit (less holding fee paid per request of initial apartment offer) will be collected at this meeting. Cash, checks, cashier's checks, and money orders will be accepted during the lease meeting. Credit card payments may be made in advance of the lease meeting on Campus Net online. No credit cards can be accepted in the Housing Office.

FURNITURE

All apartments are unfurnished except for major kitchen appliances (microwaves are not included) so residents should plan for this need.

PARKING

One parking space is allotted per bedroom (i.e. one-bedroom apartments are allotted one spot, the study does not count as bedroom. Two-bedroom apartments are allotted two spots).

SECURITY

The DTS Campus Police is available 24 hours per day, 7 days per week.

WINTER SUMMER SUBLEASING

During the summer and winter breaks, residents often leave on mission trips or leave to go home for a certain period of time. While they

are gone, residents have the option to sublet their apartment in order to cover the cost of their rent. In order to sublease an apartment you must be a current student or a direct family member of a current resident. Current residents will set a nightly rate for guests.

Because local students often do not know of their plans until the last minute, we will not have a list of available subleases until close to the period of residency. Because of this, sublease requests will not be accepted until April 1st (for Summer) or November 1st (for Winter Intercession). Apartments are assigned on a first come, first serve basis and availability is dependant upon how many residents offer to sublease their apartment.

Contact the Housing Office at 214-887-5210 for more information.

OFF-CAMPUS HOUSING

The Housing office has contracted with a third-party online locator service, which provides useful information on housing in the Dallas area. This site is restricted to DTS students, faculty, staff, alumni, and landlords who are interested in renting to individuals and families associated with DTS. The DTS Housing webpage offers a wealth of information about Dallas and the surrounding Metroplex, schools, mass transit, tools for selecting a roommate, church information, and more.

145 Department of Theological Studies

DEPARTMENT OF THEOLOGICAL STUDIES

The purpose of the **Department of Theological Studies** is to equip godly servant-leaders for worldwide ministry by:

- passing on to students an understanding of the church's one true faith embraced within a distinctively dispensational, premillennial evangelicalism;
- encouraging students to think theologically as a response to Scripture, with a sensitivity to the history of theology, philosophy, and culture; and
- helping students gain perspectives essential to spiritual formation, global servant-leadership, and the evaluation of contemporary issues and trends.

The purpose of the **Educational Ministries and Leadership Department** is to equip godly servant-leaders through training processes that are biblically and theologically grounded and essential to an effective Christian life and ministry. These training processes help students in a variety of contexts to:

- participate individually and corporately in the Holy Spirit's work of transformation; and
- integrate classroom studies with designed contextual experiences.

As a member of the Evangelical Training Association (ETA), the Seminary is authorized to grant the teacher's diploma of the association to students who meet certain course requirements. Information regarding these requirements is available in the Registrar's office.

INTERNSHIPS

An internship requires the student to be involved in ministry hours in a local church and in an area related to the student's chosen ministry emphasis for the ThM program or concentration for the professional MA programs. ThM and MA/CL students will have one calendar year (three consecutive semesters) to fulfill the Internship requirements. All other MA students will have two consecutive semesters to fulfill the Internship requirements. For ThM students, it is strongly suggested that the student wait until at least the third year of study (60+ credit hours) before officially starting the internship. MA students must complete at least 30 hours of their program before officially starting the Internship.

In addition to the ministry hours in the field, the student will demonstrate readiness for ministry through the development of a portfolio related to the DTS Core Competencies and the student's ministry emphasis or concentration. The portfolio will consist of assessed work that is based on the student's vocational intent and uniqueness of the ministry sites.

Registration for all internships takes place only through a registration interview with the Department of Educational Ministries and Leadership the semester prior to the start of the internship. Students should allow sufficient time prior to the start of the semester when scheduling the registration interview. Registration for the internship follows the same timeline as all other courses. If the registration interview takes place after the registration period, the student is responsible to pay all applicable late registration or schedule change fees.

For information on internship site requirements, the internship registration process, portfolio requirements, or available local, national, and international internship opportunities with churches and parachurch organizations (Internship Job Board), consult the Department of Educational Ministries and Leadership website (www.dts.edu/internship).

Dr. Chisholm has published seven books, most recently commentaries on Judges-Ruth and on 1-2 Samuel. He was translation consultant for the International Children's Bible and for The Everyday Bible, and is senior Old Testament editor for the NET Bible. Any discussion with Dr. Chisholm on the Old Testament, however, can be quickly sidetracked when mentioning Syracuse University basketball, or the New York Yankees, teams which probably do not have a greater fan outside the states of New York and Michigan, much to the chagrin of his colleagues.

DOCTRINAL STATEMENT

DTS ENROLLS MEN AND WOMEN WHO:

- (1) show evidence of saving faith in Christ
- (2) are of proven Christian character
- (3) are endowed with appropriate spiritual gifts
- (4) adhere to the following doctrines:
 - the authority and inerrancy of Scripture
 - the Trinity
 - Christ’s full deity and humanity
 - the spiritual lostness of the human race
 - Christ’s substitutionary atonement and bodily resurrection
 - salvation by faith alone in Christ alone
 - the physical return of Christ

While students must adhere to the seven doctrines listed above to be admitted and graduate, each faculty member affirms full agreement with the entire doctrinal statement reproduced below.

ARTICLE I—THE SCRIPTURES

We believe that “all Scripture is given by inspiration of God,” by which we understand the whole Bible is inspired in the sense that holy men of God “were moved by the Holy Spirit” to write the very words of Scripture. We believe that this divine inspiration extends equally and fully to all parts of the writings—historical, poetical, doctrinal, and prophetic—as appeared in the original manuscripts. We believe that the whole Bible in the originals is therefore without error. We believe that all the Scriptures center about the Lord Jesus Christ in His person and work in His first and second coming, and hence that no portion, even of the Old Testament, is properly read, or understood, until it leads to Him. We also believe that all the Scriptures were designed for our practical instruction (Mark 12:26, 36; 13:11; Luke 24:27, 44; John 5:39; Acts 1:16; 17:2–3; 18:28; 26:22–23; 28:23; Rom. 15:4; 1 Cor. 2:13; 10:11; 2 Tim. 3:16; 2 Pet. 1:21).

ARTICLE II—THE GODHEAD

We believe that the Godhead eternally exists in three persons—the Father, the Son, and the Holy Spirit—and that these three are one God, having precisely the same nature, attributes, and perfections, and worthy of precisely the same homage, confidence, and obedience (Matt. 28:18–19; Mark 12:29; John 1:14; Acts 5:3–4; 2 Cor. 13:14; Heb. 1:1–3; Rev. 1:4–6).

ARTICLE III—ANGELS, FALLEN AND UNFALLEN

We believe that God created an innumerable company of sinless, spiritual beings, known as angels; that one, “Lucifer, son of the morning”—the highest in rank—sinned through pride, thereby becoming

Satan; that a great company of the angels followed him in his moral fall, some of whom became demons and are active as his agents and associates in the prosecution of his unholy purposes, while others who fell are “reserved in everlasting chains under darkness unto the judgment of the great day” (Isa. 14:12–17; Ezek. 28:11–19; 1 Tim. 3:6; 2 Pet. 2:4; Jude 6).

We believe that Satan is the originator of sin, and that, under the permission of God, he, through subtlety, led our first parents into transgression, thereby accomplishing their moral fall and subjecting them and their posterity to his own power; that he is the enemy of God and the people of God, opposing and exalting himself above all that is called God or that is worshiped; and that he who in the beginning said, “I will be like the most High,” in his warfare appears as an angel of light, even counterfeiting the works of God by fostering religious movements and systems of doctrine, which systems in every case are characterized by a denial of the efficacy of the blood of Christ and of salvation by grace alone (Gen. 3:1–19; Rom. 5:12–14; 2 Cor. 4:3–4; 11:13–15; Eph. 6:10–12; 2 Thess. 2:4; 1 Tim. 4:1–3).

We believe that Satan was judged at the Cross, though not then executed, and that he, a usurper, now rules as the “god of this world”; that, at the second coming of Christ, Satan will be bound and cast into the abyss for a thousand years, and after the thousand years he will be loosed for a little season and then “cast into the lake of fire and brimstone,” where he “shall be tormented day and night for ever and ever” (Col. 2:15; Rev. 20:1–3, 10).

We believe that a great company of angels kept their holy estate and are before the throne of God, from whence they are sent forth as ministering spirits to minister for them who shall be heirs of salvation (Luke 15:10; Eph. 1:21; Heb. 1:14; Rev. 7:12).

We believe that man was made lower than the angels; and that, in His incarnation, Christ took for a little time this lower place that He might lift the believer to His own sphere above the angels (Heb. 2:6–10).

ARTICLE IV— MAN, CREATED AND FALLEN

We believe that man was originally created in the image and after the likeness of God, and that he fell through sin, and, as a consequence of his sin, lost his spiritual life, becoming dead

in trespasses and sins, and that he became subject to the power of the devil. We also believe that this spiritual death, or total depravity of human nature, has been transmitted to the entire human race of man, the Man Christ Jesus alone being excepted; and hence that every child of Adam is born into the world with a nature which not only possesses no spark of divine life, but is essentially and unchangeably bad apart from divine grace (Gen. 1:26; 2:17; 6:5; Pss. 14:1–3; 51:5; Jer. 17:9; John 3:6; 5:40; 6:35; Rom. 3:10–19; 8:6–7; Eph. 2:1–3; 1 Tim. 5:6; 1 John 3:8).

ARTICLE V—THE DISPENSATIONS

We believe that the dispensations are stewardships by which God administers His purpose on the earth through man under varying responsibilities. We believe that the changes in the dispensational dealings of God with man depend on changed conditions or situations in which man is successively found with relation to God, and that these changes are the result of the failures of man and the judgments of God. We believe that different administrative responsibilities of this character are manifest in the biblical record, that they span the entire history of mankind, and that each ends in the failure of man under the respective test and in an ensuing judgment from God. We believe that three of these dispensations or rules of life are the subject of extended revelation in the Scriptures, viz., the dispensation of the Mosaic Law, the present dispensation of grace, and the future dispensation of the millennial kingdom. We believe that these are distinct and are not to be intermingled or confused, as they are chronologically successive.

We believe that the dispensations are not ways of salvation nor different methods of administering the so-called Covenant of Grace. They are not in themselves dependent on covenant relationships but are ways of life and responsibility to God which test the submission of man to His revealed will during a particular time. We believe that if man does trust in his own efforts to gain the favor of God or salvation under any dispensational test, because of inherent sin his failure to satisfy fully the just requirements of God is inevitable and his condemnation sure.

We believe that according to the “eternal purpose” of God (Eph. 3:11) salvation in the divine reckoning is always “by grace through faith,” and rests upon the basis of the shed blood of Christ. We believe that God has

always been gracious, regardless of the ruling dispensation, but that man has not at all times been under an administration or stewardship of grace as is true in the present dispensation (1 Cor. 9:17; Eph. 3:2; 3:9, ASV; Col. 1:25; 1 Tim. 1:4, ASV).

We believe that it has always been true that “without faith it is impossible to please” God (Heb. 11:6), and that the principle of faith was prevalent in the lives of all the Old Testament saints. However, we believe that it was historically impossible that they should have had as the conscious object of their faith the incarnate, crucified Son, the Lamb of God (John 1:29), and that it is evident that they did not comprehend as we do that the sacrifices depicted the person and work of Christ. We believe also that they did not understand the redemptive significance of the prophecies or types concerning the sufferings of Christ (1 Pet. 1:10–12); therefore, we believe that their faith toward God was manifested in other ways as is shown by the long record in Hebrews 11:1–40. We believe further that their faith thus manifested was counted unto them for righteousness (cf. Rom. 4:3 with Gen. 15:6; Rom. 4:5–8; Heb. 11:7).

ARTICLE VI— THE FIRST ADVENT

We believe that, as provided and purposed by God and as preannounced in the prophecies of the Scriptures, the eternal Son of God came into this world that He might manifest God to men, fulfill prophecy, and become the Redeemer of a lost world. To this end He was born of the virgin, and received a human body and a sinless human nature (Luke 1:30–35; John 1:18; 3:16; Heb. 4:15).

We believe that, on the human side, He became and remained a perfect man, but sinless throughout His life; yet He retained His absolute deity, being at the same time very God and very man, and that His earth-life sometimes functioned within the sphere of that which was human and sometimes within the sphere of that which was divine (Luke 2:40; John 1:1–2; Phil. 2:5–8).

We believe that in fulfillment of prophecy He came first to Israel as her Messiah-King, and that, being rejected of that nation, He, according to the eternal counsels of God, gave His life as a ransom for all (John 1:11; Acts 2:22–24; 1 Tim. 2:6).

We believe that, in infinite love for the lost, He voluntarily accepted His Father’s will and

became the divinely provided sacrificial Lamb and took away the sin of the world, bearing the holy judgments against sin which the righteousness of God must impose. His death was therefore substitutionary in the most absolute sense—the just for the unjust—and by His death He became the Savior of the lost (John 1:29; Rom. 3:25–26; 2 Cor. 5:14; Heb. 10:5–14; 1 Pet. 3:18).

We believe that, according to the Scriptures, He arose from the dead in the same body, though glorified, in which He had lived and died, and that His resurrection body is the pattern of that body which ultimately will be given to all believers (John 20:20; Phil. 3:20–21).

We believe that, on departing from the earth, He was accepted of His Father and that His acceptance is a final assurance to us that His redeeming work was perfectly accomplished (Heb. 1:3).

We believe that He became Head over all things to the church which is His body, and in this ministry He ceases not to intercede and advocate for the saved (Eph. 1:22–23; Heb. 7:25; 1 John 2:1).

ARTICLE VII— SALVATION ONLY THROUGH CHRIST

We believe that, owing to universal death through sin, no one can enter the kingdom of God unless born again; and that no degree of reformation however great, no attainments in morality however high, no culture however attractive, no baptism or other ordinance however administered, can help the sinner to take even one step toward heaven; but a new nature imparted from above, a new life implanted by the Holy Spirit through the Word, is absolutely essential to salvation, and only those thus saved are sons of God. We believe, also, that our redemption has been accomplished solely by the blood of our Lord Jesus Christ, who was made to be sin and was made a curse for us, dying in our room and stead; and that no repentance, no feeling, no faith, no good resolutions, no sincere efforts, no submission to the rules and regulations of any church, nor all the churches that have existed since the days of the Apostles can add in the very least degree to the value of the blood, or to the merit of the finished work wrought for us by Him who united in His person true and proper deity with perfect and sinless humanity (Lev. 17:11; Isa. 64:6;

Matt. 26:28; John 3:7–18; Rom. 5:6–9; 2 Cor. 5:21; Gal. 3:13; 6:15; Eph. 1:7; Phil. 3:4–9; Titus 3:5; James 1:18; 1 Pet. 1:18–19, 23).

We believe that the new birth of the believer comes only through faith in Christ and that repentance is a vital part of believing, and is in no way, in itself, a separate and independent condition of salvation; nor are any other acts, such as confession, baptism, prayer, or faithful service, to be added to believing as a condition of salvation (John 1:12; 3:16, 18, 36; 5:24; 6:29; Acts 13:39; 16:31; Rom. 1:16–17; 3:22, 26; 4:5; 10:4; Gal. 3:22).

ARTICLE VIII— THE EXTENT OF SALVATION

We believe that when an unregenerate person exercises that faith in Christ which is illustrated and described as such in the New Testament, he passes immediately out of spiritual death into spiritual life, and from the old creation into the new; being justified from all things, accepted before the Father as Christ His Son is accepted, loved as Christ is loved, having his place and portion as linked to Him and one with Him forever. Though the saved one may have occasion to grow in the realization of his blessings and to know a fuller measure of divine power through the yielding of his life more fully to God, he is, as soon as he is saved, in possession of every spiritual blessing and absolutely complete in Christ, and is therefore in no way required by God to seek a so-called “second blessing,” or a “second work of grace” (John 5:24; 17:23; Acts 13:39; Rom. 5:1; 1 Cor. 3:21–23; Eph. 1:3; Col. 2:10; 1 John 4:17; 5:11–12).

ARTICLE IX— SANCTIFICATION

We believe that sanctification, which is a setting-apart unto God, is threefold: It is already complete for every saved person because his position toward God is the same as Christ’s position. Since the believer is in Christ, he is set apart unto God in the measure in which Christ is set apart unto God. We believe, however, that he retains his sin nature, which cannot be eradicated in this life. Therefore, while the standing of the Christian in Christ is perfect, his present state is no more perfect than his experience in daily life. There is, therefore, a progressive sanctification wherein the Christian is to “grow in grace,” and to

“be changed” by the unhindered power of the Spirit. We believe also that the child of God will yet be fully sanctified in his state as he is now sanctified in his standing in Christ when he shall see his Lord and shall be “like Him” (John 17:17; 2 Cor. 3:18; 7:1; Eph. 4:24; 5:25–27; 1 Thess. 5:23; Heb. 10:10, 14; 12:10).

ARTICLE X— ETERNAL SECURITY

We believe that, because of the eternal purpose of God toward the objects of His love, because of His freedom to exercise grace toward the meritless on the ground of the propitiatory blood of Christ, because of the very nature of the divine gift of eternal life, because of the present and unending intercession and advocacy of Christ in heaven, because of the immutability of the unchangeable covenants of God, because of the regenerating, abiding presence of the Holy Spirit in the hearts of all who are saved, we and all true believers everywhere, once saved shall be kept saved forever. We believe, however, that God is a holy and righteous Father and that, since He cannot overlook the sin of His children, He will, when they persistently sin, chasten them and correct them in infinite love; but having undertaken to save them and keep them forever, apart from all human merit, He, who cannot fail, will in the end present every one of them faultless before the presence of His glory and conformed to the image of His Son (John 5:24; 10:28; 13:1; 14:16–17; 17:11; Rom. 8:29; 1 Cor. 6:19; Heb. 7:25; 1 John 2:1–2; 5:13; Jude 24).

ARTICLE XI— ASSURANCE

We believe it is the privilege, not only of some, but of all who are born again by the Spirit through faith in Christ as revealed in the Scriptures, to be assured of their salvation from the very day they take Him to be their Savior and that this assurance is not founded upon any fancied discovery of their own worthiness or fitness, but wholly upon the testimony of God in His written Word, exciting within His children filial love, gratitude, and obedience (Luke 10:20; 22:32; 2 Cor. 5:1, 6–8; 2 Tim. 1:12; Heb. 10:22; 1 John 5:13).

ARTICLE XII— THE HOLY SPIRIT

We believe that the Holy Spirit, the Third Person of the blessed Trinity, though omnipresent from all eternity, took up His abode in the world in a special sense on the day of Pentecost according to the divine promise, dwells in every believer, and by His baptism unites all to Christ in one body, and that He, as the Indwelling One, is the source of all power and all acceptable worship and service. We believe that He never takes His departure from the church, nor from the feeblest of the saints, but is ever present to testify of Christ; seeking to occupy believers with Him and not with themselves nor with their experiences. We believe that His abode in the world in this special sense will cease when Christ comes to receive His own at the completion of the church (John 14:16–17; 16:7–15; 1 Cor. 6:19; Eph. 2:22; 2 Thess. 2:7).

We believe that, in this age, certain well-defined ministries are committed to the Holy Spirit, and that it is the duty of every Christian to understand them and to be adjusted to them in his own life and experience. These ministries are the restraining of evil in the world to the measure of the divine will; the convicting of the world respecting sin, righteousness, and judgment; the regenerating of all believers; the indwelling and anointing of all who are saved, thereby sealing them unto the day of redemption; the baptizing into the one body of Christ of all who are saved; and the continued filling for power, teaching, and service of those among the saved who are yielded to Him and who are subject to His will (John 3:6; 16:7–11; Rom. 8:9; 1 Cor. 12:13; Eph. 4:30; 5:18; 2 Thess. 2:7; 1 John 2:20–27).

We believe that some gifts of the Holy Spirit such as speaking in tongues and miraculous healings were temporary. We believe that speaking in tongues was never the common or necessary sign of the baptism nor of the filling of the Spirit, and that the deliverance of the body from sickness or death awaits the consummation of our salvation in the resurrection (Acts 4:8, 31; Rom. 8:23; 1 Cor. 13:8).

ARTICLE XIII— THE CHURCH, A UNITY OF BELIEVERS

We believe that all who are united to the risen and ascended Son of God are members of the church which is the body and bride of Christ,

which began at Pentecost and is completely distinct from Israel. Its members are constituted as such regardless of membership or non-membership in the organized churches of earth. We believe that by the same Spirit all believers in this age are baptized into, and thus become, one body that is Christ's, whether Jews or Gentiles, and having become members one of another, are under solemn duty to keep the unity of the Spirit in the bond of peace, rising above all sectarian differences, and loving one another with a pure heart fervently (Matt. 16:16–18; Acts 2:42–47; Rom. 12:5; 1 Cor. 12:12–27; Eph. 1:20–23; 4:3–10; Col. 3:14–15).

ARTICLE XIV— THE SACRAMENTS OR ORDINANCES

We believe that water baptism and the Lord's Supper are the only sacraments and ordinances of the church and that they are a scriptural means of testimony for the church in this age (Matt. 28:19; Luke 22:19–20; Acts 10:47–48; 16:32–33; 18:7–8; 1 Cor. 11:26).

ARTICLE XV— THE CHRISTIAN WALK

We believe that we are called with a holy calling, to walk not after the flesh, but after the Spirit, and so to live in the power of the indwelling Spirit that we will not fulfill the lust of the flesh. But the flesh with its fallen, Adamic nature, which in this life is never eradicated, being with us to the end of our earthly pilgrimage, needs to be kept by the Spirit constantly in subjection to Christ, or it will surely manifest its presence in our lives to the dishonor of our Lord (Rom. 6:11–13; 8:2, 4, 12–13; Gal. 5:16–23; Eph. 4:22–24; Col. 2:1–10; 1 Pet. 1:14–16; 1 John 1:4–7; 3:5–9).

ARTICLE XVI— THE CHRISTIAN'S SERVICE

We believe that divine, enabling gifts for service are bestowed by the Spirit upon all who are saved. While there is a diversity of gifts, each believer is energized by the same Spirit, and each is called to his own divinely appointed service as the Spirit may will. In the apostolic church there were certain gifted men—apostles, prophets, evangelists, pastors, and teachers—who were appointed by God for the perfecting of the saints unto their work of the ministry. We believe also that today some men are especially

called of God to be evangelists, pastors, and teachers, and that it is to the fulfilling of His will and to His eternal glory that these shall be sustained and encouraged in their service for God (Rom. 12:6; 1 Cor. 12:4–11; Eph. 4:11).

We believe that, wholly apart from salvation benefits which are bestowed equally upon all who believe, rewards are promised according to the faithfulness of each believer in his service for his Lord, and that these rewards will be bestowed at the judgment seat of Christ after He comes to receive His own to Himself (1 Cor. 3:9–15; 9:18–27; 2 Cor. 5:10).

ARTICLE XVII— THE GREAT COMMISSION

We believe that it is the explicit message of our Lord Jesus Christ to those whom He has saved that they are sent forth by Him into the world even as He was sent forth of His Father into the world. We believe that, after they are saved, they are divinely reckoned to be related to this world as strangers and pilgrims, ambassadors and witnesses, and that their primary purpose in life should be to make Christ known to the whole world (Matt. 28:18–19; Mark 16:15; John 17:18; Acts 1:8; 2 Cor. 5:18–20; 1 Pet. 1:17; 2:11).

ARTICLE XVIII— THE BLESSED HOPE

We believe that, according to the Word of God, the next great event in the fulfillment of prophecy will be the coming of the Lord in the air to receive to Himself into heaven both His own who are alive and remain unto His coming, and also all who have fallen asleep in Jesus, and that this event is the blessed hope set before us in the Scripture, and for this we should be constantly looking (John 14:1–3; 1 Cor. 15:51–52; Phil. 3:20; 1 Thess. 4:13–18; Titus 2:11–14).

ARTICLE XIX— THE TRIBULATION

We believe that the translation of the church will be followed by the fulfillment of Israel's seventieth week (Dan. 9:27; Rev. 6:1–19:21) during which the church, the body of Christ, will be in heaven. The whole period of Israel's seventieth week will be a time of judgment on the whole earth, at the end of which the times of the Gentiles will be brought to a close. The latter half of this period will be the time of Jacob's trouble (Jer. 30:7), which our Lord

called the great tribulation (Matt. 24:15–21). We believe that universal righteousness will not be realized previous to the second coming of Christ, but that the world is day by day ripening for judgment and that the age will end with a fearful apostasy.

ARTICLE XX— THE SECOND COMING OF CHRIST

We believe that the period of great tribulation in the earth will be climaxed by the return of the Lord Jesus Christ to the earth as He went, in person on the clouds of heaven, and with power and great glory to introduce the millennial age, to bind Satan and place him in the abyss, to lift the curse which now rests upon the whole creation, to restore Israel to her own land and to give her the realization of God's covenant promises, and to bring the whole world to the knowledge of God (Deut. 30:1–10; Isa. 11:9; Ezek. 37:21–28; Matt. 24:15–25:46; Acts 15:16–17; Rom. 8:19–23; 11:25–27; 1 Tim. 4:1–3; 2 Tim. 3:1–5; Rev. 20:1–3).

ARTICLE XXI— THE ETERNAL STATE

We believe that at death the spirits and souls of those who have trusted in the Lord Jesus Christ for salvation pass immediately into His presence and there remain in conscious bliss until the resurrection of the glorified body when Christ comes for His own, whereupon soul and body reunited shall be associated with Him forever in glory; but the spirits and souls of the unbelieving remain after death conscious of condemnation and in misery until the final judgment of the great white throne at the close of the millennium, when soul and body reunited shall be cast into the lake of fire, not to be annihilated, but to be punished with everlasting destruction from the presence of the Lord, and from the glory of His power (Luke 16:19–26; 23:42; 2 Cor. 5:8; Phil. 1:23; 2 Thess. 1:7–9; Jude 6–7; Rev. 20:11–15).

STATEMENT OF EDUCATIONAL EFFECTIVENESS

In an effort to assess the effectiveness of its educational programs, Dallas Theological Seminary tracks persistence rates, graduation rates, and placement information for all its educational programs. Since the majority of graduate theological institutions track such effectiveness data in a variety of ways, the following information is designed only to give interested individuals and the Seminary's constituencies information about the Seminary and should not be used as a comparison, either good or bad, to the effectiveness of other seminaries and graduate-level theological institutions.

PERSISTENCE

DTS tracks persistence and graduation rates for its master's-level degree programs. The persistence rates are a measure of the number of students that continue in a Seminary degree program three years after initial matriculation into the Seminary. Of masters students initially matriculating from fall 2003 through fall 2011, 67% continued or graduated after three years. Within that group, 75% of Master of Theology (ThM) students (the Seminary's flagship, four-year, ministry-preparation degree program) continued after three years.

GRADUATION RATES

Graduation rates are a measure of the number of students who actually graduated with a DTS degree within eight years of initial matriculation. Eight years is the upper time-limit within which a student must complete a program of study. Of the master's-level students initially matriculating from fall 2003 through fall 2007, 60% graduated within eight years. Within that group, 66% of students matriculating into the ThM earned their degrees within eight years.

PLACEMENT INFORMATION

The Seminary also tracks the percentage of known graduates who are in various categories of employment within a specified number of months of graduation. Of the 2013–2014 graduates whose ministry placements are known to the Seminary within five months of their graduation, 44% are working in church ministry, 19% in parachurch ministry, 6% in missions, 13% in education, 3% are students, and 6% in secular employment. Fourteen percent of 2014 graduates are still in placement five months after graduation. Further evidence that graduates of the Seminary are prepared for a lifetime of ministry can be seen from a recent canvass of the Seminary's 13,614 living alumni. Of those for whom the Seminary has the information, 35% are working in church ministry, 17% in parachurch ministries, 13% in education, 7% in missions, 18% in secular work, and 10% are retired.
